Hansel and Gretel -

2009-08-15

Retells the fairy tale about two children whose father and stepmother abandon them in the woods, where they find a witch in a cottage made of candy.

Baby's Very First Slide and See Farm - Fiona Watt

2015-07-24

A new strand in the ever-expanding and hugely popular Baby's Very First series. This engaging, interactive board

book is specially designed for very young children. It's full of vivid colours, stylish illustrations and friendly farm animals. Simple slider mechanisms allow the pictures to be transformed, as a monkey swings through the trees, a fish changes its spots and more.

Ludwig Van Beethoven - Carl Dahlhaus 1993

Many books have been written about Beethoven but it is rare to find one which seeks an alternative to the tendency of

academia, on the one hand, to fragmentation, and of popular biographical writing, on the other, to a superficial overview. In this volume, the late Carl Dahlhaus combines the interpretations of individual works with excursions into the musical aesthetics of the period around 1800, an age which was not only a 'classical' period in the history of the arts but also one in which aesthetics carved itself a place in the centre of philosophical attention. The theme of the book is the reconstruction of Beethoven's 'musical thinking' from the evidence in the works themselves and their context in the history of ideas. A table entitled 'Chronicle' places the references to biographical data in their historical context. The selective bibliography includes comments to assist readers to find their way in the labyrinth of the literature about Beethoven.

Papaya Salad - Elisa Macellari
2020-11-03

The debut graphic novel from Thai-Italian illustrator Elisa Macellari, *Papaya Salad* tells

the story of her great-uncle Sompong who found himself in Europe on military scholarship on the eve of World War II. A gentle and resolute man in love with books and languages, in search of his place in the world, Sompong chronicles his life during the war and falling for his wife, finding humor and joy even as the world changes irrevocably around him. This Winner of the 2019 Autori di Immagini Silver Medal in the Comics category tells the human story of the War, from a perspective not typically seen. "An historical and emotional journey through my family and my roots that are grown between Europe and Asia. A personal narrative that needs to be shared and hopefully arouses empathy in the reader." -- Elisa Macellari

The Art of Piano Playing -
Genrikh Gustavovich Neïgauz
1993

"This classic was written by a student of Godowsky and legendary piano teacher whose practical advice on tone, technique, teaching, and other subjects is seasoned with

personal experiences and leavened with humor"--

The Dale Clevenger French Horn Methods - Dale Clevenger 1974

This Book Is Full of Monsters - Guido Van Genechten 2017-08-15

"This is a book full of monsters: small, smelly, yelling, creepy...monsters! So it's a book for hard core monster lovers, but also for beginners in monsterology. With shock effects! Try it yourself! Softies keep out! Conquer your deepest fears! Tremble and shiver with pleasure! Are you scared already? No? Just you wait and see. (Includes a monstrously fun pop-up spread at the end of the book!)"-- Amazon.com.

Tickle My Ears - Jörg Mühle 2016-05

It's getting late and time for little rabbit to go to bed. Can you help him with this new bedtime ritual: Clap your hands, plump the pillow, tickle little rabbit's ears, stroke his back, pull up the covers, and a goodnight kiss. And don't

forget to turn out the light: here's the switch

Brighton Rock - Graham Greene 2018-04-10

A teenage sociopath rises to power in Britain's criminal underworld in this "brilliant and uncompromising" thriller (The New York Times). Seventeen-year-old Pinkie Brown, raised amid the casual violence and corruption in the dire prewar Brighton slums, has left his final judgment in the hands of God. On the streets, impelled by his own twisted moral doctrine, he leads a motley pack of gangsters whose sleazy little rackets have most recently erupted in the murder of an informant. Pinkie's attempts to cover their tracks have led him into the bed of a timid and lovestruck young waitress named Rose—his new wife, the key witness to his crimes, and, should she live long enough, his alibi. But loitering in the shadows is another woman, Ida Arnold—an avenging angel determined to do right by Pinkie's latest victim. Adapted for film in both 1948 and 2010

and for the stage as both a drama and musical, and serving as an inspiration to such disparate artists as Morrissey, John Barry, and Queen, “this bleak, seething and anarchic novel still resonate[s]” (The Guardian). *In the darkness of the night* - Bruno Munari 2005

Four Seasons in One Day - 2016-10-04

Follow a little girl called Isabelle and her dog, Pickle, as they travel through the four seasons in one day.

Accompanied by pieces from Vivaldi's Four Seasons, this first title in a series of sound books that bring classical music to life for young children.

The Perception of Music - Robert Frances 2014-03-05

This translation of this classic text contains a balance of cultural and biological considerations. While arguing for the strong influence of exposure and of formal training on the way that music is perceived, Frances draws on the literature concerning the

amusias to illustrate his points about the types of cognitive abstraction that are performed by the listener.

The Science of Musical Sound - John R. Pierce 1983

Jungle Sounds - Sam Taplin 2016-10-01

Fingertrails and half-cuts in addition to sounds embedded in the page, make this an exciting experience. The bright, colourful artwork enhanced with cut-outs to peep through. Best of all, press the pages and bring the jungle to life with a croaking frogs, a shower of rain, screeching parrots, roaring lions and other creatures. A delightful gift for a young child.

Béla Bartók in Italy - the Politics of Myth-Making -

Nicolò Palazzetti 2021-07-20

Examines the reputation of the Hungarian musician Béla Bartók (1881-1945) as an antifascist hero.

Creation - Caroline Jayne Church 2009-07

Retells the story of creation, from the first appearance of light on God's command to the

people brought into being to care for God's world. On board pages.

25 Elementary Studies, Op.

176 - Jean-Baptiste Duvernoy

These short etudes explore a variety of keyboard patterns and articulations. The studies, limited to key signatures of three sharps or flats or less, develop legato phrasing, dynamic graduations and voicing. Approximately the same level of difficulty as Köhler's 12 Easy Studies and Czerny's Practical Method for Beginners, Op. 599 and The Young Pianist, Op. 823.

No Matter What - Debi Gliori

2014-02-13

A little fox is in a big bad mood, and is worried that its mother won't love it forever. In this beautiful and lyrical picture book we see a clever and resourceful mother prove to her child that a parents love is limitless - no matter what! In this reassuring and warm picture book the hugely talented Debi Gliori manages to treat the familiar subject of childhood worries in a very fresh, original and inventive

way. 'this is an instant childhood classic for anyone over the age of three' Independent On Sunday 'the literary equivalent of a big hug' The Times 'With gentle rhyming text, humorous pictorial detail and themes which can be explored and re-explored, this is a brilliant gem of a book.' The Guardian Brilliantly read by Amelia Fox. Please note that audio is not supported by all devices, please consult your user manual for confirmation.

Music Therapy Manual -

Rolando O. Benenzon 1981

Brave New World Revisited -

Aldous Huxley 2014-01-01

When Aldous Huxley wrote his famous novel Brave New World, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, Brave New World Revisited is a re-evaluation of his predictions based on the changes he had witnessed in

the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

Listen to the Classical Music - 2019-10

Mozart's Sister - Rita Charbonnier 2007-10-09

Maria Anna Walburga Ignatia Mozart, affectionately called Nannerl by her family, could play the piano with an otherworldly skill from the time she was a child, when her tiny hands seemed too small to encompass a fifth. At the tender age of five, she gave her first public performance, amazing the assembled

Downloaded from
omahafoodtruckassociation.org
on by guest

gentlemen and ladies with the beautiful music she created. But her moment of glory was cut short, for even as her father carried her around to receive their praise, her mother began laboring to bring a second child into the world. After hours of her mother's pained cries and agonized shouts, which rang in Nannerl's ears like a terrifying symphony, the child was born. They named him Wolfgang. Nannerl loved him instantly. As they grew, Wolfgang and his sister became inseparable, creating a fantasy world together and playing music the likes of which no one had ever heard. They were two sides of a single person, opposite in temperament—he lighthearted and charismatic, she shy and retiring—but equal in talent. Yet it was Wolfgang who carried their father's dreams of glory. And as the siblings matured, Nannerl's prodigious talent was brushed aside by her father. Instead of playing alongside her brother in the world's great cities, she was forced to stop performing and

become a provincial piano teacher to support Wolfgang's career. Nannerl might have accepted this life in her brother's shadow but for the appearance of a potential suitor who reawakened her passion for life, for love, for music—and who threatened to upset the delicate balance that kept the Mozart family in harmony. Mozart's Sister draws you into the lush palaces and salons of eighteenth-century Europe and into the fascinating life of a woman who ultimately found a way to express her own genius.

Listen to the Countryside - Marion Billet 2016-09

Adults and children alike will be enchanted by these charming board books which are distinguished by the exceptional quality of the sounds that bring every picture to life. Aimed at the very young, the books have a button on every spread which triggers one of six different nature sounds.

Zeno's Conscience - Italo Svevo 2003-02-04

Long hailed as a seminal work

Downloaded from
omahafoodtruckassociation.org
on by guest

of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

The Most Important Thing -
Antonella Abbatiello
2022-03-15

The animals of the forest have assembled to discuss what is the most important thing: to

have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Parallels & Paradoxes -

Daniel Barenboim 2014-07-08
Israeli Daniel Barenboim, one of the finest musicians of our times, and Palestinian Edward Said, eminent literary critic and leading expert on the Middle East, have been close friends for years. Parallels and

Downloaded from
omahafoodtruckassociation.org
on by guest

Paradoxes is a series of discussions between the two friends about music, politics, literature and society. Barenboim and Said talk about, among other subjects, the differences between writing prose and music; the compromising politician versus the uncompromising artist; Beethoven as the ultimate sonata composer, Wagner (Barenboim is considered by many to be the greatest living conductor of his work); great teachers; and the power of culture to transcend national differences. Illuminating and deeply moving, *Parallels and Paradoxes* is an affectionate and impassioned exchange of ideas.

My First Piano Book - Ozforever Trading International Pty Ltd 2014
This delightfully illustrated piano book is an ideal introduction to musical instrument with 7 classic nursery rhymes for children to sing along and play along with a multifunctional electronic keyboard. Function1: Push the key that matches the colour of

the music note to play along on the keyboard. Function2: Follow the coloured lights on the keyboard to learn how to play a song. Function3: Watch the piano playing itself. Function4: Select a sound effect from different musical instruments.

Nativity Flap Book - Sam Taplin 2013-09-01
"Discover the magic of the very first Christmas by lifting the big flaps in this simple story of the nativity"--Publisher.

Sonata Forms - Charles Rosen 1988

"Nobody writes better about music again and again, unerring insight into just the features that make the music special and fine."-The New York Review of Books

Listen to the Music - Marion

Billet 2015-10-01

A brand new series of sound-button board books which combines gorgeous illustrations with six high-quality sounds.

The Bates Method for Better Eyesight Without Glasses -

William H. Bates 2011-04-01

Better Eyesight Without Glasses is not only the definitive source for the classic Bates Method, it is in itself a remarkable phenomenon. Dr. William H. Bates's revolutionary and entirely commonsensical theory of self-taught improved eyesight has helped hundreds of thousands of people to triumph over normal defects of vision without the mechanical aid of eyeglasses. If you think that your eyesight could be made better by natural methods, you are right. After years of experimentation, Dr. Bates came to the conclusion that many people who wore glasses did not need them. He gradually and carefully developed a simple group of exercises for improving the ability of the eyes themselves

to see, eliminating the tension caused by poor visual habits that are the major cause of bad eyesight. These exercises are based on the firm belief that it is the natural function of the eyes to see clearly and that anyone, child or adult, can learn to see better without glasses.

Baby's Very First Touchy-Feely Book - Stella Baggott

2010-01-01

Invites young readers to touch things as squashy boots, a furry penguin, a shiny truck, and a fluffy cloud. On board pages.

Happy Birthday to You! -
2018-04-24

Tango Lessons - Marilyn G. Miller 2014-01-13

From its earliest manifestations on the street corners of nineteenth-century Buenos Aires to its ascendancy as a global cultural form, tango has continually exceeded the confines of the dance floor or the music hall. In *Tango Lessons*, scholars from Latin America and the United States explore tango's enduring

vitality. The interdisciplinary group of contributors—including specialists in dance, music, anthropology, linguistics, literature, film, and fine art—take up a broad range of topics. Among these are the productive tensions between tradition and experimentation in tango nuevo, representations of tango in film and contemporary art, and the role of tango in the imagination of Jorge Luis Borges. Taken together, the essays show that tango provides a kaleidoscopic perspective on Argentina's social, cultural, and intellectual history from the late nineteenth to the early twenty-first centuries. Contributors.

Esteban Buch, Oscar Conde, Antonio Gómez, Morgan James Luker, Carolyn Merritt, Marilyn G. Miller, Fernando Rosenberg, Alejandro Sustit [Baby's Very First Slide and See Animals](#) - Fiona Watt 2015-04 Part of a brand new series, from the team that brought you Baby's Very First Play Books, this engaging, interactive board book is specially designed for very young children, full of vivid colours, stylish illustrations and friendly animals. Simple slider mechanisms allow a picture to be transformed, as a bush baby peers out from his tree trunk home, some meerkats pop up from their underground burrows, a monkey swings through the trees.
