The Dragon in the Library - Louie Stowell 2021-03-16

In a fast-paced and funny adventure, Kit must use the magic of books to save the library--and its resident dragon--from a power-hungry tycoon. Kit Spencer can't stand reading. She'd rather be outside playing and getting muddy than stuck inside with a book. But when her best friends, Josh and Alita, drag her to the local library, Kit makes an incredible discovery: she's a wizard--and books are the key to her abilities.

Unfortunately, a greedy businessman wants to tear down the beloved library, destroying all its magic. To make matters worse, there's a sleeping dragon hidden there, and if she's awakened, her wild power will wreak havoc. With the help of a friendly dragon-dog hybrid named Dogon, Kit and her companions will have to find a way to save the dragon in the library--and maybe the world! A humorous romp full of library enchantment, with a diverse cast of characters and dynamic illustrations.

[The Monster in the Lake](#) - Louie Stowell 2022-02-08

When wild magic starts causing trouble at the park, wizard Kit and her friends investigate—and find themselves on another journey to save the world. A lively and witty sequel to *The Dragon in the Library*. Kit may be the youngest wizard ever, but she sure doesn't feel like the best wizard. Her magic just keeps going wrong, and other weird stuff is happening, too: talking animals, exploding fireballs, and a very strange new arrival in the local park. Even Dogon (the half dog, half dragon) is droopy! So Kit and her two best friends—animal-whispering Alita and studious Josh—set off with Faith the librarian to investigate this wild magic that's causing so much commotion. Their journey takes them to a Scottish loch, where they meet an eco-conscious wizard and some very grumpy mermaids (careful, they pinch!). But the danger is greater than they imagined, and it will take everybody's help to set things right again. This action-packed adventure features plenty of humor, a diverse cast, and delightful illustrations.

Negotiated Justice and Corporate Crime - Colin King 2018-05-21

This book argues that there is a strong normative argument for using the criminal law as a primary response to corporate crime. In practice, however, corporate crimes are rarely dealt with through criminal sanctioning mechanisms. Rather, the preference – for both prosecutors and corporates – appears to be on negotiating out of the criminal process. Reflecting this emphasis on negotiation, this book examines the use of Civil Recovery Orders and Deferred Prosecution Agreements as responses to corporate crime, and discusses a variety of UK case studies. Drawing upon legal and criminological backgrounds, and with an emphasis on the conceptual frameworks of ‘negotiated justice’ and ‘legitimacy’, the authors examine the law, policy and practice of these enforcement responses. They offer an original, theoretically-informed analysis which is accessible to practitioners and researchers.

"The Winter Soldier brims with improbable narrative pleasures... These pages crackle with excitement... A spectacular success." --Anthony Marra, New York Times Book Review
"A dream of a novel... Part mystery, part war story, part romance." --Anthony Doerr, author of All the Light We Cannot See
Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's

scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, *The Winter Soldier* is the story of war and medicine, of family, of finding love in the sweeping tides of history, and finally, of the mistakes we make, and the precious opportunities to atone.

George and the Ship of Time - Lucy Hawking 2020-07-28

George travels to the future in the epic conclusion of the *George's Secret Key* series from Lucy Hawking. When George finds a way to escape the spacecraft *Artemis*, where he has been trapped, he is overjoyed. But something is wrong. There's a barren wasteland where his hometown used to be, intelligent robots roam the streets, and no one will talk to George about the Earth that he used to know. With the help of an unexpected new friend, can George find out what—or who—is behind this terrible new world, before it's too late?

In Praise Of Imperfe - Rita Levi-Montalcini 1988-05-08

The autobiography of Levi-Montalcini, who won the Nobel Prize for Medicine in 1986. Born in Torino into a middle-class Jewish family, she experienced the rise of fascism and antisemitism in the 1930s-40s (discussed on pp. 73-105). After the promulgation of the racial laws in 1938, it was impossible for her to pursue research at the Neurological Clinic and she continued her work in private. She survived the war hiding in a small town in Italy and later emigrated to the United States.

Queen In 3-D - Brian May 2019-08

In Brian May's own words and more than 300 previously unseen 3-D photographs, *Queen in 3-D* is an insider's look at life with the rock band Queen, told for the first time. The Emotional Load - Emma 2020-08-18

The author of The Mental Load returns with more "visual essays which are transformative agents of change." After the success of The Mental Load, Emma continues in her new book to tangle with issues pertinent to

women's experiences, from consent to the "power of love," from the care and attentiveness that women place on others' wellbeing and social cohesion, and how it constitutes another burden on women, to contraception, to the true nature of gallantry, from the culture of rape to diets, from safety in public spaces to retirement, along with social issues such as police violence, women's rights, and green capitalism. And, once more, she hits the mark.
