Blood Scion - Deborah Falaye
2022-03-08
"Equal parts soaring fantasy,
heart-pounding action, and

bloody social commentary, Blood Scion is a triumph of a book.” —Roseanne A. Brown, New York Times bestselling author of *A Song of Wraiths and Ruin* This is what they deserve. They wanted me to be a monster. I will be the worst monster they ever created. Fifteen-year-old Sloane can incinerate an enemy at will—she is a Scion, a descendant of the ancient Orisha gods. Under the Lucis’ brutal rule, her identity means her death if her powers are discovered. But when she is forcibly conscripted into the Lucis army on her fifteenth birthday, Sloane sees a new opportunity: to overcome the bloody challenges of Lucis training, and destroy them from within. Following one girl’s journey of magic, injustice, power, and revenge, Deborah Falaye’s debut novel, inspired by Yoruba-Nigerian mythology, is a magnetic combination of *Children of Blood and Bone* and *An Ember in the Ashes*.

Abarat: Absolute Midnight - Clive Barker 2011-09-27

“I know that many of you here have waited years for this Hour,” Mater Motley said, using that voice that, though it was barely conversational in volume, was somehow heard everywhere. “The waiting is over. Tomorrow there will be no dawn. Only midnight, absolute and eternal.” And so begins a new chapter in the epic story of sixteen-year-old Candy Quackenbush and her journeys through the world of the Abarat, where every hour is an island in one eternal day, and nothing is as it seems. Candy travels through the Abarat from island to island and across the sea with an unlikely band of friends: the escaped prisoner Malingo the Geshrat, the quarrelsome John Brothers, who all share the same body but never the same opinion, and the many other colorful characters they meet along the way. The problem is that trouble finds Candy wherever she goes. And soon she discovers a secret plot, masterminded by the diabolical Mater Motley, who is obsessed with becoming Empress of the

Play It Again, Sam - Andrew Horton 2022-03-25

This title was originally published in 1998. *Play It Again, Sam* is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies: the cinematic remake. As cinema enters its second century, more remakes are appearing than ever before, and these writers consider the full range: Hollywood films that have been recycled by Hollywood, such as *The Jazz Singer*, *Cape Fear*, and *Robin Hood*; foreign films including *Breathless*; and *Three Men and a Baby*, which Hollywood has reworked for American audiences; and foreign films based on American works, among them Yugoslav director Emir Kusturica's *Time of the Gypsies*, which is a "makeover" of Coppola's *Godfather* films. As these essays demonstrate,

films are remade by other films (Alfred Hitchcock went so far as to remake his own *The Man Who Knew Too Much*) and by other media as well. The editors and contributors draw upon narrative, film, and cultural theories, and consider gender, genre, and psychological issues, presenting the "remake" as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace. The remake flourishes at the crossroads of the old and the new, the known and the unknown. *Play It Again, Sam* takes the reader on an eye-opening tour of this hitherto unexplored territory. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand

technology. This title was originally published in 1998.

Vampire Rising - Jason Henderson 2010

At a boarding school in Switzerland, fourteen-year-old Alex Van Helsing learns that vampires are real, that he has a natural ability to sense them, and that an agency called the Polidorium has been helping his family fight them since 1821.

Alex Van Helsing: Vampire Rising - Jason Henderson 2011-07-26

This doesn't happen . . . does it? Two vampire attacks in his first three days at boarding school and Alex Van Helsing realizes there's more to the family name than he thought—and more to this area of Switzerland than meets the eye. Lurking underneath Lake Geneva lies a secret vampire university called the Scholomance. And somehow the vampires know a Van Helsing has arrived. Special agent Sangster of the Polidorium—an undercover, international vampire-hunting organization—wants to train

Alex in the tricks of the trade, but when two innocent teens are kidnapped, rehearsal is over. It's up to Alex to infiltrate the Scholomance and rescue his friends . . . if he can survive the zombies, bullets, and fangs heading his way!

Date Me Like You Mean It - R S Grey 2021-01-05

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

punchline falls flat, just like my ego when I find out that not one of them is interested in me... even though my succubus insists they be the ones to punch my V-card. I'm not so sure. I would drown my sorrows in ice cream and animal documentaries, but I have too much to do! I have big plans for Crafty Seductions-my new business venture in Moonlit Falls, but someone has it out for me and wants me to fail. Things are going wrong at every turn. Then, after an especially disastrous coffee date, these men are suddenly changing their tune. Is it just the magic? Or can I trust that this is real? Dion-the Satyr who may just dance me off my feet. Ren-the fire salamander who says I'm his greatest treasure. Tase-the Kelpie who wants to devour me. And me? I just want to teach people crafts. Punk 57 - Penelope Douglas 2016-10-18

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher

set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in

Ignite - Cassandra Robbins
2020-11-13

ANTOINETTE Axel Fontaine has a giant...At least that's what everyone says. Unfortunately, it's true. All. Of. It. He's dangerous, scary, and addictive. Without a doubt, the last person I should fall for is the VP of the Disciples MC. I'm out of my league. He's a six-foot-four, blue-eyed biker god. I'm an ex-ballerina turned stripper who should run away. But how do you escape the one man who ignites your body and consumes your very soul? Axel doesn't do relationships. But I'm betting

on ME to change his mind. AXELI don't do relationships. I don't do drama, and I definitely don't do love. I'm not Prince Charming. I'm the VP of the Disciples and the club is my family. The last thing I need is a violet-eyed enchantress who smells like candy and has some sort of voodoo chemistry that's messing with my mind. She needs to go. She's a distraction...a weakness I can't have. Men like me fall in lust, not love. So, why is she still here?

Van Helsing - Kevin Ryan
2004-05-01

Deep in the mountains of nineteenth-century Carpathia lies the mysterious and mythic land of Transylvania, a world where evil is ever-present, where danger rises as the sun sets, and where monsters such as Count Dracula, the Wolf Man, and Frankenstein's Monster take form and inhabit man's deepest nightmares -- terrifying legends who outlive generations, defying repeated attacks from the doomed brave souls that challenge them in

their never-ending war upon the human race. On order of a secret society, only a lone force of good stands against them -- the legendary monster hunter Van Helsing, a man revered by some and feared by many. In his ongoing battle to rid the earth of these fiendish beings, Van Helsing must now travel to Transylvania to bring down the lethally seductive, enigmatically powerful Count Dracula, and joins forces with the fearless Anna Valerious, a woman out to rid her family of a generations-old curse by defeating the vampire. But unknown to all, the immortal Dracula will stop at nothing to unleash his master plan of subverting human civilization and ruling over a world of havoc, fear, and darkness...

How to Read Literature Like a Professor Revised - Thomas C. Foster 2014-02-25

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that

shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition

By Blood We Live - Glen Duncan 2014-02-04

The final battle between werewolves and vampires has an unexpected twist: love. With twenty thousand years under his belt, Remshi is the oldest vampire in existence. He is searching for the werewolf named Talulla, who haunts his dreams as a memory from his ancient past. But he is not the only one seeking Talulla: She is being hunted by the Militi Christi, a fanatical Christian cult hell-bent on wiping out werewolves and vampires alike. Inexplicably pulled toward one another, and with no other choice, Remshi and Talulla must join forces to protect their families, fulfill an ancient prophecy and - through a love that should be impossible - ensure the survival of their species.

Wicked - Jennifer L. Armentrout 2014-11-04
Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to

the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's

not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

Witches of East End - Melissa de la Cruz 2011-06-21

From the author of the highly addictive and bestselling Blue Bloods series, with almost 3 million copies sold, comes a new novel, Melissa de la Cruz's first for adults, featuring a family of formidable and beguiling witches. The three Beauchamp women-Joanna and her daughters Freya and Ingrid-live in North Hampton, out on the tip of Long Island. Their beautiful, mist-shrouded town seems almost stuck in time, and all three women lead seemingly quiet, uneventful existences. But they are harboring a mighty secret-they are powerful witches banned from using their magic. Joanna can resurrect people from the dead and heal the most serious of injuries. Ingrid, her bookish daughter, has the ability to

predict the future and weave knots that can solve anything from infertility to infidelity. And finally, there's Freya, the wild child, who has a charm or a potion that can cure most any heartache. For centuries, all three women have been forced to suppress their abilities. But then Freya, who is about to get married to the wealthy and mysterious Bran Gardiner, finds that her increasingly complicated romantic life makes it more difficult than ever to hide her secret. Soon Ingrid and Joanna confront similar dilemmas, and the Beauchamp women realize they can no longer conceal their true selves. They unearth their wands from the attic, dust off their broomsticks, and begin casting spells on the townspeople. It all seems like a bit of good-natured, innocent magic, but then mysterious, violent attacks begin to plague the town. When a young girl disappears over the Fourth of July weekend, they realize it's time to uncover who and what dark forces are working against them. With a brand-

new cast of characters, a fascinating and fresh world to discover, and a few surprise appearances from some of the Blue Blood fan favorites, this is a page-turning, deliciously fun, magical summer read fraught with love affairs, witchcraft, and an unforgettable battle between good and evil.

The Great War is over, its fires quenched. The guns are silent. The Dead are waking. Meg van Helsing grew up with a book in one hand and a wooden stake in the other, a crucifix always around her neck. But the world has changed, and the monsters she hunts with her friends are less frightening than gas burns and shell shock. The ghost of the War looms darker than Dracula's shadow. Until the night one of her friends disappears. Now, they are under constant attack, beset by the blood-hungry corpses of undead soldiers at exactly the moment another monster appears: an incubus, lethally attractive. The young man offers help, and Meg wants to believe him. If only she could convince her friends she is immune to his spell. Someone wants them dead at any cost. The answer lies in old books, dark sorcery, and a secret kept for twenty-five years, written in blood. If Meg wants her friends to live, she'll have to open her eyes.

Department 19 - Will Hill

2011-03-31

Jamie Carpenter's father is dead, his mother is missing, and he was just rescued by an enormous creature named Frankenstein. Now Jamie is pulled into a secret organization responsible for policing the supernatural, founded more than a century ago by Abraham Van Helsing. . . . Department Nineteen takes us through history, across Europe, and beyond - from the cobbled streets of Victorian London to prohibition-era New York, from the icy wastes of Arctic Russia to the treacherous mountains of Transylvania. Part modern thriller, part classic horror, it's packed with mystery, mayhem, and a level of suspense that makes a Darren Shan novel look like a romantic comedy.

Collision Course - Jason Henderson 2016-09-07

The true story of two elite runners and a disastrous race at the 1984 Los Angeles Olympics. The Olympic crowds—as well as millions of viewers at home—were looking forward to watching South

African-born barefoot runner Zola Budd, representing Britain, in competition against the American favorite Mary Decker. But as the two ran in close proximity during the 3000-meter race in Los Angeles, disaster struck. Decker tumbled to the inside of the track after her legs tangled with Budd's while the two competed for pole position. A distraught and frustrated Decker, unable to carry on, watched in tears as Maricica Puica of Romania stormed to gold while Budd, who was heavily booed by the partisan crowd in the closing stages, faded to seventh. Using the famous Olympic moment as its focal point, *Collision Course* tells the story of two of the best-known athletes of the twentieth century, analyzes their place in history as pioneers of women's sport, and lifts the lid on two lives that have been filled with sporting and political intrigue that, until now, has never been fully told.

Alex Van Helsing: The Triumph of Death - Jason Henderson
2012-07-24

Within months of discovering he's next in a long line of

vampire hunters, Alex Van Helsing has already defeated two powerful vampire leaders. Not bad for a fourteen-year-old. But when a newly risen vampire queen threatens the fate of the world, Alex faces his deadliest challenge yet.

Teaming up with a motorcycle-riding witch, Alex jets between Switzerland, the UK, and Spain in a frantic race to prevent the queen from unleashing a curse that will plunge the world into darkness. With the clock ticking, Alex barely has time to breathe, let alone see his friends, and he's beginning to wonder if being a vampire hunter is worth all its sacrifices. In this thrilling finale to the action-packed series described as "James Bond meets Dracula," everything—Alex's future and, ultimately, that of the world—hangs in the balance.

Young Captain Nemo - Jason Henderson 2019-03-12

Armed with his wits, his friends, and his Nemotech submarine, a twelve-year-old descendant of Jules Verne's famous antihero is determined

to help make the ocean a safer place one adventure at a time in Jason Henderson's Young Captain Nemo, first in a new middle-grade series. Gabriel Nemo is not your typical 12-year-old. A descendant of the famous Captain Nemo, he spent the first years of his life living in obscurity, isolated in his parents' peaceful underwater research lab. But with his older sister off following in their ancestor's footsteps, sinking whalers and running away from vengeful navies, Gabriel decides it's time to forge his own path, and use his Nemotech legacy for good. Armed only with his wits, his friends, and his Nemotech submarine, Gabriel embarks on a series of daring rescues and exciting undersea battles. But when Gabriel's sister suddenly appears with proof of previously undiscovered sea creatures—giant beasts inhabiting wrecked war planes and ships—Gabriel and his new friends must face their biggest and most dangerous mission ever!

ZOM-B - Darren Shan

2012-09-27

Zom-Bis a radical new series about a zombie apocalypse, told in the first person by one of its victims. The series combines classic Shan action with a fiendishly twisting plot and hard-hitting and thought-provoking moral questions dealing with racism, abuse of power and more. As Darren says, "It's a big, sprawling, vicious tale... a grisly piece of escapism, and a barbed look at the world in which we live. Each book in the series is short, fast-paced and bloody. A high body-count is guaranteed!" Can you love a bullying racist thug if he's your father? How do you react when confronted with your darkest inner demons? What do you do when zombies attack? B Smith is about to find out...

Anno Dracula - Kim Newman

and its bite is just as sharp. Compulsory reading, commentary, and mindgame: glorious." - Neil Gaiman "Politics, horror, and romance are woven together in this brilliantly imagined and realized novel. Newman's prose is a delight, his attention to detail is spellbinding." - Time Out "Stephen King assumes we hate vampires; Anne Rice makes it safe to love them, because they hate themselves. Kim Newman suspects that most of us live with them... Anno Dracula is the definitive account of that post-modern species, the self-obsessed undead." - New York Times "Anno Dracula will leave you breathless... one of the most creative novels of the year." - Seattle Times "Powerful... compelling entertainment... a fiendishly clever banquet of dark treats." - San Francisco Chronicle 'A ripping yarn, an adventure romp of the best blood, and a satisfying... read' - Washington Post Book World "The most comprehensive, brilliant, dazzlingly audacious vampire novel to date.

'Ultimate' seems an apt description... Anno Dracula is at once playful, horrific, intelligent, and revelatory." - Locus "A marvelous marriage of political satire, melodramatic intrigue, gothic horror, and alternative history. Not to be missed." - The Independent "Once you start reading this Victorian-era thriller, you will not be satiated until you reach the end." - Ain't It Cool "Anno Dracula is the smart, hip Year Zero of the vampire genre's ongoing revolution." - Paul McAuley "Kim Newman brings Dracula back home in the granddaddy of all vampire adventures. Anno Dracula couldn't be more fun if Bram Stoker had scripted it for Hammer. It's a beautifully constructed Gothic epic that knocks almost every other vampire novel out for the count." - Christopher Fowler "The most interesting take on the Dracula story... to date. Recommending this one to all those that love Dracula and historical fiction!" - RexRobotReviews -- It is 1888 and Queen Victoria has

remarried, taking as her new consort Vlad Tepes, the Wallachian Prince infamously known as Count Dracula. Peppered with familiar characters from Victorian history and fiction, the novel follows vampire Geneviève Dieudonné and Charles Beauregard of the Diogenes Club as they strive to solve the mystery of the Ripper murders. *Anno Dracula* is a rich and panoramic tale, combining horror, politics, mystery and romance to create a unique and compelling alternate history. Acclaimed novelist Kim Newman explores the darkest depths of a reinvented Victorian London. This brand-new edition of the bestselling novel contains unique bonus material, including a new afterword from Kim Newman, annotations, articles and alternate endings to the original novel.

Gypsy Blood - Kristy Cunning
2019-09-27

I'm not all that special, really. Or uncommon. I'm sure there are a lot of girls with old gypsy blood who see the dead, have

killer cults hunting their family, and turn into something that gets scary when they panic. Yep. Completely unoriginal, if I do say so myself. Move along. Nothing to see here. Nope. I'm just an ordinary girl. I wish people would believe that. I've been labeled as one thing or another for most of my life: Death Girl. Crazy Gypsy Girl. Gothic Chick. Monster... It took my mother's death for me to finally start getting answers about what's really been going on. Unfortunately, most of the answers come from men... who aren't just men. Somehow, I've gone and landed myself in a world truly filled with monsters, and I'm starting to think this is where I should have been all along. Only... I don't understand what's going on. I'm walking into the middle of a story that's thousands of years old, and I'm the new girl on the block who doesn't have a clue how this world even works. My only guides happen to be the most lethal of the bunch. They decide who lives or dies. They decide who gets stabbed or tortured. Yeah... I've

The Crypt of Dracula - Kane

Gilmour 2013-05

For too long, evil has slumbered. But now, the prince of darkness has arisen...and he thirsts. THE CRYPT OF DRACULA In 1899, master stone craftsman Andreas Wagner takes a job restoring an old castle in the rural mountains of Hungary. He and his mute young wife are hoping to find a new life, after the traumatic death of their infant daughter from a strange wasting disease in Munich. The eccentric Count who owns the castle, a suave but distant man, keeps strange hours. Still, Wagner settles in to the work nicely. But then strange things start to happen in the remote castle on the cliff. The Count's manservant is alternately elusive or confrontational. The

locals are secretive and suspicious. Wagner is nearly killed by inexplicable falling masonry. A giant bat attacks his companions. Ghostly apparitions of women with claws and fangs prowl the halls of the gloomy castle late at night. When his friend falls ill from the same disease his daughter died of, Wagner decides it's time to leave and look for a doctor, even if it means abandoning gainful employment. But Count Dracula and his minions have other plans. For Wagner, what began as a simple job, soon becomes a frantic battle for survival and a race against the setting sun to rescue his wife and stop the spread of an ancient evil. "All the hallmarks of a great 1970s classic creature flick are here: spooky castle, the gentleman creature of the night, and harried villagers poised to grab pitchforks and torches. Gilmour brings Dracula back, with a dash of 21st century adventure and a twist you won't see coming." -Jeremy Bishop, #1 bestselling horror

The Journal of Professor Abraham Van Helsing - Allen C. Kupfer 2006-04-04

The personal diary of the legendary vampire hunter describes his studies in blood research and mysticism, his wife's madness and the death of their only child, and his obsession with eradicating the world of the dark evil of vampires.

Alex Van Helsing: Voice of the Undead - Jason Henderson 2011-07-26

Now that Alex is in the know about the deadly vampires that live—and hunt—around his boarding school, everything is different. Putting his talents to use, Alex is training with the Polidorium to become a vampire hunter, just like his Van Helsing ancestors. Sure, he's only fourteen, but c'mon: This runs in his blood. But Alex is wondering if he'll live long enough to succeed. His archnemesis Elle, a vampire whose youthful appearance and blond hair disguise a rage that's directed at him, is out to

get him before a powerful leader called Ultravox arrives on the scene. Ultravox specializes in assassinations, but who is he targeting? As he dodges Elle's attacks, Alex is on a mission to uncover Ultravox's deadly plan before his friends and his school become collateral damage. There's no time to report back; innocent lives hang in the balance, and it's on Alex to act now—or else.

Castle of Horror Anthology Volume 4 - Michael Aronovitz 2020-09-15

The theme is Gothic-- the horror of Gothic romance. Throughout the mid-century, paperback Gothic romance books dominated the shelves, always featuring a woman running away from a house. (Go ahead, Google "women running from houses.") Gothic romances tended to tell stories of women coming into conflict with old families, old houses and old traditions. So we've asked a bevy of best-selling writers to celebrate the movement with their own horrific takes on gothic. Run

from the house with us! In Churl Yo offers a Bradburyesque sci-fi take on the Gothic, Alethea Kontis also chooses sci-fi in her tale of a futuristic medical procedure gone awry, John Ohno brings a classic governess-arrives-and-things-go-bad story, Jim Towns sets his story in 1972 with his movie-world horror tale, Amanda DeWees has a Gothic tale with an ingenious and tech-savvy female, Jeremiah Dylan Cook gives us a mysterious mansion-and sexy maybe-ghost, Leanna Renee Hieber brings us a ballad-like ghost origin story, Rob Nisbet makes a Lovecraft story out of Lovecraft himself, Bonnie Jo Stufflebeam comes to us with a ghost story of a house with its own ideas, Jason Henderson brings the beginning of a serialized story about an expedition into the fabled and haunted House of Usher, Charles R. Rutledge returns with a Carter Decamp psychic mystery, Henry Herz turns to folklore with his tale of a supernatural being wreaking vengeance on Scottish shores,

Tony Jones spins us in the direction of violent, supernatural creatures with a taste for the nightlife, Michael Aronovitz weaves a tale about a person coming to terms with what it takes to escape an attic, Sam Knight perfectly evokes the smells and textures of life at an orchard, and Scott Pearson returns us once again to the contemporary era with his feminist commentary on the Modern Gothic.

Dracula - Bram Stoker
2010-09-30

Draculastarts out with several entries in Jonathan Harker's journal, which comprise the first four chapters. These entries set the structure for the rest of the novel, which is also told mainly through journal entries and letters. This first section introduces Harker, who is a recently promoted English solicitor (a type of attorney). Harker travels eastward across Europe from London to Transylvania, where he is going to meet Count Dracula and explain to the count the particulars of his London real estate purchase. As he travels

across the country to the castle, he notices the reaction of various area residents who are frightened by Dracula's name. At Harker's last checkpoint, a coach from Dracula's castle arrives for him. Harker notes the strength of the driver.

The Finest Creation - Jean
