In *Seven Ways We Lie*, a chance encounter tangles the lives of seven high school students, each resisting the allure of one of the seven deadly sins, and each telling their story from their seven distinct points of view. The juniors at Paloma High School all have their secrets, whether it's the thespian who hides her

trust issues onstage, the closeted pansexual who only cares about his drug-dealing profits, or the neurotic genius who's planted the seed of a school scandal. But it's Juniper Kipling who has the furthest to fall. No one would argue that Juniper—obedient daughter, salutatorian, natural beauty, and loyal friend—is anything but perfect. Everyone knows she's a saint, not a sinner; but when love is involved, who is Juniper to resist temptation? When she begins to crave more and more of the one person she can't have, her charmed life starts to unravel. Then rumors of a student-teacher affair hit the fan. After Juniper accidentally exposes her secret at a party, her fate falls into the hands of the other six sinners, bringing them into one another's orbits. All seven are guilty of something. Together, they could save one another from their temptations—or be ruined by them. [A Quick & Easy Guide to Asexuality](#) - Molly Muldoon 2021-04-27

This book is for anyone who wants to learn about asexuality, and for Ace people themselves, to validate their experiences. Asexuality is often called The Invisible Orientation. You don't learn about it in school, you don't hear "ace" on television. So, it's kinda hard to be ace in a society so steeped in sex that no one knows you exist. Too many young people grow up believing that their lack of sexual desire means they are broken - so writer Molly Muldoon and cartoonist Will Hernandez, both in the ace community, are here to shed light on society's misconceptions of asexuality and what being ace is really like. This book is for anyone who wants to learn about asexuality, and for Ace people themselves, to validate their experiences. Asexuality is a real identity and it's time the world recognizes it.
