The Golden Tarot - Mary Packard 2013-03-21

The Tarot is much more than mere pictures on cards, the pictures are physical symbols for spiritual concepts. The images are symbolic representation of archetypal forces and/or beings which have always existed and have been identified and passed on to us by ancient initiates and which provide a focus for us to use in self-initiation, spiritual development, and the perception of hidden wisdom. The tarot deck included in this beautiful set was commissioned around 1451 by the Visconti and Sforza families, and it is one of the oldest tarot decks in existence. The images on the cards have been faithfully recreated, showing members of the Sforza and Visconti families in period garments. The borders of the elegant cards are adorned with gold metallic ink. The accompanying book provides a history of Visconti-Sforza cards, 35 of which are now in the collection of the Pierpont Morgan Library in New York City. The symbolism of the different cards is described, along with explanations of different ways to arrange the cards when seeking information about different aspects of life. This beautiful gift box holds the book and card deck side by side, with a purple satin reading cloth folded and placed underneath the book.

Golden Botticelli Tarot/ Tarot Dorado de Botticelli - Atanas Alexander Atanassov 2007-09

The great work of this Florentine master enlivens this deck with Renaissance flair and grace. Let Botticelli's timeless art-reproduced here with gold highlights-take you to new dimensions of nature, beauty, and spirituality. One of Aeclectic Tarot's Top Ten Decks for 2007! Publisher Review: Sandro Botticelli (born Alessandro di Mariano di Vanni Filipepi in 1445 and died in 1510) had the patronage of the (in)famous Lorenzo de' Medici, and the two works considered his masterpieces, "The Birth of Venus" and "Primavera" have become so popular that they have achieved cliché status when trying to represent Renaissance art in Florence, Italy. Botticelli created numerous artworks, and in this deck, artist Atanassov has cleverly cut and pasted sections Botticelli's works—sometimes duplicating images in the background (such as repeating the image of a sword to give the appropriate number of swords in a card) and sometimes changing the size (such as making the coins bigger to draw more attention to them)—and massaging them in a surprisingly effective way to produce a deck that is mostly similar in imagery to the Rider-Waite-Smith version. . . . read more.

the details?executed in brilliant and unusual colors?invite viewers to linger, to search, to make sure they miss nothing?an effective trait in a tool of self-examination.

Syd Barrett & Pink Floyd - Julian Palacios
2015-06-29

Syd Barrett was an English composer and purveyor of some of the most intriguing music ever written. Famous before his twentieth birthday, Barrett led the charge of psychedelia onstage at London's famed UFO club. With a Fender Telecaster and a primitive Binson echo unit, Barrett liberated the guitar from being, in critic Simon Reynolds' words, 'a riff machine, and turned it into a texture and timbre generator.' His inspired celestial flights of improvisation, and his more structured and whimsical short songs indicated a mind of unusual inventiveness. Chief in Barrett's mind was a Zen-like insistence on spontaneity; each performance had to be unique, and Barrett strived to push his music farther and farther out into the zone of complete abstraction. This in-depth analysis of Pink Floyd founding member Syd Barrett's life and work is the product of years of extensive research. *Lost in the Woods* traces Syd's swift evolution from precocious

young art student to acid-fuelled psychedelic rock star, and examines the myriad musical and literary influences that he utilised in composing his hypnotic, groundbreaking songs. A never-forgotten casualty of the excesses, innovations, and idealism of the 1960s, Syd Barrett is one of the most heavily mythologized men in rock, and *Lost in the Woods* offers a rare portrayal of a unique spirit in freefall.
