In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Start with meditation, affirmations and emotional healing; learn about Chi and psychic energies; practice psychic self-defense, and learn energy manipulation; master psychic readings, psychometry, psychic healing, telekinesis, remote viewing and much more! Book's author, Nathaniel, a professional psychic, have put together knowledge from different parts of the world, and simplified it, so anyone can unleash his or hers psychic potential! Below are reviews of readers: "Psychic Development Simplified is an amazing source of information. I learned a few tips and tricks even I hadn't known! Nathan has done a fantastic job compiling information and making it understandable for everyone! I highly recommend it to others!" - J.V. Krakowski, psychic teacher. "Interested a book on psychic development that's different from all of the rest? Try Nathan's new e-book, *Psychic Development Simplified* and you won't be disappointed. (...) As a professional intuitive, I found myself nodding my head along with him in the "How To" do a psychic reading section. (...) I found myself puzzling over them somewhat not only as I was learning some new things, but also as I recognized that there were a number of things I do automatically in a reading that I didn't really learn anywhere that Nathan puts a name to and teaches you how to do - invaluable. (...)

Nathan uses easy to understand "everyday" analogies to explain complex topics. He is straightforward and calls it like he sees it. You can trust his judgement when he gives you advice on how to think about the process and not to overwhelm or overload yourself, but instead to take it easy and at your own pace. Some of the advice he gives in snippets thrown out here and there are simply priceless and will resonate with everyone, no matter what your intuitive style or belief system. (...) It is dense, extensively informative, and something that I would liken to a *Psychic Encyclopedia*. My take on this is that it could in itself be considered a fairly comprehensive course. The perspective is unique, and just different enough to make even a seasoned psychic or intuitive reconsider their position on some things." - Julie Barrett, professional psychic intuitive. "(...) I had the good fortune of being able to read "*Psychic Development Simplified*" and am so glad I did. I was a little daunted at first by the number of pages, but once I settled in to read, it was hard to put it down. It is exactly as the title states - simplified. One of the best pieces of information I learned was that not everyone has the same gifts, but you have the ability to learn others. Before I started reading, I had visions in my head about turban wearing shrunken ladies with long fingernails and a crystal ball; I was extremely happy to find out this is not a realistic thought and true psychics are every day people with every day lives. Another great point about this book are the theories that are discussed in full detail before each practical activity. I like a little knowledge and/or history before I dive into something and that is exactly what Nathan provided. The practical exercises were easy to understand and attempt throughout the entire book. I'm so thankful for my new knowledge that I can't wait to re-read and continue practicing. I would highly recommend this for all levels of learning and practicing psychics." - Jennifer, a psychic in training. Get your copy today, and unleash your psychic potential!
