These point only to a single aspect of the miraculous nature of the Qur'an, namely its scientific notions. Among an endless list of evidences that go far beyond the scope of this publication, such explicit, precise and comprehensive scientific statements provide an eloquent testimony to the belief that the Qur'an is the Word of the Creator. Hence, it is the basic source of Divine guidance to man, at a time when all previous revelations have either been lost or distorted.

**Islam Revealed** - Anis Shorrosh 1988

Thumb through any newspaper, listen to any newscast, and the terms "Islamic Al Jihad" or "Shi'ite Muslims" will inevitably be linked with bombings, hijackings, and other terrorist acts. What do you know about this religion that boasts "the greatest joy is to kill and be killed for Allah"? In Islam Revealed, Dr. Anis Shorrosh explains the driving force behind the fanatical, as well as the moderate and conservative sects of Islam. Drawing on his experience as a Palestinian-born Arab Christian and years of research and study, Dr. Shorrosh takes a hard look at an ever-growing religion that currently numbers 900 million members. Through comparisons of Islam's Quran and the Hebrew-Christian Bible, Dr. Shorrosh outlines the contradictions and inaccuracies that form the basis for the Muslims' beliefs, and contrasts the turbulent life of Muhammad with the life of Jesus. In light of recent terrorist activities in America and the continuing tensions in the Middle East, Islam Revealed is a timely reference to the belief system of one in five people on earth.

**The God That Never Was** -

Islam is the only religion which teaches the existence of a PERFECT God. A perfect God means that there is no sharer in His Nature and His Attributes: "Say: He is God, the One and Only; God, the Eternal, Absolute; He begetteth not, nor is He begotten; and there is none like unto Him." (Holy Qur'an, 112:1-4) There has appeared a man in Benoni. He is not qualified in theology, but is fondly cherishing the self-delusion that he is an apostle of Christ, appointed by God to convert Muslims to Christianity. Because he is a lawyer by profession, he is adept at juggling with words and quoting the Holy Qur'an totally out of context without knowing a word of Arabic. He wants Muslims to believe that Jesus was also a God, a belief that is abhorrent to us, because it is an antithesis of the Absolute perfection of Allah (swt).

**Salman El-Farsi** - Razwy 2022-06-25

Salman al-Farsi This is a story of a seeker of Truth, the story of Salman the Persian, gleaned, to begin with, from his own words: I grew up in the town of Isfahan in Persia in the village of Jayyan. My father was the Dihqan or chief of the village. He was the richest person there and had the biggest house. Since I was a child my father loved me, more than he loved any other. As time went by his love for me became so strong and overpowering that he feared to lose me or have anything happen to me. So he kept me at home, a veritable prisoner, in the same way that young girls were kept. I became devoted to the Magian religion so much so that I attained the position of custodian of the fire which we worshipped. My duty was to see that the flames of the fire remained burning and that it did not go out for a single hour, day or night.

Abundant evidence has been furnished from Christian as well as Muslim Scriptures, old medical books and books of history, including ancient Buddhistic records, to illustrate the theme.

Khadijatul Kubra - Syed A.A Razwy 2014-09-22

Khadija, the first wife of Muhammad Mustafa, the Messenger of Allah, (may Allah bless him and his Ahlul-Bayt), and the first Believer, evokes a most extraordinary personality. She played a stellar role in the history of nascent Islam. She was, with Abu Talib, one of the two greatest benefactors of Islam and the Muslims. At a time when Islam was under unremitting predation pressure; and was, for three years, in a state of unrelenting siege, she bailed it out, by her incredible sacrifices. Her constancy, her tenacity, her vision, and her indomitable faith in Allah, and in the mission of Muhammad Mustafa - His Last and the Greatest Messenger - were the sine qua non as the underpinnings of Islam during the first ten years of its existence.
