A Single Breath - Lucy Clarke
2014-07-08

From the celebrated author of *Swimming at Night*, a powerful and moving saga of one woman's struggle to overcome her husband's death and uncover his dark, mysterious past. Eva has only been married for eight months when her husband, Jackson, is swept to his death while fishing. Weighed down by confusion and sorrow, Eva decides to take leave of her midwifery practice in London and visit

Jackson's estranged family in Tasmania with the hope of grieving together. Instead, she discovers that the man she loved so deeply is not the man she thought she knew. Jackson's father and brother reveal a dark past, exposing the lies her marriage was built upon. As Eva struggles to come to terms with the depth of Jackson's deception, she must also confront her growing attraction to Jackson's brother, Saul, who offers her intimacy, passion, and answers to her

most troubling questions. Will Eva be able to move forward in life, or will she be caught up in a romance with Saul, haunted by her husband's past?

Threading together beautiful, wild settings and suspenseful twists, *A Single Breath* is a gripping tale of secrets, betrayal, and new beginnings.

Connecting

Grammaticalisation - Jens Nørgård-Sørensen 2011-12-21

This monograph presents a view on grammaticalisation radically different from standard views centering around the cline of grammaticality. Grammar is seen as a complex sign system, and, as a consequence, grammatical change always comprises semantic change. What unites morphology, topology (word order), constructional syntax and other grammatical subsystems is their paradigmatic organisation. The traditional concept of an inflexional paradigm is generalised as the structuring principle of grammar. Grammatical change involves paradigmatic

restructuring, and in the process of grammatical change morphological, topological and constructional paradigms often connect to form complex paradigms. The book introduces the concept of connecting grammaticalisation to describe the formation, restructuring and dismantling of such complex paradigms.

Drawing primarily on data from Germanic, Romance and Slavic languages, the book offers both a broad general discussion of theoretical issues (part one) and three case studies (part two).

Us Against You - Fredrik Backman 2019-05-28

From Fredrik Backman, New York Times bestselling author of *Beartown*, comes a heart-wrenching story of the ways loyalty, friendship, and love carry a small community through its darkest days. After everything that the citizens of *Beartown* have gone through, they are struck yet another blow when they hear that their beloved local junior hockey team will soon be disbanded.

What makes it worse is the

Downloaded from
omahafoodtruckassociation.org
on by guest

obvious satisfaction that all the former Beartown players, who now play for a rival team in Hed, take in that fact. As the tension between the two towns simmers, a surprising newcomer is handpicked to try to save the Beartown club. Soon a new team starts to take shape around Amat, the fastest player you'll ever see; Benji, the intense lone wolf; and Vidar, a born-to-be-bad troublemaker. But bringing this team together proves to be a challenge as old bonds are broken, new ones are formed, and the enmity with Hed grows more and more heated. As the big game between Beartown and Hed approaches, the not-so-innocent pranks and incidents between the communities pile up. By the time the last game is finally played, a resident of Beartown will be dead, and the people of both towns will be forced to wonder if, after all they've been through, the game they love can ever return to something simple and innocent. *Us Against You* is a declaration of love for all the

big and small, bright and dark stories that form and colour our communities. Compelling and heartbreaking, it's a roller-coaster ride of emotions and a showcase for "Fredrik Backman's pitch-perfect dialogue and unparalleled understanding of human nature" (Shelf Awareness).

My Grandmother Asked Me to Tell You She's Sorry -

Fredrik Backman 2015-06-16
Seven-year-old Elsa's grandmother dies and leaves behind a series of letters, sending the girl on a journey that brings to life the world of her grandmother's fairy tales. By the internationally best-selling author of *A Man Called Ove*. Illustrations.

The Fredrik Backman Collection - Fredrik Backman 2017-11-07

From beloved #1 New York Times bestselling author Fredrik Backman, a beautiful boxed set collection of his first three charming, matchless novels that have taken the world by storm: *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*, and

omahafoodtruckassociation.org
on by guest

Britt-Marie Was Here. Fredrik Backman's novels have delighted readers with their irrepressible charm, whimsy, and warmth. Now, for the first time, all three of his novels are collected in one boxed set, making this a perfect gift for both longtime and new fans. In *A Man Called Ove*, an unexpected friendship forms when a young family moves next door to the neighborhood curmudgeon. In this feel-good tale of love and redemption, Backman explores the profound impact one life has on countless others. My *Grandmother Asked Me to Tell You She's Sorry* is the story of a young girl named Elsa who is struggling after the death of her beloved and eccentric grandmother. When she discovers a series of letters her grandmother wrote apologizing to people she had wronged, Elsa embarks on a life-changing adventure. With humor and heart, this is a story about life and death and one of the most important human rights: the right to be different. Finally, in *Britt-Marie Was*

Here, Backman tells the "heartwarming story about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages" (Publishers Weekly). When the fastidious Britt-Marie leaves her cheating husband and starts over in a small backwater town, she never expects to find herself drawn into the lives of its quirky and odd inhabitants. Most alarming of all, she's given the impossible task of leading the supremely untalented children's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs?

The Novel Map - Patrick M. Bray 2013-01-31

Focusing on Stendhal, Gérard de Nerval, George Sand, Émile Zola, and Marcel Proust, *The Novel Map: Mapping the Self in Nineteenth-Century French Fiction* explores the ways that these writers represent and negotiate the relationship between the self and the world as a function of space in a novel turned map. With the rise

Downloaded from
omahafoodtruckassociation.org
on by guest

of the novel and of autobiography, the literary and cultural contexts of nineteenth-century France reconfigured both the ways literature could represent subjects and the ways subjects related to space. In the first-person works of these authors, maps situate the narrator within the imaginary space of the novel. Yet the time inherent in the text's narrative unsettles the spatial self drawn by the maps and so creates a novel self, one which is both new and literary. The novel self transcends the rigid confines of a map. In this significant study, Patrick M. Bray charts a new direction in critical theory.

Eis und Wasser, Wasser und Eis - Majgull Axelsson
2010-10-12

Vielschichtiger Psychokrimi und bewegende Familiensaga mit großem Finale im ewigen Eis Die erfolgreiche Krimiautorin Susanne befindet sich an Bord eines Eisbrechers mitten im Polarmeer und versucht herauszufinden, wer ihre Kajüte verwüstet und mit Lippenstift hasserfüllte Botschaften hinterlässt. Was

Susanne nicht weiß: Ihre Vergangenheit holt sie ein. Lange verheilt geglaubte Wunden brechen auf, als ihr klar wird, dass ihr Stiefbruder, der schwedische Teenie-Star, der in den 1960ern für immer verschwand, der Schlüssel zu allem ist. Raffiniert verknüpft Majgull Axelsson die Vergangenheit mit der Gegenwart, das Leben in einer schwedischen Kleinstadt mit der klaustrophobischen Enge auf einem Eisbrecher - und hält uns dabei die ganze Zeit in Atem.

Kleine Stadt der großen Träume - Fredrik Backman
2017-10-26

die Zukunft auf dem Spiel. Alle Hoffnungen liegen auf den Schultern ein paar junger Björnstädter. Noch ahnt keiner, dass sich ihre Gemeinschaft über Nacht für immer verändern wird.

Die Eroberung von Ismail - Michail Schischkin 2017-05-15
Eines der bedeutendsten Werke der russischen Gegenwartsliteratur, vielfach ausgezeichnet Es beginnt mit der Erschaffung der Welt - in einem Abteil der Belebeier Schmalspurbahn, tief in der russischen Provinz. Und damit, dass Alexander Wassiljewitsch, gestandener Provinzadvokat und Anwalt der Erniedrigten und Beleidigten, seinen Lebenslauf fürs Kompendium der Gerichtsrede zu schreiben hat. Daraus erwächst eine große Abrechnung, etwas wie Russlands Jüngster Tag. Im Zeugenstand die hohe Literatur: von Tolstois »Auferstehung«, dem berühmtesten aller russischen Gerichtsromane, über Dostojewskis »Verbrechen und Strafe« bis hin zu Olga, Katja, Mascha, Larissa, all den tapfer

beharrenden und tragisch vergehenden Frauen im Roman wie im Leben. Und immer wieder schieben sich die Erlebnisse eines jungen Mannes dazwischen, der Michail Schischkin heißt und vom chaotischen Moskau der 1990er Jahre einen langen Abschied nimmt. Ein Roman, der sich aufschwingt durch Zeiten und Räume und die russische Geschichte von ihren wüsten Anfängen bis ins betrübliche Heute erfasst. Ein monumentales Werk von einem »mächtig ausgreifenden Erzähler und Wortgläubigen mit Klassikerpotenz, wie man ihn schon lange nicht mehr sah in der russischen Weltliteratur« (NZZ am Sonntag).

Anxious People - Fredrik Backman 2020-09-08
Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! "[A] quirky, big-hearted novel...Wry, wise, and

Downloaded from
omahafoodtruckassociation.org
on by guest

often laugh-out-loud funny, it's a wholly original story that delivers pure pleasure."

—People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix

an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (*Shelf Awareness*), *Anxious People* is an ingeniously constructed story about the enduring power

of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

Cooking for Picasso - Camille Aubray 2017-06-20

For readers of Paula McLain, Nancy Horan, and Melanie Benjamin, this captivating novel is inspired by a little-known interlude in the artist's life. "A tasty blend of romance, mystery, and French cooking."—Margaret Atwood, via Twitter The French Riviera, spring 1936: It's off-season in the lovely seaside village of Juan-les-Pins, where seventeen-year-old Ondine cooks with her mother in the kitchen of their family-owned Café Paradis. A mysterious new patron who's slipped out of Paris and is traveling under a different name has made an unusual request—to have his lunch served to him at the nearby villa he's secretly rented, where he wishes to remain incognito. Pablo Picasso is at a momentous crossroads in his personal and professional life—and for him, art and women are always entwined. The spirited Ondine, chafing

under her family's authority and nursing a broken heart, is just beginning to discover her own talents and appetites. Her encounter with Picasso will continue to affect her life for many decades onward, as the great artist and the talented young chef each pursue their own passions and destiny. New York, present day: Céline, a Hollywood makeup artist who's come home for the holidays, learns from her mother, Julie, that Grandmother Ondine once cooked for Picasso. Prompted by her mother's enigmatic stories and the hint of more family secrets yet to be uncovered, Céline carries out Julie's wishes and embarks on a voyage to the very town where Ondine and Picasso first met. In the lush, heady atmosphere of the Côte d'Azur, and with the help of several eccentric fellow guests attending a rigorous cooking class at her hotel, Céline discovers truths about art, culture, cuisine, and love that enable her to embrace her own future. Featuring an array of both fictional characters and

the French Riviera's most famous historical residents, set against the breathtaking scenery of the South of France, *Cooking for Picasso* is a touching, delectable, and wise story, illuminating the powers of trust, money, art, and creativity in the choices that men and women make as they seek a path toward love, success, and joie de vivre. Praise for *Cooking for Picasso* "Intrigue, art, food, and deception are woven together in a tale of love and betrayal around the life and legacy of Picasso. Touching and true, this well-written narrative made me long for my mother's coq au vin and for the sun of Juan-les-Pins."—Jacques Pépin, chef, TV personality, author

Resin - Ane Riel 2018-08-09
The multi-award-winning international bestseller. Suspenseful and heart-breaking, *Resin* is the story of what can happen when you love someone too much - when your desire to keep them safe becomes the thing that could irrevocably harm them. * Liv died when she was just six

years old. Her father knew he was the only one who could keep her safe in this world. So one evening he left the isolated house his little family called home, he pushed their boat out to sea and watched it ruin on the rocks. Then he walked the long way into town to report his only child missing. But behind the boxes and the baskets crowding her Dad's workshop, Liv was hiding. This way her Dad had said, she'd never have to go to school; this way, she'd never have to leave her parents. This way, Liv would be safe. * Winner of Scandinavia's most prestigious awards: The Glass Key, The Golden Bullet, Best Crime Novel from the Swedish Crime Writer's Academy and The Harald Mogensen Award.

The Renewal of Pagan Antiquity - Aby Warburg 1999
A collection of essays by the art historian Aby Warburg, these essays look beyond iconography to more psychological aspects of artistic creation: the conditions under which art was practised; its social and cultural contexts;

and its conceivable historical meaning.

Humiliation, Degradation, Dehumanization - Paulus Kaufmann 2010-10-07

Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition - these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the

book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors - in philosophy and ethics, law, human rights, literature, cultural studies and interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights theorists, practitioners and students.

Chain of Events - Fredrik T. Olsson 2014-11-04

THE EXPLOSIVE, APOCALYPTIC FIRST THRILLER BY THE AUTHOR OF Acts of Vanishing. The future of humankind rests in the hands of a disgraced military code-breaker and a journalist--his ex-wife. William Sandberg, once a well-

respected military cryptologist, is a ruined man. His career is in shambles, his marriage is over, and he's succumbed to a deep depression. But William's talents haven't gone unnoticed. A nameless, top-secret organization abducts him and tasks him with a daunting mission: decode a message that will reveal the disastrous prophecies hidden in our DNA before it is too late. Meanwhile, William's ex-wife Christina sets out to find him. She connects with an eccentric group at a mysterious chateau in the Alps, where the secret organization is plotting the destruction of humankind--unless the ex-lovers can reunite and put a stop to the plan. A thrilling, globe-spanning novel about humanity on the verge of crisis, Chain of Events explodes and then reconfigures the ties that bind us to one another.

And Every Morning the Way Home Gets Longer and Longer - Fredrik Backman
2016-11-01

A little book with a big heart—from the New York Times bestselling author of A

Man Called Ove and Anxious People. “I read this beautifully imagined and moving novella in one sitting, utterly wowed, wanting to share it with everyone I know.” —Lisa Genova, bestselling author of Still Alice From the New York Times bestselling author of A Man Called Ove, My Grandmother Asked Me to Tell You She’s Sorry, Britt-Marie Was Here, and Anxious People comes an exquisitely moving portrait of an elderly man’s struggle to hold on to his most precious memories, and his family’s efforts to care for him even as they must find a way to let go. With all the same charm of his bestselling full-length novels, here Fredrik Backman once again reveals his unrivaled understanding of human nature and deep compassion for people in difficult circumstances. This is a tiny gem with a message you’ll treasure for a lifetime.

to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Édith Piaf - David Looseley
2015-10-28

The world-famous French singer Édith Piaf (1915-63) was never just a singer. This book suggests new ways of understanding her, her myth and her meanings over time at home and abroad, by proposing the notion of an 'imagined' Piaf.

Things My Son Needs to Know About the World -

Fredrik Backman 2019-04-30
Fredrik Backman, the #1 New York Times bestselling author of A Man Called Ove and Beartown, delivers a poignant and insightful memoir from the front lines of one of the most daunting experiences any man can experience: fatherhood. Things My Son Needs to Know

About the World is bestselling author Fredrik Backman's revealing look at the relationship between fathers and sons. Delving deep into his own experience and speaking directly to his child, Backman reflects on the perspective and tools his son will need to make his way in the world. As he conveys his profound awe at facing all the "firsts" that fill him with wonder and catch him completely unprepared, Backman doesn't shy away from divulging his own false steps and fatherly flaws. Along the way, he tackles issues both great and small, from masculinity and mid-life crises to practical jokes and poop. In between the sleep-deprived lows and wonderful highs, Backman takes a step back to share the sweet, true story of falling in love with a woman who is his complete opposite, and learning to live a life that revolves around the people he cares about unconditionally. Alternating between humorous side notes and longer essays offering his son guidance about growing up, Backman

Downloaded from
omahafoodtruckassociation.org
on by guest

contemplates the big and small moments that form their shared life, from soccer matches and Ikea trips to first homes and young love. Things My Son Needs to Know About the World is Backman as you've never seen him before—intimate, vulnerable, and brave. Above all, it is a tribute to the love between a parent and a child. For, as Backman eloquently reminds us, “You can be whatever you want to be, but that’s nowhere near as important as knowing that you can be exactly who you are.”

The Zig and Zag of Being

Zeyneb - Colette Victor
2014-07-03

Zeyneb is like any other thirteen-year-old British girl, juggling the demands of her social life, school work and family. But as a Muslim girl attracted to a non-Muslim boy she has more difficult choices \- and one very big decision. Now a woman in the eyes of her religion, she must decide if she will wear a headscarf. Zeyneb wants to make the right choice, not just for her family or

friends, but for herself.

The Winners - Fredrik Backman
2022-10-04

'This is a stunning read that plunges you into another world. Backman writes with incredible sensitivity and insight. Every one of the characters is real and multi-faceted, having you breathlessly turning the pages, following their fears and hopes, fretting for their futures. This is storytelling at its best:

Emotional, vivid, wise and utterly brilliant' Hazel Prior
'It's often said that winners write history, but there are no winners here' This is a small story about big questions. It's a story about family, community, life. It starts with a storm - and a death. But how does it end?

Two years have passed since the events that no one wants to think about. Everyone has tried to move on, but there's something about this place that prevents it. The residents continue to grapple with life's big questions: What is a family? What is a community? And what, if anything, are we willing to sacrifice in order to

protect them? As the locals of Beartown struggle to overcome the past, great change is on the horizon. Someone is coming home after a long time away. Someone will be laid to rest. Someone will fall in love, someone will try to fix their marriage, and someone will do anything to save their children. Someone will submit to hate, someone will fight, and someone will grab a gun and walk towards the ice rink. So what are the residents of Beartown willing to sacrifice for their home? Everything. Praise for the Beartown books: 'I utterly believed in the residents of Beartown, and felt ripped apart by the events in the book' Jojo Moyes 'Surrounded by impenetrable forests, Beartown recreates the stifling atmosphere of a dying community. A mature, compassionate novel' Sunday Times 'Backman can tickle the funny bone and tug on the heart strings when he needs to, and is a clever enough storyteller to not overindulge in either' Independent 'As popular Swedish exports go,

Backman is up there with ABBA and Stieg Larsson' The New York Times Book Review 'Backman is a masterful writer' Kirkus Review **The stunning new novel from multi-million bestselling author Fredrik Backman. Order your copy now**

Translation Policies in Legal and Institutional Settings -

Marie Bourguignon 2021-11-15

This edited volume documents the state of the art in research on translation policies in legal and institutional settings. Offering case studies of past and present translation policies from several parts of the world, it allows for a compelling comparison of attitudes towards translation in varying contexts. The book highlights the virtues of integrating different types of expertise in the study of translation policy: theoretical and applied; historical and modern; legal, institutional and political. It effectively illustrates how a multidisciplinary perspective furthers our understanding of translation policies and unveils their intrinsic link with topics such as multilingualism, linguistic justice, minority

rights, and citizenship. In this way, each contribution sheds new light on the role of translation in the everyday interaction between governments and multilingual populations.

Sprachliche

Sozialgeschichte des Nationalsozialismus -

Heidrun Kämper 2022-03-29
Der Sprachgebrauch in der Zeit 1933 bis 1945 ist vielfältig auf unterschiedlichen Sprachebenen untersucht und dargestellt worden. Dass die dem Nationalsozialismus zugehörigen Sprecher aber nicht die alleinige Diskurs- und Sprachgemeinschaft bildeten, wurde bisher in der empirischen Forschung selten als Gegenstand etabliert, während das Phänomen seit langem theoretisch erkannt und beschrieben ist. Durch eine Konzentration auf öffentlich-propagandistische Kommunikationsformen sind etwa Studien zu Formen institutionellen Kommunizierens, zur gruppenspezifischen oder privaten Schriftlichkeit und

insbesondere zum sprachlichen Agieren im Widerstand selten. Der vorliegende Band besteht aus Beiträgen, die hierfür Beispiele vorlegen. Sie basieren auf Vorträgen, die auf der von den Herausgeberinnen veranstalteten Tagung »Sprachliche Sozialgeschichte des Nationalsozialismus« im April 2017 am Institut für Deutsche Sprache gehalten wurden. Die Beiträge erschließen in methodischer Hinsicht, bzgl. der Fragestellung oder in Bezug auf die Quellen mit zum Teil noch nicht oder kaum untersuchtem sprachwissenschaftlichem Material aus der Zeit des Nationalsozialismus neue Perspektiven.

Sunset in Central Park -

Sarah Morgan 2016-08-30
In the chaos of New York, true love can be hard to find, even when it's been right under your nose all along... Love has never been a priority for garden designer Frankie Cole. After witnessing the fallout of her parents' divorce, she's seen the devastation an overload of

emotion can cause. The only man she feels comfortable with is her friend Matt—but that's strictly platonic. If only she found it easier to ignore the way he makes her heart race... Matt Walker has loved Frankie for years but, sensing how fragile she is beneath her feisty exterior, has always played it cool. But then he uncovers new depths to the girl he's known forever and doesn't want to wait a moment longer. He knows Frankie has secrets and has buried them deep, but can Matt persuade her to trust him with her heart and kiss him under the Manhattan sunset? Don't miss Beach House Summer, the ultimate beach read by USA Today bestselling author Sarah Morgan! One woman forges the most unlikely friendship of all, and embarks on a summer of confronting her past in order to build the future she wants.

Oma lässt grüßen und sagt, es tut ihr leid - Fredrik Backman 2015-06-25
Der Nr.1-Bestseller und Lieblings-Roman aus Schweden. Oma ist 77, Ärztin,

Chaotin und treibt die Nachbarn in den Wahnsinn. Elsa ist 7, liebt Wikipedia und Superhelden und hat nur einen einzigen Freund: nämlich Oma. In Omas Märchen erlebt Elsa die aufregendsten Abenteuer. Bis Oma sie eines Tages auf die größte Suche ihres Lebens schickt - und zwar in der wirklichen Welt. Märchenhaft, ergreifend, umwerfend witzig und voller Hoffnung: eine Geschichte über Freundschaft, Familie und Hoffnung und die Kraft der Phantasie. Von Fredrik Backman, Autor des Weltbestsellers ›Ein Mann namens Ove‹.

Gesture and Power - Yolanda Covington-Ward 2015-12-02
In Gesture and Power Yolanda Covington-Ward examines the everyday embodied practices and performances of the BisiKongo people of the Lower Congo to show how their gestures, dances, and spirituality are critical in mobilizing social and political action. Conceiving of the body as the center of analysis, a catalyst for social action, and as a conduit for the social

construction of reality, Covington-Ward focuses on specific flash points in the last ninety years of Congo's troubled history, when embodied performance was used to stake political claims, foster dissent, and enforce power. In the 1920s Simon Kimbangu started a Christian prophetic movement based on spirit-induced trembling, which swept through the Lower Congo, subverting Belgian colonial authority. Following independence, dictator Mobutu Sese Seko required citizens to dance and sing nationalist songs daily as a means of maintaining political control. More recently, embodied performance has again stoked reform, as nationalist groups such as Bundu dia Kongo advocate for a return to precolonial religious practices and non-Western gestures such as traditional greetings. In exploring these embodied expressions of Congolese agency, Covington-Ward provides a framework for understanding how embodied practices transmit social

values, identities, and cultural history throughout Africa and the diaspora.

Pilze für Madeleine - Marie Hermanson 2014-09-15
Drachenzapfen, Wolfsblut, Fliegenpilz, Stinkmorchel: Wenn der „Pilzkönig“ Holger Haglund seine legendären Seminare abhält, liegen ihm die Frauen zu Füßen. Auch die reiche, welterfahrene Schlossbesitzerin Madeleine erliegt seinem Charme. Sehr zum Leidwesen von Gunnar, Haglunds Sohn, der zeitlebens im Schatten seines Vaters stand. Als die Liebe zwischen Holger und Madeleine abzukühlen droht, fasst Holger einen heimtückischen Plan. Was, wenn Vater und Sohn die gleiche Frau lieben? Und giftige Pilze im Spiel sind? In »Pilze für Madeleine« meistert Marie Hermanson die Verbindung von schauriger Spannung, absurder Tragödie und zärtlich-ernsthafter Liebesgeschichte. Ein modernes Märchen für Erwachsene - Happy End inbegriffen.

Beartown - Fredrik Backman

2017-04-25

Now an HBO Original Series
“You’ll love this engrossing novel.” —People Named a Best Book of the Year by LibraryReads, BookBrowse, and Goodreads From the #1 New York Times bestselling author of *Anxious People*, a dazzling and profound novel about a small town with a big dream—and the price required to make it come true. By the lake in Beartown is an old ice rink, and in that ice rink Kevin, Amat, Benji, and the rest of the town’s junior ice hockey team are about to compete in the national semi-finals—and they actually have a shot at winning. All the hopes and dreams of this place now rest on the shoulders of a handful of teenage boys. Under that heavy burden, the match becomes the catalyst for a violent act that will leave a young girl traumatized and a town in turmoil. Accusations are made and, like ripples on a pond, they travel through all of Beartown. This is a story about a town and a game, but even more about loyalty,

commitment, and the responsibilities of friendship; the people we disappoint even though we love them; and the decisions we make every day that come to define us. In this story of a small forest town, Fredrik Backman has found the entire world.

The Mirror World of Melody Black - Gavin Extence

2015-03-12

It all starts, as these things sometimes do, with a dead man. He was a neighbour, not someone Abby knew well, but still, finding a body when you only came over to borrow a tin of tomatoes, that comes as a bit of a shock. At least, it should. And now she can't shake the feeling that if she hadn't gone into Simon's flat, if she'd had her normal Wednesday night instead, then none of what happened next would have happened. And she would never have met Melody Black . . . Wild and witty, searing and true, *THE MIRROR WORLD OF MELODY BLACK* is about the fine line that separates normal from not - and how life can spin, very swiftly, out of

control.

Ein Stück vom Himmel -

Claudia Lütje 2017-01-03

An einem stürmischen Tag schneit Sarah plötzlich in Maries Leben, weil sie vom Regen durchweicht vor ihrer Tür steht und eine Adresse sucht, die es nicht gibt. Sarah ist Stewardess und bringt Maries ruhiges Leben als Anwältin mit ihren blauen Augen völlig durcheinander. Doch dann stellt sich heraus, dass Sarah ihre eigenen Probleme hat. Marie versucht ihr zu helfen, aber will Sarah das überhaupt?

Hanna's Daughters -

Marianne Fredriksson

2009-12-30

“An uplifting family saga . . . [Marianne] Fredriksson provides a satisfyingly complex . . . chronicle of women and the burdens imposed by their family history, their gender and themselves. . . . Its message of reconciliation is transcendent.”—People
Sweeping through one hundred years of Scandinavian history, this luminous story follows three generations of Swedish

women—a grandmother, a mother, and a daughter—whose lives are linked through a century of great love and great loss. Resonating with truth and revelation, this moving novel deftly explores the often difficult but enduring ties between mothers and daughters, the sacrifices, compromises, and rewards in the relationships between men and women, and the patterns of emotion that repeat themselves through generations. If you have ever wanted to connect with the past, or rediscover family, *Hanna's Daughters* will strike a chord in your heart. . . . Praise for *Hanna's Daughters* “Brilliant . . . *Hanna's Daughters* outlines the lives of three generations of women and their complicated relationships with one another.”—USA Today “I loved *Hanna's Daughters* from the very first page, and I absolutely could not put it down. . . . Written with grace and wit, this novel deserves to be read, discussed, and cherished by

future generations of mothers and daughters.”—Judith Guest, author of *Ordinary People* and *Errands*

[Handbook for Classical Research](#) - David M. Schaps
2010-09-13

One of the glories of the Greco-Roman classics is the opportunity that they give us to consider a great culture in its entirety; but our ability to do that depends on our ability to work comfortably with very varied fields of scholarship. The *Handbook for Classical Research* offers guidance to students needing to learn more about the different fields and subfields of classical research, and its methods and resources. The book is divided into 7 parts: The Basics, Language, The Traditional Fields, The Physical Remains, The Written Word, The Classics and Related Disciplines, The Classics since Antiquity. Topics covered range from history and literature, lexicography and linguistics, epigraphy and palaeography, to archaeology and numismatics, and the study and reception of the classics.

Guidance is given not only to read, for example, an archaeological or papyrological report, but also on how to find such sources when they are relevant to research.

Concentrating on "how-to" topics, the *Handbook for Classical Research* is a much needed resource for both teachers and students.

Britt-Marie Was Here - Fredrik Backman 2016-05-03

The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She’s Sorry*, and *Anxious People* captivates readers with this “warm and satisfying” (People) story “about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages” (Publishers Weekly). Britt-Marie can’t stand mess. A disorganized cutlery drawer

ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It's just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart than anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards, layabouts. Most alarming of all, she's given the impossible task of leading the supremely

untalented children's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, *Britt-Marie Was Here* celebrates the importance of community and connection in a world that can feel isolating.

Nine Letters on Landscape Painting - Carl Gustav Carus 2002

Carl Gustav Carus (1789-1869)—court physician to the king of Saxony—was a naturalist, amateur painter, and theoretician of landscape painting whose *Nine Letters on Landscape Painting* is an important document of early German romanticism and an elegant appeal for the integration of art and science. Carus was inspired by and had contacts with the greatest German intellectuals of his day. Carus prefaced his work with a letter from his correspondence with Johann Wolfgang von Goethe, who was his primary mentor in both science and art. His writings also reflect, however, the influence of the

German natural philosopher
Friedrich Wilhelm Joseph
Schelling, especially
Schelling's notion of a world
soul, and the writings of the
naturalist and explorer
Alexander von Humboldt.
Carus played a role in the
revolution in landscape
painting taking place in Saxony

around Caspar David Friedrich.
The first edition appears here
in English for the first time.
