A Sourcebook on Naturalist Theatre - Christopher Innes 2002-01-04
A Sourcebook on Naturalist Theatre provides essential primary sources which document one of the key movements in modern theatre.

Christopher Innes has selected three writers to exemplify the movement, and six plays in particular: * Henrik Ibsen - A Dolls House and Hedda Gabler * Anton Chekhov - The Seagull and The Cherry Orchard * George Bernard Shaw - Mrs Warren's Profession and Heartbreak House. Innes' introduction provides an overview of naturalist theatre. Key themes include: the representation of women, significant contemporary issues and the links between theory, play writing and stage practice. The primary sources explore many aspects of naturalism, giving information on: * the playwrights' intentions when writing plays * contemporary reviews * literary criticism * political and social background * production notes from early performances of the plays.

My Brilliant Career - Miles Franklin 2009-05-01

Miles Franklin wrote My Brilliant Career as a romance to entertain her friends. It depicts the poor, intelligent Sybylla who cannot accustom herself to her family's reduced circumstances. She is given a reprieve and sent to her Grandmother's grand house, where she mingles with the best rural society, including the handsome Harry Beecham. She is faced with the choice of material improvement through marriage, or personal improvement through working for her dreams.

Acts of Desire - Sos Eltis 2013-04-18

From seduced maidens to adulterous wives, bigamists, courtesans, kept women and streetwalkers, the so-called 'fallen woman' was a ubiquitous and enduring figure on the Victorian and Edwardian stage. Acts of Desire traces the theatrical representation of illicit female sexuality from early nineteenth-century melodramas, through sensation dramas, Ibsenite sex-problem plays and suffrage dramas, to early social realism and the well-made plays of Pinero, Jones, Maugham, and Coward. This study reveals and analyses enduring plot lines and tropes that continue to influence contemporary theatre and film. Women's illicit desires became a theatrical focus for anxieties and debates surrounding gender roles, women's rights, sexual morality, class conflict, economics, eugenics, and female employment. The theatre played a central role in both establishing and challenging sexual norms, and many playwrights exploited the ambiguities and implications of performance to stage disruptive spectacles of female desire, agency, energy, and resourcefulness, using ingenuity and skill to evade the control of that ever watchful state censor, the Lord Chamberlain. Covering an astonishing range of theatrical, social, literary, and political texts, this study challenges the currency and validity of the long-established critical term 'the fallen woman', and establishes the centrality of the theatre to cultural and sexual debates throughout the period. Acts of Desire encompasses published and unpublished plays, archival material, censorship records, and contemporary reviews to reveal the surprising continuities, complex debates, covert meanings, and exuberant spectacles which marked the history of theatrical representations of female sexuality. Engaging with popular and 'high art' performances, this study also reveals the vital connections between theatre and its sister arts, tracing the exchange of influences between Victorian drama, narrative painting and the novel, and showing theatre to be a crucial but neglected element in the cultural history of women's sexuality.

"You squashed cabbage leaf" - How the main characters view and treat each other in Bernard Shaw's play "Pygmalion" - Lena Spiekermann 2011-11-14

Essay from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,7, Ruhr-University of Bochum, language: English, abstract: "I shall always be a flower girl to Professor Higgins, because he always treats me as a flower girl, and always will; but I know I can be a lady to you, because you always treat me as a lady, and always will" (152). In this quotation the female main character of Bernard Shaw's play "Pygmalion", Eliza, evaluates how she is treated by the two male main characters Higgins and Pickering. But her opinion is only partly correct and apart from that she speaks from a one-sided point of view. This essay will try to be more discriminating by looking closer at the view and treatment of Eliza towards Higgins and Pickering. It will also take the attitude of the two towards Eliza into consideration by examining the relationships always from both sides to show how the main characters view and treat each other in the play.

Plays Pleasant - Bernard Shaw 1968

Mrs. Warren and the Problem of Prostitution and the Temptations of Vivie Warren in Bernard Shaw's 'Mrs. Warren's Profession' - Anonym 2008-03

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Tübingen (Institute for Anglistics), course: PS I: Introduction to Literary Studies, language: English, abstract: Introduction "Mrs Warren's Profession was written in 1894 to draw the attention to the truth that prostitution is caused, not by female depravity and male licentiousness, but simply by underpaying, under-valuing and over-working women so shamefully that the poorest of them are forced to resort to prostitution to keep body and soul together." (Shaw in his preface to Mrs Warren's Profession; The Guthrie Theater Study Guide). This paper analyzes how George Bernard Shaw explores the problem of prostitution and the temptations that Vivie Warren faces in his play "Mrs Warren's Profession" written in 1894. Concerning the problem of prostitution, Shaw gives an account of a conflict between individual needs and the morality of Victorian society. Furthermore, Shaw exposes the downsides of the principles and morality of the upper classes at the turn of the century. It was a period of sexual repression, which lasted during the 1890s and into the 20th century. The author claims that the "White Slave Traffic", which referred to prostitutes as slaves, was a social problem in post-industrial revolution England. First I will analyze the exploration of the problem of prostitution by looking at the characters and their opinion towards prostitution. Then I will focus on the justifications and reasons for prostitution that Shaw provides. In the second half of this paper, I will analyze the temptations Vivie Warren has to face also by looking at the characters and the evolution she goes through. I will finish off with a conclusion in respect to both analyses and by viewing the play as a morality play. Because of the focus on prostitution and Shaw's critical view of society's attitude towards it, the play was censored and wasn't performed until

Plays by George Bernard Shaw - George Bernard Shaw 2004-08-03
George Bernard Shaw demanded truth and despised convention. He punctured hollow pretensions and smug prudishness—coating his criticism with ingenious and irreverent wit. In *Mrs. Warren's Profession*, *Arms and the Man*, *Candida*, and *Man and Superman*, the great playwright satirizes society, military heroism, marriage, and the pursuit of man by woman. From a social, literary, and theatrical standpoint, these four plays are among the foremost dramas of the age—as intellectually stimulating as they are thoroughly enjoyable. “My way of joking is to tell the truth: It is the funniest joke in the world.”—G. B. Shaw With an Introduction by Eric Bentley and an Afterword by Norman Lloyd

The Purpose Driven Church - Rick Warren 2007-09-04
Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

Plays Unpleasant - George Bernard Shaw 2001-01-01
Exclusive to Penguin Classics: the definitive text of Shaw's volume of "unpleasant" plays, *Widowers' Houses*, *The Philanderer*, and *Mrs. Warren's Profession*—part of the official Bernard Shaw Library A Penguin Classic With *Plays Unpleasant*, Shaw issued a radical challenge to his audiences' complacency and exposed social evils through his dramatization of the moral conflicts between youthful idealism and economic reality, promiscuity and marriage, and the duties of women to others and to themselves. His first play, *Widowers' Houses*, depicts Harry Trench's dilemma on learning that the inheritance of his fiancée comes from her father's income as a slum landlord. In *The Philanderer*, charismatic Leonard Charteris proposes marriage to Grace, while he is still involved with the beautiful Julia Craven—who is not inclined to give him up so easily. And in *Mrs. Warren's Profession*, Vivie Warren is forced to reconsider her own future when she discovers that her mother's immoral earnings funded her genteel upbringing. This is the definitive text under the editorial supervision of Dan H. Laurence. This volume includes Shaw's prefaces, cast lists from the first productions of the plays, and a list of his principal works.

Kitty and Vivie Warren in G.B. Shaws "Mrs. Warren's Profession" - Different Women Struggling for the Same Aim - Jasmin Ostermeyer 2004-05-26

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: very good, University of Hannover (English Seminar), language: English, abstract: In 1894 George Bernard Shaw wrote a play about prostitution called "Mrs Warren's Profession". In Queen Victoria's days it was forbidden to stage the play by censorship because of the shown decay and all the public theatres did not dare it. In 1902 a private theatre company that often staged forbidden plays in those days - the Stage Society - decided to perform it.1 But there is not only the aspect of prostitution dealt with in Shaw's play. This essay will look into the relationship of Mrs Kitty Warren and her daughter Vivie, two totally different women who try to cope with life. For this reason their different ways of life shall be described and they shall be

characterised. Afterwards their concepts of life will be compared and the conflict between mother and daughter will be examined. But the essay will not only contrast the two women but also show the similarities between them. 1 Shaw, George Bernard: Preface of Mrs Warren's Profession. In: *Plays Unpleasant*. Harmondsworth: Penguin.1975. pp.181-182.

Visit us online at www.1stWorldLibrary.ORG - - A lady and gentleman are making love to one another in the drawing-room of a flat in Ashly Gardens in the Victoria district of London. It is past ten at night. The walls are hung with theatrical engravings and photographs - Kemble as Hamlet, Mrs. Siddons as Queen Katharine pleading in court, Macready as Werner (after Maclise), Sir Henry Irving as Richard III (after Long), Miss Ellen Terry, Mrs. Kendal, Miss Ada Rehan, Madame Sarah Bernhardt, Mr. Henry Arthur Jones, Mr. A. W. Pinero, Mr. Sydney Grundy, and so on, but not the Signora Duse or anyone connected with Ibsen. The room is not a perfect square, the right hand corner at the back being cut off diagonally by the doorway, and the opposite corner rounded by a turret window filled up with a stand of flowers surrounding a statue of Shakespear. The fireplace is on the right, with an armchair near it. A small round table, further forward on the same side, with a chair beside it, has a yellow-backed French novel lying open on it. The piano, a grand, is on the left, open, with the keyboard in full view at right angles to the wall. The piece of music on the desk is "When other lips." Incandescent lights, well shaded, are on the piano and mantelpiece. Near the piano is a sofa, on which the lady and

Mrs. Warren's Profession - George Bernard Shaw 2011-06-01

Read the controversial play that caused an international sensation when it was first performed. George Bernard Shaw's *Mrs. Warren's Profession* takes a frank and matter-of-fact look at the world's oldest profession and makes an explicit link between the second-class citizenship that has been foisted upon women for thousands of years and the persistence of prostitution as an occupation.

The Intelligent Woman's Guide to Socialism and Capitalism - Bernard Shaw 1984

With great wit and forcefulness, Shaw here presents the conditions under which he thought the world could look forward to the future with hope. This book sets out most completely Shaw's indictment of capitalism as the source of both domestic injustice and international enmity, and his arguments for a socialist egalitarian society as the only society assured a healthy future.

Mrs Warren's Profession - Bernard Shaw 2005-09-13

One of Bernard Shaw's early plays of social protest, *Mrs Warren's Profession* places the protagonist's decision to become a prostitute in the context of the appalling conditions for working class women in Victorian England. Faced with ill health, poverty, and marital servitude on the one hand, and opportunities for financial independence, dignity, and self-worth on the other, Kitty Warren follows her sister into a successful career in prostitution. Shaw's fierce social criticism in this play is driven not by conventional morality, but by anger at the hypocrisy that allows society to condemn prostitution while condoning the discrimination against women that makes prostitution inevitable. This Broadview edition includes a comprehensive historical and critical introduction; extracts from Shaw's prefaces to the play; Shaw's expurgations of the text; early reviews of the play in the United States, Canada, and Great Britain; and contemporary contextual documents on prostitution, incest, censorship, women's education, and the "New Woman."

The Methuen Drama Book of Naturalist Plays - Henrik Ibsen 2010-10-15

The study of Naturalist theatre remains a staple and often foundational part of the curriculum at all levels of drama education. This anthology of six of the most commonly studied and revived Naturalist plays from the European repertoire offers a unique compendium that will serve as required reading for drama courses and is ideal for theatre practitioners and fans. The selected plays perfectly reflect the formal and geographical diversity of Naturalist theatre as well as its major philosophical, political, and theatrical preoccupations. The volume includes Henrik Ibsen's *A Doll's House* (1879), August Strindberg's *Miss Julie* (1888), Gerhart Hauptmann's *The Weavers* (1892), Bernard Shaw's

Mrs Warren's Profession (1893), Anton Chekhov's Three Sisters (1901), and John Galsworthy's Strife (1909). A critical introduction by Dr. Chris Megson contextualizes the emergence of Naturalist theatre in the late nineteenth century, identifying its principal aims and methods; provides an analysis of the selected plays, mapping their key preoccupations; and ends by considering Naturalism's enduring legacy and resonance today.

Don't miss the Warrens in the new movie "The Conjuring."

British Modernism and Censorship - Celia Marshik 2006-07-06

Government censorship had a profound impact on the development of canonical modernism and on the public images of modernist writers. Celia Marshik argues that censorship can benefit as well as harm writers and the works they create in response to it. She weaves together histories of official and unofficial censorship, of individual writers and their relationships to such censorship and of British modernism. Throughout, Marshik draws on an extraordinary range of evidence, including the files of government agencies and social purity organisations. She analyses how works were written, revised, published and performed in relation to this complex web of social forces. Chapters of Dante Gabriel Rossetti, Bernard Shaw, Virginia Woolf, James Joyce and Jean Rhys demonstrate that by both reacting against and complying with the forces of repression, writers reaped personal and stylistic benefits for themselves and for society at large.

House of Darkness House of Light - Andrea Perron 2014-08-11

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Mrs Warren's Profession, Candida, and You Never Can Tell - George Bernard Shaw 2021

Mrs Warren's Profession, Candida, and You Never Can Tell are plays which give a clear sense of the range of Shaw's first forays into playwriting. Together they showcase his early negotiations between his political and social concerns and the constraints and possibilities of the British stage at the fin de siècle. These plays are bound together by shared concerns with gender roles, sexuality, concepts of familial and social duty, and how all these are shaped by wider financial, political, literary, philosophical and theatrical influences. Mrs Warren's Profession is the best known of Shaw's 'Plays Unpleasant', his first exercises in using the theatre as a means to awaken the consciences of morally complacent audiences. Written in 1893 in angry response to the success of A. W. Pinero's sensational hit *The Second Mrs Tanqueray* and a revival of Dumas's *La dame aux camélias*, Mrs Warren's Profession did not receive a public performance in Britain until 1925. Shaw's provocative response to the sentimental 'fallen woman' plays that dominated the fin-de-siècle stage was a play in which prostitution was presented not as a question of female sexual morality, but as a direct result of the systematic economic exploitation of women. *Candida* (1894), by contrast, was categorised by Shaw as one of his 'Plays Pleasant', but the label was characteristically deceptive. The play appeared at first sight to offer audiences a reassuringly familiar drama of a marriage threatened by an interloper but ultimately reaffirmed when the wife recognises her true place and her dangerous admirer is sent out into the cold. But, as critics have noted, the play was a re-working by Shaw of Ibsen's *A Doll's House* in which the husband played the part of the over-protected doll, unaware of the real power dynamics of his marriage. *You Never Can Tell* (1897) was Shaw's seaside comedy of manners, complete with an all-knowing waiter, exuberant twins, a lovelorn dentist, a long-lost father, lashings of food, and a comic catchphrase to provide the title. Shaw took all these familiar elements of Victorian farce and reworked them into a modern play of ideas, in which etiquette and ideologies collide. Just as in Wilde's *The Importance of Being Earnest* (a comparison which Shaw always stubbornly rejected), questions of class, marriage, manners, money, sex and identity underpin the plot of love-at-first-sight, mislaid parents and reunited families.

Presents four plays by George Bernard Shaw, including "Mrs. Warren's Profession," "Pygmalion," "Man and Superman," and "Major Barbara," each with an explanatory annotation, and includes information on the author and his work, a chronology, and a selected bibliography.

Les Avaries - Eugène Brieux 1921

A Doll's House - Henrik Ibsen 2009-01-01

When *A Doll's House* was first published in 1879 it created a sensation. The play follows the ordinary life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies.

Shaw and Feminisms - D. A. Hadfield 2016-11-01

A worthy successor to "Fabian Feminist." Shaw's influence on the self-image and public standing of women has been immense, both in his time and in our own, yet Shaw has also been widely and sometimes appallingly misunderstood. This book should help clarify the complexities of the issue and provoke continued reflection and debate. Julie A. Sparks, San Jose State University This collection suggests that Shaw's views of women are still relevant and provocative and that the dialogue with Shaw is far from over. Sally Peters, author of "Bernard Shaw: The Ascent of the Superman" When offstage actions contradict a playwright's onstage message, literary study gets messy. In his personal life, George Bernard Shaw was often ambivalent toward liberated women surprisingly so, considering his reputation as one of the first champions of women's rights. His private attitudes sit uncomfortably beside his public philosophies that were so foundational to first-wave feminism. In this volume, Shaw's long-recognized influence on feminism is reexamined through the lens of twenty-first-century feminist thought, providing new links between Shaw's writings and his gendered notions of physicality, pain, performance, nationalism, authorship, and politics. Through the exploration of Shaw's works, a significant amount of previously unpublished Shaw correspondence, and excerpts from the works of his feminist playwright contemporaries, "Shaw and Feminisms" ultimately compares Shaw's strong female characters with his real-life involvement with women, while investigating his continuing impact on theater and politics. D. A. Hadfield is lecturer in English at the University of Waterloo. She is the author of "Re: Producing Women's Dramatic History: The Politics of Playing in Toronto." Jean Reynolds is professor emerita of English at Polk State College. She has written five books, including "Pygmalion's Wordplay: The Postmodern Shaw." Pygmalion and Three Other Plays - Bernard Shaw 2013

George Bernard Shaw is one of the most influential playwrights of the twentieth century. The collection "Pygmalion and Three Other Plays" contains his best works, which are known for their rapier wit, ideas of decency, and portrayal of human relationships. Shaw wanted his audiences to realize that people, regardless of race, gender, or class, were all human beings with the same needs as everyone else. "Pygmalion" is a modern retelling of the classic story of the same name. Professor Henry Higgins, a phonetician, tries to transform a lower-class cockney girl into a lady by teaching her to speak like a proper Englishwoman. What Higgins forgets, though, is that Eliza is a human being who only wants to be treated as such; in Higgins' mind, Eliza is a fun wager, a test of his abilities. When he thinks that he has won and turned Eliza into a fine lady, he becomes lonely and misses her vivacious personality. "Major Barbara," "The Doctor's Dilemma," and "Heartbreak House" all deal with different themes, but each play contains a unique play of words, blending comedy with feeling and heart to create a story which will make a large impression on the audiences' heart.
