Mama's Boy: Game Over - David Goudreault 2020-11-10

At the end of this story I'm going to kill myself. And then die. That's the way it is. All good things must come to an end, including me. Mama's Boy: Game Over is the third and final book in David Goudreault's bleakly comic bestselling Mama's Boy trilogy. Mama's Boy has been transferred from prison to a psychiatric hospital. He manages to escape, and goes on the run in Montreal, hiding in plain sight. In his short but eventful life, Mama's Boy has already managed to achieve most of his ambitions: fame, fatherhood and friendship, at least in his own rather skewed perspective. But one goal remains: tracking down and reuniting with his estranged mother. By turns poignant and deeply uncomfortable, Mama's Boy's final journey is a wild, desperate bid for freedom, love, and family. Praise for Mama's Boy "David Goudreault will captivate you from the first line " --Kim Thuy, author of Vi and Ru

The Flowers of Evil / Les Fleurs Du Mal (Dual language French English Edition) - Charles Baudelaire 2020-02-09

Upon its original publication in 1857 Charles Baudelaire's "Les Fleurs du Mal" or "The Flowers of Evil" was embroiled in controversy. Within a month of its publication the French authorities brought an action against the author and the book's publisher claiming that the work was an insult to public decency. Eventually the French courts would acknowledge the literary merit of Baudelaire's work but ordered that six poems in particular should be banned from subsequent publication. The notoriety caused by this scandal would ultimately work in the author's favor causing the initial publication to sell out, thus prompting the publication of another edition. The second edition was published in 1861, it included an additional thirty-five poems, with the exclusion of the six poems censored by the French government. Finally in 1868 a third edition was published posthumously.

The Writing of Melancholy - Ross Chambers 1993-06-15

Sees in the disjunction between the narrative function and the textual function of mid-19th-century French literature, a reflection of the general malaise that swept the country in the wake of the failed revolution of 1848. Considers the works of Flaubert, Nerval, Baudelaire, Gautier, and Hugo. First published in French in 1987. Annotation copyright by Book News, Inc., Portland, OR

The Symbolist Movement in the Literature of European Languages - Anna Balakian 1984

Edited by Anna Balakian, this volume marks the first attempt to discuss Symbolism in a full range of the literatures written in the European languages. The scope of these analyses, which explore Latin America, Scandinavia, Russia, Poland, Hungary, Serbia, Czechoslovakia, and Bulgaria as well as West European literatures, continues to make the volume a valuable reference today. As René Wellek suggests in his historiographic contribution, the fifty-one contributors not only make us think afresh about individual authors who are "giants," but also draw us to reassess schools and movements in their local as well as international contexts. Reviewers comment that this "copious and intelligently structured" anthology, divided into eight parts, traces the conceptual bases and emergence of an international Symbolist movement, showing the spread of Symbolism to other national literatures from French sources, as well as the symbiotic transformations of Symbolism through appropriation and amalgamation with local literary

trends. Several chapters deal with the relationships between literature and the other arts, pointing to Symbolism at work in painting, music, and theatre. Other chapters on the psychological aspects of the Symbolist method connect in interesting ways to a vision of metaphor and myth as virtually musical notation and an experimental emphasis on the play afforded by gaps between words. The volume is [a major contribution] to [the most significant exponents] and [essential themes] of Symbolism. The theoretical, historical, and typological sections of the volume help explain why the impact of this important movement of the fin-de-siècle is still felt today.

Mama's Boy Behind Bars - David Goudreault 2019-06-04

Now I've killed another person. I'm a serial killer. Sure, two people is hardly serial, but it's a good start. I'm still young. Who knows where opportunities might lead me? Opportunity makes the thief, or the murderer, or even the pastry chef. It's well documented. *Mama's Boy Behind Bars* is the second book in David Goudreault's wildly successful and darkly funny *Mama's Boy* trilogy. Once again written with gritty humour in the form of a confession, *Mama's Boy Behind Bars*, picks up where the first book in the series left off. *Mama's Boy* finds himself in jail following a tender and violent search for his long-lost mother. In an attempt to survive his incarceration, he sets out to make a name for himself in the prison and is desperate to achieve his ambition of joining the ranks of the hardcore criminals. But things get wildly complicated when he falls in love with a prison guard. Can *Mama's Boy* juggle love and crime? Praise for *Mama's Boy* "Despite the narrator's repellent behavior, readers will be drawn in by his quick wit, sharp observations, and childlike longing for his mother's love." --Publishers Weekly "There is a slyness at work here that Goudreault handles marvellously." --Canadian Notes and Queries
