Narrative of the Incas - Juan de Betanzos 2010-06-28

One of the earliest chronicles of the Inca empire was written in the 1550s by Juan de Betanzos. Although scholars have long known of this work, only eighteen chapters were actually available until the 1980s when the remaining sixty-four chapters were discovered in the collection of the Fundación Bartolomé March in Palma de Mallorca, Spain. Narrative of the Incas presents the first complete English translation of the original manuscript of this key document. Although written by a Spaniard, it presents an authentic Inca worldview, drawn from the personal experiences and oral traditions told to Betanzos by his Inca wife, Doña Angelina, and other members of her aristocratic family who lived during the reigns of the last Inca rulers, Huayna Capac Huascar and Atahualpa. Betanzos wrote a history of the Inca empire that focuses on the major rulers and the contributions each one made to the growth of the empire and of Inca culture. Filled with new insights into Inca politics, marriage, laws, the calendar, warfare, and other matters, Narrative of the Incas is essential reading for everyone interested in this ancient civilization.

Holy Horrors - James A. Haught 2010-03-05

In 1583 in Vienna, a 16-year-old girl suffered stomach cramps. A team of Jesuits exorcized her for eight weeks. The priests announced that they had expelled 12,652 demons from her, demons that her grandmother had kept as flies in glass jars. The grandmother was tortured into confessing that she was a witch who had engaged in sex with Satan. She was then burned at the stake. This was one of perhaps one million such executions during three centuries of witch-hunts. In 1989 in Moradabad, India, a pig caused hundreds of people to kill one another when the animal walked through a Muslim holy ground. Muslims, who think pigs are an embodiment of Satan, accused Hindus of driving the pig into the sacred spot. Members of both faiths went on a rampage, stabbing and clubbing. The pig riot spread to a dozen cities and left two hundred dead. A squad of armed Islamic zealots raided a Christian church at Behawalpur, Pakistan, on October 28, 2001, killing the minister, fourteen worshipers, and the church's police guard. It is said that there is never enough religion in the world to make people love one another--just enough to make them hate one another. Incendiary blends of fundamentalist religion, politics, nationalism, and ethnic zealotry engender countless examples of atrocity in the name of faith and orthodoxy. If anything, religious persecution is more savage now than everbefore in the history of mankind. HOLY HORRORS chronicles the grim spectrum of religious persecution from ancient times to the present. Fully illustrated with drawings, woodcuts, and photographs, the book recounts such historic religious persecution as the Crusades, the Islamic jihads, the Catholic wars against heretics, the Inquisition, witch-hunts, and the Reformation.

It also chronicles modern-day atrocities, including the Holocaust, the seemingly insoluble Catholic-Protestant schism in Northern Ireland,

religious tribalism in Lebanon, and the barbaric cruelty of the theocracy in Iran.
