The Politics of Che Guevara

- Samuel Farber 2016-05-18
This reexamination of Ernesto "Che" Guevara's thoughts on socialism, democracy, and revolution is a must-read for today's activists—or anyone longing to fight for a better world. Fifty years after his death, Guevara remains a symbol to legions of young rebels and revolutionaries. This unique book provides a way to

critically engage with Guevara's economic views, his ideas about revolutionary agency, and his conduct as guerrilla commander and government administrator in Cuba. Samuel Farber was born and raised in Cuba. He has written extensively on Cuba and the Cuban Revolution and is author of Cuba Since the Revolution of 1959.

Che - Jon Lee Anderson

2018-11-13

"A remarkable accomplishment, one that belongs next to such works of graphical history as the March series and Shigeru Mizuki's Showa books. By foregrounding the tension between myth and truth, Che illuminates the present state of our politics as well as the past." —NPR The graphic adaptation of the groundbreaking and definitive biography of Che Guevara Che Guevara's legend is unmatched in the modern world. Since his assassination in 1967 at the age of thirty-nine, the Argentine revolutionary has become an internationally recognized icon, as revered as he is controversial. As a Marxist ideologue who sought to end global inequality by bringing down the American capitalist empire through armed guerrilla warfare, Che has few rivals in the Cold War era as an apostle of revolutionary change. In *Che: A Revolutionary Life*, Jon Lee Anderson and José Hernández present the man behind the

myth, creating a complex and human portrait of this passionate idealist. Adapted from Jon Lee Anderson's definitive masterwork, *Che* vividly transports us from young Ernesto's medical school days as a sensitive asthmatic to the battlefields of the Cuban revolution, from his place of power alongside Castro, to his disastrous sojourn in the Congo, and his violent end in Bolivia. Through renowned Mexican artist José Hernández's drawings we feel the bullets wing past the head of the young rebel in Cuba, we smell the thick smoke of his and Castro's cigars, and scrutinize his proud face as he's called "Comandante" for the first time. With astonishing precision, color, and drama, Anderson and Hernández's *Che* makes us a witness to the revolutionary life and times of Che Guevara.

Che Guevara - Hourly History
2017-02-09

Che Guevara Cuban revolutionary Che Guevara has long been revered as a hero by countless teenagers with an ax

to grind. You can see them wearing his t-shirts with the iconic image of Che with long unkempt hair stylishly sticking out of a jauntily slanted beret on his head. For many, he is the standard bearer of a revolution that they know very little (if anything) about. Many who have pointed to the exploits of Che Guevara as a revolutionary ideal, don't have much of an idea of what his revolution was about. What did Che Guevara actually stand for? What was he trying to achieve? Inside you will read about... - The Minds of Revolution- The Proudest Man in the World- This is Not Communism- Friendly Enemies- The Roving Revolutionary- Betrayed by the Proletariat- A Captive Audience And much more! In this book, we will explore the man behind the revolution, explore the good and the bad of the man who- despite his lionization- was still a man with all of the foibles and complexities that can plague us all. From his days as a carefree medical student roving the

South American countryside to his tenure as the most preeminent revolutionary in the world, the true story of Che Guevara is finally uncovered. Beyond all of the hype and hyperbole, the real man behind the beret is revealed. This book takes a refreshing and unbiased approach in presenting the men who became the legend: Che Guevara.

Viva Che! - Andrew Sinclair
2006-01-19

The biography of Che Gevara
Fidel Castro - Hourly History
2017-09-27

Fidel Castro When Fidel Castro died on November 25, 2016, it seemed as if much of the world didn't quite know what to make of the revolutionary leader. The images of loyal Cubans in Havana openly crying in the streets stood in stark contrast to the Cuban exiles and their descendants just 90 miles away in Miami, Florida. While Cuban citizens were mourning, Cuban Americans were celebrating; they were laughing, dancing, and drinking to celebrate Castro's demise. It seems that

Fidel Castro was just as polarizing in death as he was in life. Inside you will read about... - The Beginnings of a Revolutionary - Castro Meets Che Guevara - The Bay of Pigs - The Cuban Missile Crisis - Castro's Soviet Ally - The Assassination Conspiracy - Doctors For Oil And much more! Learn more about the life of one of the twentieth century's most controversial figures.

The Awakening of Latin America - Ernesto Che Guevara
2022-04-12

This classic anthology on Latin America shows the Argentine-born revolutionary's cultural depth, rigorous intellect, and intense emotional engagement with a continent and its people. In a letter to his mother in 1954, a young Ernesto Guevara wrote, "The Americas will be the theater of my adventures in a way that is much more significant than I would have believed." In The Awakening of Latin America we have the story of those adventures, charting Che's evolution from an impressionable young

medical student to the "heroic guerrilla," assassinated in cold blood in Bolivia. Spanning seventeen years, this anthology draws on from his family's personal archives and offers the best of Che's writing: examples of his journalism, essays, speeches, letters, and even poems. As Che documents his early travels through Latin America, his involvement in the Guatemalan and Cuban revolutions, and his rise to international prominence under Fidel Castro, we see how his fervent commitment to social justice shaped and was shaped by the continent he called home. Nearly half of this book is published for the first time and pre-dates Che's arrival in Cuba with Fidel Castro's guerrilla expedition in 1956. Also included are his notes for his unfinished book, The Social Role of Doctors in Latin America.

Exposing the Real Che Guevara - Humberto Fontova
2007
FONTOVA/EXPOSING THE REAL CHE GUEVA
Reminiscences of the Cuban

Revolutionary War - Che Guevara 1998-12

"Guevara left behind him writing that will endure among the best of revolutionary literature . . . Not only is this book a step-by-step account of the revolution-within-a-revolution, but it is also a highly readable personal journal." --Fort Worth Star-Telegram

Che Guevara - Richard Legé Harris 2011

Chronicles the life and accomplishments of the internationally famous Argentinian guerrilla fighter.

Che For Beginners - Sergio Sinay 2002

The documentary comic books of the For Beginners series deal with complex and serious subjects. They attempt to untimidate and uncomplicate the great ideas and work of great thinkers. The movements and concepts dealt with are placed in their historical, political and intellectual contexts. The books are painstakingly researched, humourously written and enlivened with classic comic-

strip illustrations, photographs, paintings, etc. The range of subjects covered is truly vast and varied Malcom X and the New Age guru Castenanda, Shakespeare and Foucault, Jewish Holocaust and Arab and Israel, Structuralism and Biology.

The Death of Che Guevara - Jay Cantor 2011-05-11

In his critically acclaimed epic first novel, Jay Cantor, author of *Krazy Kat* and *Great Neck*, draws on history, myth, and his own prodigious imagination to take on the life and death of revolutionary icon Che Guevara. In his now famous progress through modern times, Ernesto "Che" Guevara, the scion of a liberal Argentine family, abandoned a medical career to become a revolutionary. A fiery comrade of Fidel Castro's who joined him in overthrowing the Cuban government of Baptista, Che later broke with Castro to lead a guerrilla movement in Bolivia. As the novel charts Che's bold evolution, it also offers an incisive look at Latin America's revolutionary

struggles, an exploration of the nature of truth and storytelling, and a brilliant exegesis of the psychology of radical activism. *Young Che* - Ernesto Guevara Lynch 2011-09-14

"I had prepared a life plan that included ten years of wandering, later years studying medicine. . . . All that's in the past, the only thing that's clear is that the ten years of wandering might grow longer . . . but it will now be of an entirely different type from the one I dreamed of, and when I arrive in a new country it will not be to go to museums and look at ruins, because that still interests me, but also to join the struggle of the people." - Che Guevara, in a letter to his mother, 1956 Assembled from two separate books written by Che's father, this is a vivid and intimate account of the formative years of an icon. Ernesto Guevara Lynch describes the people and personal events that shaped the development of his son's revolutionary worldview, from his childhood in a bourgeois Argentinian home to the

moment he joined Castro to train for the invasion of Cuba in 1956. It also includes, available for the first time in the United States, Che's diary of his trip around Northern Argentina in 1950. *Young Che* is an indispensable guide to understanding one of the twentieth century's most famous and enduring revolutionary figures.

[Ernesto Guevara: A Guerrilla Leader. the Entire Life Story - The History Hour 2018-10-03](#)
There are many tales of his military might and strong character, there are those who see Ernesto

Guerrillas - Jon Lee Anderson 1992

A portrait of guerrilla warfare plunges readers into the tumultuous lives of warriors fighting for survival on five different fronts, from the Gaza strip to the bamboo forests of Burma. 15,000 first printing.

I Embrace You with All My Revolutionary Fervor - Ernesto Che Guevara 2021-10-19

The first-ever edition of Che Guevara's letters, the vast

majority never-before published in English in any form. Ernesto Che Guevara was a voyager—and thus a letter writer—for his entire adult life. The letters collected in *I Embrace You with All My Revolutionary Fervor: Letters 1947-1967* range from letters home during his Motorcycle Diaries trip, to the long letter to Fidel after the success of the Cuban revolution in early 1959 (from which the book's title comes), from the most personal to the intensely political, revealing someone who not only thought deeply about everything he encountered, but for whom the process of social transformation was a constant companion from his youth until shortly before his death. His letters give us Che the son, the friend, the lover, the guerrilla fighter, the political leader, the philosopher, the poet. Che in these letters is often playful, funny, sometimes sarcastic, and deeply affectionate. His life was short, and these twenty years, from when he was 19 until days before his death, show it was also incredibly rich

and full. As his daughter Aleida Guevara, also a doctor like her father, writes, "When you write a speech, you pay attention to the language, the punctuation and so on. But in a letter to a friend or a member of your family, you don't worry about those things. It is you speaking, in your authentic voice. That's what I like about these letters; they show who Che really was and how he thought. This is the true political testimony of my father."

The Motorcycle Diaries -

Ernesto Che Guevara

2021-11-09

A New York Times bestseller With a new introduction by The Motorcycle Diaries filmmaker Walter Salles, and featuring 24 pages of photos taken by Che. The Motorcycle Diaries is Che Guevara's diary of his journey to discover the continent of Latin America while still a medical student, setting out in 1952 on a vintage Norton motorcycle together with his friend Alberto Granado, a biochemist. It captures, arguably as much as any book ever written, the exuberance

and joy of one person's youthful belief in the possibilities of humankind tending towards justice, peace and happiness. After the release in 2004 of the exhilarating film of the same title, directed by Walter Salles, the book became a New York Times and international bestseller. This edition includes a new introduction by Walter Salles and an array of new material that was assembled for the 2004 edition coinciding with the release of the film, including 24 pages of previously unpublished photos taken by Che, notes and comments by his wife, Aleida Guevara March, and an extensive introduction by the distinguished Cuban author, Cintio Vitier. "A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this journey, solitude found solidarity. 'I' turned into 'we.'"—Eduardo Galeano "As his journey progresses, Guevara's voice seems to

deepen, to darken, colored by what he witnesses in his travels. He is still poetic, but now he comments on what he sees, though still poetically, with a new awareness of the social and political ramifications of what's going on around him."—January Magazine "Our film is about a young man, Che, falling in love with a continent and finding his place in it." —Walter Salles, director of the film version of *The Motorcycle Diaries* "All this wandering around 'Our America with a Capital A' has changed me more than I thought." —Ernesto Che Guevara, from *The Motorcycle Diaries*

Blackshirts and Reds -

Michael Parenti 2020-09-09

A bold and entertaining exploration of the epic struggles of yesterday and today. *Blackshirts & Reds* explores some of the big issues of our time: fascism, capitalism, communism, revolution, democracy, and ecology. These terms are often bandied about, but seldom explored in the original and

exciting way that has become Michael Parenti's trademark. Parenti shows how "rational fascism" renders service to capitalism, how corporate power undermines democracy, and how revolutions are a mass empowerment against the forces of exploitative privilege. He also maps out the external and internal forces that destroyed communism, and the disastrous impact of the "free-market" victory on eastern Europe and the former Soviet Union. He affirms the relevance of taboo ideologies like Marxism, demonstrating the importance of class analysis in understanding political realities and dealing with the ongoing collision between ecology and global corporatism. Written with lucid and compelling style, this book goes beyond truncated modes of thought, inviting us to entertain iconoclastic views, and to ask why things are as they are. "A penetrating and persuasive writer with an astonishing array of documentation to implement his attacks." —The Catholic

Journalist "By portraying the struggle between fascism and Communism in this century as a single conflict, and not a series of discrete encounters, between the insatiable need for new capital on the one hand and the survival of a system under siege on the other, Parenti defines fascism as the weapon of capitalism, not simply an extreme form of it. Fascism is not an aberration, he points out, but a 'rational' and integral component of the system."—Stan Goff, author of Full Spectrum Disorder: The Military in the New American Century Michael Parenti, PhD Yale, is an internationally known author and lecturer. He is one of the nation's leading progressive political analysts. Author of over 275 published articles and twenty books, his writings are published in popular periodicals, scholarly journals, and his op-ed pieces have been in leading newspapers such as The New York Times and The Los Angeles Times. His informative and entertaining books and talks have reached a wide

range of audiences in North America and abroad.

Global Justice - Ernesto Che Guevara 2023-01-24

Three speeches on corporate globalism and imperialism by one of the most widely known guerilla fighters, political theorists, and organizers, Che Guevara. In this collection of three speeches, Ernesto Che Guevara offers a revolutionary view of a world in which human solidarity and understanding replace imperialist aggression and exploitation. First, in a sharp speech given in Algeria on February 24, 1965 at the Afro-Asia Economic Seminar, Che speaks about the nature of capitalism and the revolutionary struggle that would open the way for a new, socialist society. Guevara's 1965 essay, "Socialism and Man in Cuba," is a milestone in twentieth-century emancipatory social thought. Finally, "Message to the Tricontinental" is one of Che's more well-known works, which outlines the tactics and strategies that should be followed in revolutionary

struggle. This collection of writings merges Che's philosophy, politics, and economics in his all encompassing, coherent revolutionary vision. His ideas and his struggle strike a chord in the current search for global justice.

My Life With Che - Hilda Gadea 2008-09-30

He stayed to talk that day for some time. Eventually Lucila left the room. Then we turned to more personal matters, the disagreement completely forgotten. I confessed that I had been deeply moved by what he had written in the book 'Che Guevara's first wife, Hilda Gadea, was with him during a tumultuous period in his life, the period which turned him from an intellectual theorist to a dedicated revolutionist. After 5 years of marriage and the birth of their daughter, Hildita, Hilda Gadea paints an intimate and extraordinary portrait of this legendary figure; one who is a romantic wanderer, a philosopher and doting suitor and father. Ernesto Guevara

and Hilda Gadea met in Guatemala as members of the political-exile community. Later they were forced to flee Mexico, where their friendship grew stronger and where, stimulated by the intelligence and knowledge of Hilda, Che's vista's broadened and his convictions hardened. Hilda's account of their life together in Mexico is filled with joy but at times is terribly strained. They found it difficult to make a living and Che suffered from severe asthmatic attacks. Nevertheless the excitement of involvement with the Castros and other Cuban refugees infuses every page. Gradually the character of this great leader is revealed by the woman who knew him best, providing a vital key to a comprehension of Che's legendary qualities.

Walt Disney - Hourly History
2018-02-07

Walt Disney The name Disney is celebrated throughout the world because of its association with blockbuster animated films and most especially iconic cartoon characters. Just about

everyone on the planet, regardless of time, place, or culture, has at one time or another become acquainted with Mickey Mouse, Donald Duck, and everybody's favorite anthropomorphic dog, Goofy. These are the characters that we know and love. Inside you will read about... - Humble Beginnings - Serving in World War I - Disney, Iwerks, and Innovation - The Lucky Rabbit and Mickey Mouse - The Road to Success - Disney During World War II And much more! In recent years Disney has become set to become even larger by adopting a new host of characters from George Lucas' Star Wars franchise. It seems that the name Disney, even 50 some years after Walt Disney's death, is destined to get even bigger. But as much as we can associate the name Disney with these incredible films, it is amazing how little most people know about Walt Disney himself. Few know of Disney's humble upbringing in rural America, learning to draw farm animals and flowers. Very few know the origin of Mickey

Mouse, and even fewer know of the role that Donald Duck played during the war effort of World War II. Come along as we present to you a tale just as fascinating as any plot sequence to have ever graced Walt Disney's storyboard.

Che Guevara - Jon Lee Anderson 1997

Making use of unprecedented access to Guevara's personal archives, his guerrilla cohorts, and Cuban government archives, an exhaustive biography traces the life of the Latin American communist revolutionary

[Che Guevara: The Making of a Revolutionary](#) - Samuel Willard

Crompton 2009-01-01
Chronicles the life and accomplishments of the Latin American revolutionary and guerrilla fighter.

Che Guevara - Nick Caistor 2010

Argentine by birth, Ernesto "Che" Guevara came to embody the spirit of the Cuban revolution. Guevara spent two years fighting in the sierras of Cuba, and after the revolutionaries' victory became

one of the leading members of the government as well as one of Castro's closest and most controversial associates. Also an important writer, Guevara constantly developed ideas about how to spread anti-imperialist revolution throughout the Caribbean and Latin America. His later years took him to Africa, in search of another guerilla war, and finally to a tragic end in the mountains of Bolivia. Che Guevara was someone who showed few contradictions between his life and his writing, and his example continues to win admirers among new generations anxious to explore ways of changing the world.

Che, My Brother - Juan

Martin Guevara 2017-04-21

On 9 October 1967, Ernesto Che Guevara, Marxist guerrilla leader and hero of the Cuban Revolution, was captured and executed by Bolivian forces. When the Guevara family learned from the front pages that Che was dead, they decided to say nothing. Fifty years on, his younger brother,

Juan Martin, breaks the silence to narrate his intimate memories and share with us his views of the character behind one of history's most iconic figures. Juan Martin brings Che back to life, as a caring and protective older brother. Alongside the many practical jokes and escapades they undertook together, Juan Martin also relates the two extraordinary months he spent with the Comandante in 1959, in Havana, at the epicentre of the Cuban Revolution. He remembers Che as an idealist and adventurer and also as a committed intellectual. And he tells us of their parents - eccentric, cultivated, bohemian - and of their brothers and sisters, all of whom played a part in his political awakening. This unique autobiographical account sheds new light on a figure who continues to be revered as a symbol of revolutionary action and who remains a source of inspiration for many who believe that the struggle for a better world is not in vain.

[The Story of Che Guevara](#) -

Lucía Álvarez de Toledo
2011-07-07

An accessible biography of one of the most influential figures of recent times based on new, original research. Che Guevara is something of a symbol in the West. But for the rest of the world he is different: a charismatic revolutionary who redrew the political map of Latin America and gave hope to those resisting colonialism everywhere. In *The Story of Che Guevara* Lucía Álvarez de Toledo follows Che from his birth in Rosario and his early years in his parent's maté plantation, to his immortal motorcycle journeys across South America, his role at the heart of Castro's new Cuban government, and through to the unforgiving jungle that formed the backdrop to his doomed campaigns in the Congo and Bolivia. Based on interviews with Che's family and those who knew him intimately, this is an accessible biography that concentrates on the man rather than the icon. With the political developments in Latin America in the twenty-

first century, his influence can be seen to be even greater than it was during his lifetime and *The Story of Che Guevara* is a perfect introduction to an extraordinary man.

Traveling with Che Guevara

- Alberto Granado 2009-08-19
Published for the first time in the U.S.—one of the two diaries on which the movie *The Motorcycle Diaries* is based—the moving and at times hilarious account of Che Guevara and Alberto Granado's eight-month tour of South America in 1952. In 1952 Alberto Granado, a young doctor, and his friend Ernesto Guevara, a 23-year-old medical student from a distinguished Buenos Aires family, decided to explore their continent. They set off from Cordoba in Argentina on a Norton 500cc motorbike and traveled through Chile, Peru, Colombia, and Venezuela. The duo's adventures vary from the suspenseful (stowing away on a cargo ship, exploring Incan ruins) to the comedic (falling in love, drinking, fighting...) to the serious (volunteering as

firemen and at a leper colony). They worked as day laborers along the way—as soccer coaches, medical assistants, and furniture movers. The poverty and exploitation of the native population started the process that was to turn Ernesto—the debonair, fun-loving student—into Che, the revolutionary who had a profound impact on the history of several nations. Originally published in Spanish in Cuba in 1978, the first English translation was published by Random House UK in 2003. The movie, based on Granado's and Che's diaries, directed by Walter Salles (*Central Station*, *Behind the Sun*), was produced by Robert Redford and others. Shown at the Sundance Film Festival, it generated great reviews and a frenzied auction for distribution rights, which was won by Focus Features. Granado, now 82, was a consultant to Salles during the production. 10 b/w photos.
Che - Spain Rodriguez
2017-10-17
The classic graphic biography of Che Guevara—the most

iconic revolutionary of the twentieth century This dramatic and extensively researched book breathes new life into the story of Ernesto "Che" Guevara. It portrays his revolutionary struggle through the appropriate medium of the underground political comic—one of the most prominent countercultural art forms since the 1960s. Spain Rodriguez's powerful artwork illuminates Che's life and the experiences that shaped him: his motorcycle journey through Latin America, his rise to prominence as a leader in Fidel Castro's revolutionary movement, his travels in Africa, the desperate mission in Bolivia that led to his death, and his extraordinary legacy.

Remembering Che - Aleida
March 2012

Forty-five years after Che's assassination in Bolivia in 1967, his widow and the great love of his life has finally released her memoir of their years together. They met as fellow guerillas during the revolutionary war in Cuba and married in June 1959, a few

months after the revolution. They had four children together. Here, with great passion and poignancy, Aleida describes their shared dreams for the future and their family. *Guevara, Also Known as Che* - Paco Ignacio Taibo, II
1999-08-19

An author's unprecedented access to Latin American political activists brings to life the life and ideals of Che Guevara, a revolutionary gunned down in 1979, in a biography that encompasses a thorough understanding of Che's political and personal details. Reprint. 15,000 first printing.

The Story of Che Guevara -
Lucía Álvarez de Toledo
2011-07-07

An accessible biography of one of the most influential figures of recent times based on new, original research. Che Guevara is something of a symbol in the West. But for the rest of the world he is different: a charismatic revolutionary who redrew the political map of Latin America and gave hope to those resisting colonialism

everywhere. In *The Story of Che Guevara* Lucía Álvarez de Toledo follows Che from his birth in Rosario and his early years in his parent's maté plantation, to his immortal motorcycle journeys across South America, his role at the heart of Castro's new Cuban government, and through to the unforgiving jungle that formed the backdrop to his doomed campaigns in the Congo and Bolivia. Based on interviews with Che's family and those who knew him intimately, this is an accessible biography that concentrates on the man rather than the icon. With the political developments in Latin America in the twenty-first century, his influence can be seen to be even greater than it was during his lifetime and *The Story of Che Guevara* is a perfect introduction to an extraordinary man.

Self Portrait Che Guevara - Ernesto Guevara 2004

An intimate look at the man behind the icon, from the Guevara family's private archives. Includes extraordinary unpublished

short stories and poems written to his wife and children as well as photos from the Guevara family album, showing a surprisingly sensitive and artistic side to the legendary revolutionary. Che's self-portrait photography are a key feature of the selection, presented alongside other material finally released for publication from his family's archives.

Who Was Che Guevara? - Ellen Labrecque 2019-06-04

Viva la revolución! Find out how Che Guevara--a doctor turned communist leader and much more than a face on a T-shirt--ended up paying the ultimate price for his cause. His very image has become associated with a spirit of rebellion, but Ernesto Guevara--known around the world simply as Che--didn't dream of becoming a revolutionary. Author Ellen Labrecque takes readers on a journey through Che's life starting with his childhood in Argentina, to his travels through South and Central America as a young physician, and ending with his

final years as a key player in the Cuban revolution. His legacy--as the author of *The Motorcycle Diaries*, a champion of the poor, and a force for change in Cuba--is both personal and political.

Che Guevara - Stuart A. Kallen 2013

Examines the life of Che Guevara, including his family's background, childhood, education, and groundbreaking work as a revolutionary fighting against poverty.

Companero - Jorge G. Castañeda 2009-07-16

By the time he was killed in the jungles of Bolivia, where his body was displayed like a deposed Christ, Ernesto "Che" Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris. This extraordinary biography peels aside the veil of the Guevara legend to reveal the charismatic, restless man behind it. Drawing on archival materials from three continents and on interviews with Guevara's family and associates, Castaneda follows

Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into a committed revolutionary. He examines Guevara's complex relationship with Fidel Castro, and analyzes the flaws of character that compelled him to leave Cuba and expend his energies, and ultimately his life, in quixotic adventures in the Congo and Bolivia. A masterpiece of scholarship, *Companero* is the definitive portrait of a figure who continues to fascinate and inspire the world over.

[The Death of Che Guevara](#) - Jay Cantor 2011-05-11

In his critically acclaimed epic first novel, Jay Cantor, author of *Krazy Kat* and *Great Neck*, draws on history, myth, and his own prodigious imagination to take on the life and death of revolutionary icon Che Guevara. In his now famous progress through modern times, Ernesto "Che" Guevara, the scion of a liberal Argentine family, abandoned a medical career to become a revolutionary. A fiery comrade of Fidel Castro's who joined

him in overthrowing the Cuban government of Batista, Che later broke with Castro to lead a guerrilla movement in Bolivia. As the novel charts Che's bold evolution, it also offers an incisive look at Latin America's revolutionary struggles, an exploration of the nature of truth and storytelling, and a brilliant exegesis of the psychology of radical activism.

I, Che Guevara - John Blackthorn 2009-10-06

In Cuba, Castro has finally relinquished power. . . . now a mysterious exile (Che Guevara?) returns to finish the revolution. When a strange man appears in rural towns around Cuba quietly advocating a new kind of politics he calls "the True Republic," old-timers begin to suspect that the elderly stranger, who calls himself Ernesto Blanco, may actually be the martyr Ernesto "Che" Guevara. Shortly after Blanco's appearance, Fidel Castro steps down from power in exchange for a commitment from the United States to recognize Cuba and lift the crippling

embargo. Two traditional parties quickly form: one is a successor to the Communist Party and the other is composed of U.S. and Mafia-backed Cuban exiles. As the True Republic movement spreads like wildfire throughout Cuba, each faction devises a plot to get rid of Ernesto Blanco—by assassination if necessary. *Che Guevara* - 2010-10-26
An extraordinary illustrated graphic novel about the legendary political figure Che Guevara. His name is equated with rebellion, revolution, and socialism. His face is on tee-shirts all over the world. Che Guevara's life has been explored and portrayed in numerous books and films, including *The Motorcycle Diaries*, and he continues to captivate the public imagination more than forty years after his death. Guevara became politically active in his native Argentina, but gained notoriety after he met Fidel Castro and became instrumental in Castro's efforts in Cuba. Guevara then went on

to Bolivia, where he was captured and killed by the Bolivian army while trying to incite revolution. This illustrated biography tells the riveting story of Che's life and death through the popular Japanese art form manga.

Hunting Che - Mitch Weiss
2014

Based on government documents and eyewitness testimony, the journalist authors of No Way Out describe the U.S. Special Forces mission that led to the capture and execution of violent revolutionary leader Che Guevara.

Che Guevara - Kiyoshi Konno
2010

'I AM AN ARGENTINEAN, CUBAN, AND ALSO BOLIVIAN. I BELONG NOWHERE, BUT EVERYWHERE.' - CHE GUEVARA His name is equated with rebellion, revolution, and socialism. More than forty years after his death, Che Guevara's life continues to captivate our imagination. From his childhood in Argentina and his wish to become a doctor to his

encounter with Fidel Castro in 1954 and participation in the Cuban revolution, this is the extraordinary life story of a man who changed history. Told through vivid manga, this biography offers a new look at one of the world's most memorable figures.

Che Guevara - Daniel James
2001-03-20

The controversial life and career of Ernesto Ché Guevara (1928-1967) has earned the revolutionary leader admirers and detractors across the world. In his critical biography, Daniel James penetrates the myths that have grown up around Guevara since his death. The biography carefully analyzes the Cold War situations in which Guevara lived and fought, and which turned the young medical student into a guerilla and political theoretician. Ché Guevara: A Biography includes interviews with Guevara's first wife, and extensive information on the revolutionary's early years and family life lacking in other biographies. James also discusses Guevara's actions in

Cuba as a leader in the rebel army of Fidel Castro, covering in detail Guevara's military victories, his post-war executions of anti-Castro prisoners, and his criticism of

Soviet Communism. This unique and unsparing portrait of Guevara includes and an in-depth examination of his last guerilla campaign in Bolivia.
