Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them apart. Cynical and insecure, Iris has long been envious of Summer's seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she's always envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she's the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris's life lurches between glamorous dream and paranoid nightmare. In a family in which the winner takes all, whom can she trust? And how far will she go to get the life she's always dreamed about?

**Africa Lite ?** - Christopher M. Doran  
2011-12-16

The author says DO NOT READ THIS BOOK, unless you want to spend the day laughing out loud while being inspired by Africa and the Peace Corps In 2008, Dr. Doran and his wife made the extraordinary decision to leave the comforts of America to join the United States Peace Corps. Assigned to Africa for two years, they participated in the fight against HIV in Botswana, a country which has the second highest incidence of HIV in the world. On one level, this is an inspiring chronicle of their work together and the joys and challenges of Peace Corps service for the Boomer generation. The book however, is much more than that. Throughout, the author relates the story of a fictional newspaper, the *Kalahari Chronicle*, of which he is the editor. Taking reports of news items from around the world, Kgosi (Dr. Doran's Botswana name --meaning Chief) consistently entertains the reader with sharp wit and political commentary. Written in a style reminiscent of Dave Barry and Pat Conroy, the *Chronicle* articles provide clever and at times hilarious observations on both American and African culture.

Dissecting a midlife affair, this perceptive, slyly comical debut explores how the spaces that limit our movements can be more exciting than the person we think we want. Ema and Paul are lovers. Like so many others before them, they met through work. Both are married with children, and they arrange hurried meetings away from prying eyes. Paul's car, a corner of Ema's house, a hotel room...But their relationship soon suffers from this too-restricted sphere, and Ema decides to put them both in danger, at the risk of losing everything. Cleverly attaching itself to the locations where passion plays out—whether domestic or professional, safe or transgressive—*Geography of an Adultery* casts a radical eye on anticipation and desire. With her deceptively cool, clinically precise style, Agnès Riva unravels the inner workings of a private life.

**The Complete Married With Children Book: TV's Dysfunctional Family Phenomenon -**

Denise Noe 2017-08-13

*Married . . . with Children* premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, *The Bickersons*, and Jackie Gleason's TV classic, *The Honeymooners*, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-scenes with Michael Moya, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydney. You'll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. The Perfect Neighbors - Sarah Pekkanen  
2016-07-05

The New York Times bestselling coauthor of the “creepy-crawly tale” (The New York Times Book Review) An Anonymous Girl and The Wife Between Us questions just how well we really know our neighbors in this “deliciously fun beach read” (People) about an idyllic neighborhood whose sublime façade hides shocking secrets. Newport Cove, where spontaneous block parties occur on summer nights and all of the streets are named for flowers, is proud of being one of the safest neighborhoods in America. It’s also one of the most secret-filled. After a decade as a stay-at-home mom, Kellie Scott is back to work in an office. She’s adjusting to high heels, scrambling to cook dinner for her family, and—following years of feeling invisible—soaking in the dangerous attention of a handsome colleague. Kellie’s neighbor Susan Barrett begins every day with fresh resolutions: She won’t eat any carbs, she’ll go to bed at a reasonable hour, and she’ll stop stalking her ex-husband and his new girlfriend. Gigi Kennedy’s husband is running for political office, which means her old skeletons, ones she wants to keep hidden at any cost, are in danger of being dragged into the light. Then a new family moves into this peaceful cul-de-sac. Tessa Campbell seems pleasant enough, if a bit quiet. But soon it becomes clear that Tessa is hiding the most explosive secret of all—one with

deadly consequences. Written in Sarah Pekkanen’s signature “gripping” (People) style, The Perfect Neighbors “transforms clichéd suburban troubles—from adolescent drama to infidelity—into a compelling, suspenseful tale” (Kirkus Reviews).
