[Experiencing Speech: A Skills-Based, Panlingual Approach to Actor Training](#) - Andrea Caban 2021-05-20

Experiencing Speech: A Skills-Based, Panlingual Approach to Actor Training is a beginner's guide to Knight-Thompson Speechwork®, a method that focuses on universal and inclusive speech training for actors from all language, racial, cultural, and gender backgrounds and identities. This book provides a progression of playful, practical exercises designed to build a truly universal set of speech skills that any actor can use, such as the ability to identify, discern, and execute every sound found in every language on the planet. By observing different types of flow through the vocal tract, vocal tract anatomy, articulator actions, and how these components can be combined, readers will understand and recreate the process by which language is learned. They will then be introduced to the International Phonetic Alphabet (IPA) and will practice using the IPA for narrow transcription of speech sounds. The book also offers both an intellectual and physical understanding of oral posture and how it contributes to vocal characterization and accent work. This approach to speech training is descriptive, giving students a wide and diverse set of speech sounds and skills to utilize for any character in any project, and it establishes a foundation for future accent study and acquisition. Experiencing Speech: A Skills-Based, Panlingual Approach to Actor Training is an excellent resource for teachers and students of speech and actor training, as well as aspiring actors looking to diversify their speech skills.

[A Beginner's Guide to the Four Psychic Clair Senses](#) - Kevin Hunter 2017-03-03

Many believe psychic gifts are bestowed upon select chosen ones, while others don't believe in the craft at all. The reality is every soul is born with heightened psychic gifts and capabilities, but somewhere along the way those senses have dimmed. All are capable of being a conduit with the other side, including those closed off and blocked to it. There are a variety of enlightened beings residing in the spirit realms to assist human souls that request their help. They use varying means and methods to communicate with you called clair channels. These clairs are crystal clear etheric senses used to communicate with any higher being, spirit guide, angel, departed loved one, archangel, and God. The Four Psychic Clair Senses illustrates what the core senses are, examples of how the author picks up on messages, how you can recognize the guidance, and other fun metaphysical psychic stuff. You are a walking divination tool that allows you to communicate with Spirit. The clairs enable you to receive heavenly messages, guidance, and information that positively assist you or another along your Earthly journey. Read about the fore core clairs in order to pinpoint what best describes you and how to have a better understanding of what they are and how they work for you Kevin Hunter is the author of more than a dozen spiritually based empowerment books. He is a lifelong Clairaudient and Claircognizant having made endless accurate psychic predictions over the course of his life, including every single United States President Elected winner in his lifetime more than a year prior to each election. This is from President's Bill Clinton, George Bush, Barack Obama, to Donald Trump. This is also discussed in the Four Psychic Clair Senses pocket book along with other inspirational and empowering input on humanity, tuning into psychic vibrations, and much more!

A Beginner's Guide to New Testament Exegesis - Richard J. Erickson 2013-01-05

Let's face it. Just the word exegesis puts some of us on edge. We are excited about learning to interpret the Bible, but the thought of exegetical method evokes a chill. Some textbooks on exegesis do nothing to overcome these apprehensions. The language is dense. The concepts are hard. And the expectations are way too high. However, the skills that we need to learn are ones that a minister of the gospel will use every week. Exegesis provides the process for listening, for hearing the biblical text as if you were an ordinary intelligent person listening to a letter from Paul or a Gospel of Mark in first-century Corinth or Ephesus or Antioch. This book by Richard Erickson will help you learn this skill. Thoroughly accessible to students, it clearly introduces the essential methods of interpreting the New Testament, giving students a solid grasp of basic skills while encouraging practice and holding out manageable goals and expectations. Numerous helps and illustrations clarify, summarize and illuminate the principles. And a wealth of exercises tied to each chapter are available on the web. This is a book distinguished not so much by what it covers as by how: it removes the "fear factor" of exegesis. There are many guides to New Testament exegesis, but this one is the most accessible--and fun!

The Beginner's Guide to Hearing God - James W. Goll 2008-04-01

Your Voice is Your Superpower - Jessica Bohrer 2020-09-15

What is free speech and why is it so special? Your Voice is Your Superpower tells you why your voice

matters and how you can use it and also why we must protect everyone's right to free speech. Everyone loves superheroes. Who doesn't? They're super! Some of them can fly. Some are strong. Some can become invisible. And some wear capes. But the thing that really makes them super is that they help people and change the world. And guess what? You have a superpower inside you. Your VOICE is your superpower. And because of a thing called freedom of speech, with that voice, you can express yourself, you can help people, and you can change the world. Now, more than ever, teaching children the value of free speech is essential to raising smart, engaged citizens. Knowing the value of free speech allows children to courageously share what they think and believe, whether it's with their family, friends, or their elected officials. Learning about the value of free speech also teaches children the importance of being good listeners, even if it means listening to points of view that differ from their own. In Your Voice is Your Superpower, father-daughter duo Jessica and Sandy Bohrer team up to teach children the importance of free speech and why it is essential for maintaining a functioning democracy. Your Voice is Your Superpower provides the perfect stepping-stone for parents looking to teach their children more about their First Amendment rights in an easy, appealing way. This fun, colorful book proves that the first step to raising engaged, courageous children--and in turn, raising a new generation of superheroes--starts at home. A portion of proceeds will be donated to the Committee to Protect Journalists. "The First Amendment gives us superpowers! What a terrific way to help kids understand why they are free to say and write what they think. This engaging story is perfect for young readers and maybe a few parents, too." --Kathleen Carroll, Chair of the Board of the Committee to Protect Journalists

A Beginner's Guide to the Rapture - Greg Legge 2019-05-08

The Lord himself will come down from heaven. We will hear a loud command. We will hear the voice of the leader of the angels. We will hear a blast from God's trumpet. ... We will be taken up in the clouds. We will meet the Lord in the air. And we will be with him forever. (1 Thessalonians 4:16-17, NIV) Many are waiting for the return of Jesus Christ. But what if it's already happened? Rapture is the biblical prophecy of Christ's promise to physically return to the earth and gather his followers to meet him in the sky and be granted eternal life in heaven. In A Beginner's Guide to the Rapture: The History of Christ's Return, Greg Legge presents a thorough study of historical evidence to argue that Christ fulfilled this promise nearly two thousand years ago. Legge makes a compelling argument that the rapture has come and gone by pairing history with relevant biblical scripture. From analyzing the works of 19th century Adventists to detailing the lives of the 1st century leaders of the Roman Empire, Legge proves that what society has come to assume about the Second Coming may be completely wrong.

Beginner's Guide To Energy Healing - Angela Grace 2021-04-22

If you're tired of other people's energy throwing off your goals & dreams then keep reading... Angela Grace titles included: Energy Healing Made Easy Protect your Energy Have you ever wanted to express yourself the way you want, without letting outside energy negatively affect you? All too often we let external energy invade our boundaries & lower our vibration. This tragically leads to us living nowhere near our best lives. But what if you could discover how to easily take ownership of your power & energy & become as unshakable as a mountain? What would your life be like if you could protect your own energy with healthy

& firm boundaries? Can you picture how it would feel to get more respect at work & in your relationships? There is simply no reason for you not to live an abundant, happy, & fulfilled life, free of harmful energetic influences surrounding & imposing your space. The Earth is full of Source energy. Its source is always receiving and sending energy to all creation. Connecting to the Earth is not a luxury but a deep need. A study carried out by the University of Arizona researched the harmful effects of a living entity being separated from its direct source. The experiment compared two sunflowers. One of them would be grounded to the Earth and the other would not. The sunflower which was not grounded had a huge decline in health. Researchers noted that the ungrounded sunflower appeared "stressed" while the grounded sunflower appeared to be vibrant. You're living with high stress or depression simply because you've lost touch with the Earth. Inside you'll discover: The habit you're indulging in that's allowing invaders to cause irreparable damage How to avoid a FATAL opening that allows negative attachments to enter Why negative entities keep imposing on your auric space & how to fix it Why counseling sessions aren't clearing your emotional trauma What in your own home is creating openings for toxic energy to infiltrate your aura How to STAND FIRM, say no, & set boundaries by owning your unique power How to free yourself of these shackles the media is using to enslave your mind The easy Four-Step Effective Visualization method to allow your desired reality to materialize Unparalleled guided meditations to strengthen your aura What you must align your vibration with to prevent your body from becoming a breeding ground for disease *BONUS* MEDITATION MP3 INSIDE! & much, much more... Beginners Guide To Energy Healing will empower you regardless of your background, even if you have weak boundaries or give away your energy too easily. This is because the same energy that created the universe lives within you. It's time to access it. A Beginner's Guide to America - Roya Hakakian 2021-03-16

A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in [is also] a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, *A Beginner's Guide to America* is Hakakian's candid love letter to America.

Red Green's Beginner's Guide to Women - Red Green 2013-09-17

Red Green is celebrated as one of the handiest men in North America. But as well as being a purveyor of inventive practical advice on, for example, making a jetpack from two propane tanks, a hybrid car from recycled golf carts and satellite dishes, and a kiddie ride from a bar stool attached to the agitator of a washing machine, Red Green is also noted for his insights into that most difficult of assembly jobs, human relationships. His previous bestselling tome, *How to Do Everything*, showed Red dipping his toe into the self-help genre with such items as "How to make dinner more romantic" and "The easy way to raise children." Now Red Green -- a veteran husband (of Bernice), father, soul-searcher, philosopher and observer -- has devoted an entire book to sharing with other battle-weary and confused males all he has learned about the differences between the sexes. Set out in approximately chronological order, from teen dating to the last words of men ("You know, honey, in the last couple of years, you've really packed on the beef"), this is the testosterone owner's manual to every aspect of finding a mate and then learning to deal with her growing disappointment in you. The man who has already shared such morsels as "If you can't be handsome, be handy" and "Quando omni flunkus moritati" ("When all else fails, play dead") here presents a PhD in life-lessons about the most vexing problem facing mankind today, or any day: women.

[Getting Started From \\$0 | A Beginner's Guide to Earn Money from Scratch](#) - Ejaj Saifi 2021-04-14

They say money isn't important, but they're lying. They're making a fool of you. They don't want you to reach the bottom. They just want you to scrape the dirt above. They mislead you. They don't let you see through the bottom. They don't want you to get your hands on the oil and minerals. They absorb everything and persuade you with tempting and attractive things. This is a book about making money from scratch. This book will teach the methods and secrets of earning millions, as well as how the rich become rich and the poor remain poor. This is a comprehensive guide on how to earn money without any investment. A guide for people with nothing in their pockets. This book covers both the beginner earning process and the multiplier method. This book will show you how to save money and multiply it exponentially.

[A Beginner's Guide to Japan](#) - Pico Iyer 2019-09-03

"Arguably the greatest living travel writer" (Outside magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term

residents. In *A Beginner's Guide to Japan*, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.
