McGraw-Hill's Conversational American English - Richard Spears 2010-09-22

Learn more than 3,000 English expressions and speak and understand the language easily As a new speaker of English, you may hear some expressions in your daily conversations that you do not understand--yet. McGraw-Hill's Conversational American English will help you learn these expressions, so not only do you know what a person is saying to you, but that you can use the expression yourself! More than 3,000 expressions are organized by theme, so you can find what you are looking for quickly. And each topic is illustrated to further help you understand context. The book features: Common expressions are batched into 350 themes, ranging from general greetings and asking how someone is, to the more specific needs, like showing disbelief, asking someone's intentions, and expressions for a forgotten word or name A comprehensive thematic glossary provides an additional means for the learner to locate expressions by key words and concepts Topics include: Basic Social Encounters, Greetings, Small Talk, Introductions, Ending a Conversation, Good-Byes, Agreeing, Disagreeing Conversational Encounters, Focusing Attention, Launching the Conversation, Making Friends, Complex Matters, Disputes, Discussion and Resolution, Polite Encounters, Prefaces, Communication Barriers

Pronunciation Fun for ESL Students - Christine Mandell 2016-08-22

Pronunciation Fun for ESL Students, a pronunciation exercise book with online, downloadable audio component, (available for free at <http://christinemandell.com>), is intended for ESL students who are looking for an amusing and effective way to improve their American accent. The book has two sections: The first section, "Stories," consists of stories, mini-stories, and sentences that give you practice pronouncing a particular sound. Each of the sounds in American English is covered in the "Stories" section. For example, my stories "Woody, Wendy, and the Wishy-Washy Waiter," and "Whiz Quiz" will give you lots of practice with words containing the sound /W/. And my stories "Rhonda and the Rhubarb" and "Rita, Richard, and the Roaches" will give you lots of practice with words containing the sound /R/. The second section consists of "auditory discrimination" (also known as "minimal pairs") exercises, which help the student distinguish between two particular sounds. For example, the word pair "rice/lice" contains two words that differ by one sound. Practicing the "Auditory Discrimination between /R/ and /L/" exercise will help ensure that when you visit America, you will never make the mistake of going to a restaurant and ordering steamed lice! Although this book can be used by students independently, you will get the most out of it if you have a qualified ESL tutor give you a pronunciation test, initially. This will help you identify which specific sounds you should work on, so it will save you from having to slog through the whole book. Please Note: Because of the sometimes mature content of the stories in this book, some of the stories are not intended for young children to read; they are more appropriate for high school students and adults. However, some of the stories are suitable for young children, among them "Patches and Her Twitching Heart," "Marge and the Genies," "The Big Spider Fight," "The Knitting Knight and the Gnomes," "The King's Boomerang," "Floyd's Toys," "Mabel the Tattletale," "Rhonda and the Rhubarb," "Princess Nancy's Dancing Curse," "Tess and the Trombone Octet," and "Whiz Quiz." I hope you will have as much fun while using this book as I had while writing it! Best wishes, Christine (Chris) Mandell christinemandell.com

Central Park - Charles River Charles River Editors 2017-01-26

*Includes pictures *Includes accounts of the park's construction and history written by newspapers and

people who worked on it. *Includes a bibliography for further reading *Includes a table of contents "I just want to go through Central Park and watch folks passing by. Spend the whole day watching people. I miss that." - Barack Obama Of all the great cities in the world, few personify their country like New York City. As America's largest city and best known immigration gateway into the country, the Big Apple represents the beauty, diversity and sheer strength of the United States, a global financial center that has enticed people chasing the "American Dream" for centuries. Given that background, it's fitting that the city's most unique landmark, Central Park, sits at the heart of Manhattan and provides a stark contrast to the hustle and bustle surrounding it. As actor Haley Joel Osment once put it, "My favorite place is Central Park because you never know what you're going to find there. I also like that when I look out the windows of surrounding hotels, it's seems like I'm looking out over a forest." In 1811, an ambitious plan was laid out that would transform Manhattan's grid into 2,028 blocks, from Houston Street to 155th Street. Forests would be cut down, hills razed, ponds and streams filled. It took years to survey, and years to complete: at different points in time, one might have seen a long avenue laid out, unpaved, with a scattering of as-yet-unattached six-story buildings amid boulders yet to be cleared and soon-to-be-demolished shantytowns. Ironically, almost no parks were incorporated into the plan, and Central Park would not be built until the end of the 19th century. When Central Park was designed, however, it was an ambitious project on an almost unprecedented affair. As serene as Central Park is today, it's hard to imagine that its creation was an entirely manmade affair consisting of dynamite blasts, tons of imported topsoil, and the labor of thousands of workers. Before the area's transformation, the land was swampy terrain used by impoverished squatters and people who let their livestock roam the grounds, but after nearly 15 years of work, the metamorphosis was nearly complete. Of course, New Yorkers soon came to understand that such a large park required serious upkeep; as historian Robert Caro noted, "Lawns, unseeded, were expanses of bare earth, decorated with scraggly patches of grass and weeds, that became dust holes in dry weather and mud holes in wet...The once beautiful Mall looked like a scene of a wild party the morning after. Benches lay on their backs, their legs jabbing at the sky..." With city resources being pumped into maintaining Central Park, it has become the most visited urban park in the world, and it is a cultural touchstone that draws not only tourists but events. Locals commonly walk or run through the park, and others play sports or simply picnic, but Central Park is also home to monuments of all sorts, including statues dedicated to artists and playwrights, the Strawberry Fields tribute to John Lennon, and an Ancient Egyptian obelisk known colloquially as Cleopatra's Needle. On top of all that, Central Park has a diverse array of wildlife thanks to a sizable reservoir, over 1,000 different species of trees, a zoo, and more. Put simply, Central Park is the most unique place in one of America's most unique cities. Central Park: The History of New York City's Most Unique Landmark chronicles the construction and history of the Big Apple's most famous park. Along with pictures of important people, places, and events, you will learn about Central Park like never before, in no time at all.

English Made Easy Volume Two - Jonathan Crichton 2016-03-29

This is a fun and user-friendly way to learn English English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to

the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Compelling American Conversations - Eric Hermann Roth 2012-06-10

Compelling American Conversations: Questions and Quotations for Intermediate American English Language Learners from Chimayo Press helps American immigrants and international students develop their fluency skills and academic vocabulary through conversation exercises. Each chapter includes two sets of conversation questions, vocabulary review, short writing exercises, paraphrasing exercises with proverbs, a discussion activity around pithy quotations, and an online "Search and Share" activity. Focusing on both daily experiences and American culture through proverbs, quotations, and speaking exercises, the materials help intermediate English language learners explore their lives, learn common American sayings and expressions, and develop vital discussion skills. The 15 topical chapters include: Opening Moves; Going Beyond Hello; Making and Breaking Habits; Studying English; Being Yourself; Choosing and Keeping Friends; Playing and Watching Sports; Talking About American Television; Celebrating American Holidays; Being Stylish; Handling Stress; Practicing Job Interviews; Valuing Money and Finding Bargains; Exploring American Cities and Seeing Our World With Photographs. The "Resources and Notes" appendix includes the academic word list, supplemental worksheets, bibliographical references, author biographies and indices to proverbs and quotations. Designed primarily for community college ESL and adult education students, this flexible ESL textbook can be used by high school English language learners (ELL) and intensive English programs. Compelling American Conversations, is the third title in the Compelling Conversations series, most known for the original fluency-focused advanced ESL textbook, Compelling Conversations: Questions and Quotations on Timeless Topics (2006).

English the American Way: A Fun ESL Guide to Language and Culture in the U.S. (with Embedded Audio & MP3) - Sheila MacKechnie Murtha 2015-01-04

REA's English the American Way: A Fun ESL Guide to Language and Culture in the U.S. with Embedded Audio & Mp3 Download Helps English Language Learners Improve Their Skills A fun guide to everything American for the English language learner! Authored by seasoned ESL instructors, this handy guidebook is perfect for people who already have a good grasp of English, but want to improve how they speak the language as it is spoken in the United States. Written in a lighthearted and easy-to-follow style, this book is a great resource for people of all ages and all nationalities. Each unit introduces commonly used phrases, vocabulary, and verbs, and offers sample dialogs to illustrate everyday American life. Sentence completions, quizzes, tips, and illustrations make learning fun. Individual units cover topics essential to the mosaic of American life: making friends, basic skills, driving, dining out, dealing with money, home life, emergency situations, doctor visits, handling a job interview, and more. To improve your pronunciation, listen to the embedded audio that accompanies this e-book or download the Mp3. The audio contains all the dialogues and pronunciation pointers found in the book so you can listen along and practice your speaking skills as you read. The dialogues are read by native speakers and are a great way to work on accent reduction. If you're looking for a fun and easy way to improve your English language skills, this is the book for you!

English U.S.A. Every Day - Gilda Martinez-Alba 2017-11-01

A Fun ESL guide to American culture and language English USA Every Day helps familiarize immigrants and ESL learners with American culture and language in a fun, lighthearted way. Readers will learn about

everything from finding a job and locating an organic grocery store to facts about American culture and enjoying the night life. Each chapter includes new vocabulary and idioms that are common in the U.S.A., as well as fun activities such as true or false questions, crosswords, matching games, "Write It Down," "Stop and Think," "Story Time," and more that help reinforce the lessons. There are also 2--4 dialogues in each chapter that show how people speak conversationally, with new vocabulary and idioms to learn and practice. Accompanying audio for each dialogue helps listeners learn how to speak just like Americans. An answer key is included at the back of the book.

The Illustrated Hitchhiker's Guide to the Galaxy - Douglas Adams 1995-11-20

Divided by a Common Language - Christopher Davies 2007-09-26

This guide to the language differences between the United States and United Kingdom is "a fascinating collection full of all kinds of surprises" (Minneapolis Star Tribune). Taxi rank . . . toad in the hole . . . dustman . . . fancy dress . . . American visitors to London (or viewers of British TV shows) might be confused by these terms. But most Britons would be equally puzzled by words like caboose, bleachers, and busboy. In *Divided by a Common Language*, Christopher Davies explains these expressions and discusses the many differences in pronunciation, spelling, and vocabulary between British and American English. He compares the customs, manners, and practical details of daily life in the United Kingdom and the United States, and American readers will enjoy his account of American culture as seen through an Englishman's eyes. Davies tops it off with an amusing list of expressions that sound innocent enough in one country but make quite the opposite impression in the other. Two large glossaries help travelers translate from one variety of English to the other, and additional lists explain the distinctive words of Australia, New Zealand, and South Africa. This delightful book is the ideal companion for travelers—or anyone who enjoys the many nuances of language.

The Namesake - Jhumpa Lahiri 2004

A young man born of Indian parents in America struggles with issues of identity from his teens to his thirties.

Getting Around with Google Maps - John Michael Sly 2014-12-26

ESL Word Search Plus - Clare Harris 2020-05-06

Do you want to improve your English reading, spelling and vocabulary? Or maybe you know someone who needs help? These post-beginner word search (or word find) puzzles are a fun way to boost English language skills. The first three puzzle levels have missing or extra words. At the fourth level, you must use clues (like opposites, similar words, or past tense) to find the words. There are also puzzles with hidden messages in the left-over letters. Why not download the free sample puzzles to see if this book is right for you? There's a link to my website page inside the cover, or you can simply go to my author page. ESL Word Search Plus: Uses everyday language from English class and real life. Is a fun gift and also valuable for learning. Looks like a commercial puzzle book, just a little more spacious. Is aimed at adult and young adult learners. Was created by a teacher who's been writing ESL books for the last 20 years. The book is an 8 x 10 inch paperback, with 100 pages. It features: 51 themed word find puzzles, in a variety of larger size fonts. Many puzzles in lower case, to support word recognition skills. Puzzles with and without grid lines,

and with different shapes. Four puzzle levels: across & down, across & down intersecting, across, down & diagonal (south-east direction only), and larger puzzles with language skill clues. 'How to' pages for each level of difficulty. 'Tip' boxes at the side of each page to say how many words are across, down or diagonal. 'Need help?' boxes for the more challenging puzzles. Answer pages with 3-4 puzzles per page for easy checking.

Surge - Matt Kane 2016-12-20

How many times have you had an idea that you were really passionate about-one that you really believed was important? How many times have you waited until you had the perfect amount of time or the perfect environment or the perfect set of circumstances to act on that idea? How many times have your ideas vanished into thin air because those "perfect" opportunities never came? No more. We've been on a two-decade quest to find better ways to take action on our ideas--and share those strategies with others. In this book, you'll learn exactly how to harness the power of now to take action on your ideas. You'll learn how to alleviate anxiety, face your fears, and overcome overwhelm--all so you can bring your ideas to life.

This book is designed as handouts for instructors of English. There are various topics that can be used for vocabulary, discussion, writing topics to insure use of targeted vocaulbary and idioms.

American Tongue and Cheek - Jim Quinn 1980

Wordslut - Amanda Montell 2019-05-28

"I get so jazzed about the future of feminism knowing that Amanda Montell's brilliance is rising up and about to explode worldwide."—Jill Soloway A brash, enlightening, and wildly entertaining feminist look at gendered language and the way it shapes us. The word bitch conjures many images, but it is most often meant to describe an unpleasant woman. Even before its usage to mean "a female canine," bitch didn't refer to women at all—it originated as a gender-neutral word for "genitalia." A perfectly innocuous word devolving into an insult directed at females is the case for tons more terms, including hussy, which simply meant "housewife"; and slut, which meant "an untidy person" and was also used to describe men. These are just a few of history's many English slurs hurled at women. Amanda Montell, reporter and feminist linguist,

deconstructs language—from insults, cursing, gossip, and catcalling to grammar and pronunciation patterns—to reveal the ways it has been used for centuries to keep women and other marginalized genders from power. Ever wonder why so many people are annoyed when women speak with vocal fry or use like as filler? Or why certain gender-neutral terms stick and others don't? Or where stereotypes of how women and men speak come from in the first place? Montell effortlessly moves between history, science, and popular culture to explore these questions—and how we can use the answers to affect real social change. Montell's irresistible humor shines through, making linguistics not only approachable but downright hilarious and profound. Wordslut gets to the heart of our language, marvels at its elasticity, and sheds much-needed light on the biases that shadow women in our culture and our consciousness.

Grammar Snobs Are Great Big Meanies - June Casagrande 2006-03-28

What do suicidal pandas, doped-up rock stars, and a naked Pamela Anderson have in common? They're all a heck of a lot more interesting than reading about predicate nominatives and hyphens. June Casagrande knows this and has invented a whole new twist on the grammar book. *Grammar Snobs Are Great Big Meanies* is a laugh-out-loud funny collection of anecdotes and essays on grammar and punctuation, as well as hilarious critiques of the self-appointed language experts. Chapters include: I'm Writing This While Naked—The Oh-So Steamy Predicate Nominative Semicolonoscopy—Colons, Semicolons, Dashes, and Other Probing Annoyances I'll Take "I Feel Like a Moron" for \$200, Alex—When to Put Punctuation Inside Quotation Marks Snobbery Up with Which You Should Not Put Up—Prepositions Is That a Dangler in Your Memo or Are You Just Glad to See Me? Hyphens—Life-Sucking, Mom-and-Apple-Pie-Hating, Mime-Loving, Nerd-Fight-Inciting Daggers of the Damned Casagrande delivers practical and fun language lessons not found anywhere else, demystifying the subject and taking it back from the snobs. In short, it's a grammar book people will actually want to read—just for the fun of it.

Class - Paul Fussell 1992

This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom

Speaking American - Josh Katz 2020-09

Did you know that your answers to just a handful of questions can predict the zip code of where you grew up? *Speaking American* offers a visual atlas of the American vernacular—who says what, and where they say it—revealing the history of our nation, our regions, and the language that divides and unites us.

ESL Grammar: Intermediate & Advanced - Mary Ellen Munoz Page 2021-12-15

Get REA's newly updated grammar guide and workbook for intermediate and advanced ESL learners. This second edition is ideal for self-guided study or as a supplement to your ESL coursebook. If you're an ESL student who would like to make English a part of your everyday life, *ESL Grammar: Intermediate and Advanced* is for you. The book is for anyone with a basic command of English grammar and vocabulary who wants to build their fluency and confidence. You will find this study guide and workbook to be an excellent resource that you can use as a supplement to your coursebook or on its own, whether you're at home, in school, or on the job. This new second edition expands the book's thorough coverage of the important intermediate and advanced grammar topics, with handy usage tips and easy-to-follow practice exercises in every section. The book has been enriched with current topics and examples designed to help you increase your fluency on your journey to mastering English as it's spoken by native speakers. We've included the most commonly confused words (including sound-alikes) to help you avoid the top mistakes English learners make. We show you how word families—groups of words formed from the same base or root word—will help you grow your vocabulary and understand what words mean even before you look them up in a dictionary. Many English words are borrowed from other world languages. This book will show you how to have fun with useful "loanwords" while you improve your vocabulary. We've added a new chapter on "Technology in Our Life Today." Here you will find clear definitions of frequently used computer and technology terms to help you communicate effectively in today's digital world. Whether you're in school, managing a household, or looking for a job to advance your career, this book will help you take command of English and express yourself with precision. Be sure to look for the companion volume, *ESL Writing: Intermediate and Advanced*, also by Mary Ellen Muñoz Page.

Slang Rules! - Orin Hargraves 2008

New title! A learner's guide to American English slang and its usage when speaking and writing in informal contexts. Noted ESL and EFL teacher Orin Hargraves explains which rules of grammar change (and are sometimes ignored), which words and phrases may be considered inappropriate or offensive, and common ways American pronunciation changes when slang is used. Provides invaluable assistance in identifying slang and how Americans use it.

A Hoser's Guide to Canadian History - Kirt Purdy 2016-03

The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's

a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

Correct Your English Errors - Tim Collins 2012-03-09

Speak and write English as if it were your native tongue! Are you tired of making the same mistakes in English again and again? End the bad habits that can leave the people you talk to confused. Correct Your English Errors warns you of hundreds of typical errors learners make and explains the reasons behind the mistakes, so you can correct yourself in the future. Improve your English skills with this fun and comprehensive guide and avoid all the common mistakes, such as: Mispronouncing and misspelling words Applying your native language's grammar patterns to English Putting verbs in the wrong tense Using incorrect prepositions in expressions Confusing subject-verb agreement Correct Your English Errors offers exercises covering all parts of grammar and provides review passages to check that you are error-free. Soon, biting your nails will be your only bad habit!

The Columbia Guide to Standard American English - Kenneth G. Wilson 1996-08-30

In the most reliable and readable guide to effective writing for the Americans of today, Wilson answers questions of meaning, grammar, pronunciation, punctuation, and spelling in thousands of clear, concise entries. His guide is unique in presenting a systematic, comprehensive view of language as determined by context. Wilson provides a simple chart of contexts—from oratorical speech to intimate, from formal writing to informal—and explains in which contexts a particular usage is appropriate, and in which it is not. The Columbia Guide to Standard American English provides the answers to questions about American English the way no other guide can with: * an A-Z format for quick reference; * over five thousand entries, more than any other usage book; * sensible and useful advice based on the most current linguistic research; * a convenient chart of levels of speech and writing geared to context; * both descriptive and prescriptive entries for guidance; * guidelines for nonsexist usage; * individual entries for all language terms. A vibrant description of how our language is being spoken and written at the end of the twentieth century—and how we ourselves can use it most effectively—The Columbia Guide to Standard American English is the ideal handbook to language etiquette: friendly, sensible, and reliable.

Dreyer's English - Benjamin Dreyer 2020-08-04

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved

semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations): Basic English Grammar for Use of English S - Marc Roche 2019-02-23 Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations) English grammar is incredibly important if you want to communicate fluently in English. Improving your grammar and vocabulary for Use of English, will not only help you achieve the results you want, but it will also improve your confidence and social skills in English. "Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations)," is a relatively short book packed full of grammar and vocabulary exercises and explanations to help you perfect your use of English. This grammar book focuses on phrasal verbs and collocations, and is ideal for anyone who has problems understanding, remembering and using English vocabulary and grammar.

It's a Breeze - Toni Aberson 2012-11-21

This collection of 42 short English lessons focuses on specific American idioms and common phrases. The thematic chapters are organized into seven categories: Let's Get Started, Fun with Food, Body Language, Animal Wisdom, Colorful Language, How's the Weather, and Where Are You. Each concise self-contained chapter explores a single American idiom with clear definitions, sample sentences, short readings, comprehension checks, vocabulary lists, writing activities, and conversation questions. The comfortable pace, unit quizzes (with answer keys) and an index of American idioms and expressions also makes this book comfortable for both English classroom use and self-study. Written for high school ESL students and adult English language learners, this book can also improve the vocabulary and cultural literacy of intermediate English students. Understanding and using these American idioms will help immigrants sound more like their American neighbors. Idiom by idiom, readers and students will find speaking English less difficult and more fun - even "a breeze."

Military Recruiting in the United States - Pat Elder 2016-12-08

Military Recruiting in the United States provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth.
