Kurmanji a dialect of Kurdish spoken originally in parts of Iran, Iraq, Syria, Turkey while also being common among a large diaspora of Kurds in Europe, North America and elsewhere. This comprehensive Kurmanji-English dictionary is prepared in two volumes by Michael L. Chyet, a renowned linguist with extensive knowledge of the major dialects of Kurdish. This dictionary is an essential reference source for linguists and others interested in Kurdish language and people. "The second edition of my Kurmanji-English dictionary, which I would like to call "Ferhenga Birûskî" to honor the memory of my beloved friend and colleague Birûsk Tugan, contains considerably more entries, and in many cases offers fuller information on earlier entries. In addition, I have found and corrected several typographical errors. Moreover, it is to be accompanied by a companion English to Kurdish volume. [...] It is my goal to accurately reflect the language as it exists today, providing variant spellings, synonyms, and regional usage, as well

as etymologies. The late Iranist D.N. MacKenzie advised me early on to avoid filling my dictionary with "ghost words". He suggested that I base all the entries in my dictionary on texts (both written and orally generated), to ensure that I am reflecting the language as it is used by its speakers. The earlier dictionaries include words of unknown provenance, which may have no existence outside those pages." - Excerpt from the Introduction by Michael L. Chyet Preface by Deniz Ekici Introduction to Ferhenga Birûskî Review of Kurdish Dictionaries How to use the dictionary Abbreviations Abbreviations of Sources Used in Compiling this Dictionary Sources for Linguistic Comparison Place of Origin of Informants Calendar Systems Dictionary A to L
