Breaking Dawn - Stephenie Meyer 2008-08-02

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Living My Life - Emma Goldman 2006-04-04

Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, *Living My Life* is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era

A Fine Balance - Rohinton Mistry 2010-10-29

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Sapphire Betrayal - D S Murphy 2021-10-04

My mortal enemy seduced me in disguise. I barely survived an attack from his jealous wife. If I can save Isis, and find a way to untangle the threads of Fate, I might be able to stop Zeus before he purges all magic from the world, with the aid of his beautiful and treacherous winged hunters. All I've got is a hellhound and a fallen angel, and a pantheon of brooding, forgotten Greek gods. I think it will be enough. It isn't... not by a longshot. But I'm all we have left. Books in this series: *The Scarlet Thread* *The Golden Shears* *The Emerald Tablet* *The Sapphire Betrayal*

Book 5 coming soon *The Sapphire Betrayal* is book 4 in the Fated Destruction series, a thrilling YA urban fantasy adventure based on Greek mythology. Binge the whole series now and prepare for the epic conclusion!

The Golden Chersonese and the Way Thither - Isabella Lucy Bird 1892

The Scarlet Thread - Derek Murphy 2016-03-02

When angels fall like shooting stars, who can be certain of their fate? Thousands of years ago, Zeus created a legion of hunters to rid the world of magic. They're deadly, inescapable, and blindly loyal to their master. And now they're after me. My name is Kaidance Monroe, and sometimes when I touch people, I see how they die. I've always considered it a curse. After I saw my little brother's death but failed to stop it, my parents abandoned me to a juvenile detention facility. I don't let people touch me any more. Not my fingertips, not my skin, not my heart. Just before I turned 18, I got a visit from a guy with piercing eyes and a devastating smile, who tricked me into giving up my secrets. He said I was special, but he wasn't the only searching for me. I barely escaped with my life. Now I'm in a creepy mansion full of dark secrets, learning how to control abilities so powerful, even the gods are jealous. I didn't mean to make anyone fall for me. Certainly not my would-be killer. And I never imagined how far he would fall. He opened his heart to let me in, and I destroyed his universe. I'll do anything to make it right again, even if it means challenging my own fate. Luckily, I'm the only one who can. Broken promises. Shattered dreams. Bitter remorse. He's taken everything from me. I come to him bare, naked, revealed. Trembling in the darkness. But I can't ask for forgiveness, and I'm not looking for mercy. All I want is revenge - and when I see him again, face-to-face, I know, next time, I'll be strong enough to defeat him. *The Scarlet Thread* is a dark fantasy for fans of Greek mythology and Gothic romance. Fans of *Fallen* and *Percy Jackson* will be captivated by this mashup of fallen angels and forgotten gods. This is PART ONE of the first book in the Fated Destruction series.

The Financial Crisis Inquiry Report - Financial Crisis Inquiry Commission 2011-05-01

The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to "examine the causes, domestic and global, of the current financial and economic crisis in the United States." It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on "the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government." News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film *In Debt We Trust* warned of the economic meltdown in 2006. He has

Behold a Pale Horse - William Cooper 2012-04-11

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

[The Golden Shears](#) - D. S. Murphy 2018-02-20

My name is Kaidance Monroe, and I'm cursed with the gift of sight. I see death. Bloody, violent death. Before it even happens. I was taken in by a mysterious benefactor, who wants to use my abilities to vanquish his oldest enemy. But the dark secrets in my new home drove me away. I don't know where I belong any more - with the fallen angel who has become my protector, or with the immortal deities that are determined for me to join their cause. All I know is I'm being hunted by an army of Zeus's soldiers, tracked by monstrous beasts that want to eat me alive, and running from the one person I want to be with. But when I find the Golden Shears, and claim the power to vanquish gods, everything will change.

Love in the Time of Cholera (Illustrated Edition) - Gabriel García Márquez 2020-10-27

A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

Epigrams of Martial - Marcus Valerius Martialis 1987-01-01

Martial, the father of the epigram, was one of the brilliant provincial poets who made their literary mark on first-century Rome. His Epigrams can be affectionate or cruel, elegiac or playful; they target every element of Roman society, from slaves to schoolmasters to, above all, the aristocratic elite.

Invisible Man - Ralph Ellison 2014-08-14

'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

Many of the paintings "draw references from specific, well-known stories", but are intended to express "meaning related to contemporary life, rather than storytelling."--The Introduction, p. 4.

A Stitch in Time - Kelley Armstrong 2020-10-13

Escape into this time travel romance series by #1 New York Times bestselling fantasy author Kelley Armstrong... Thorne Manor has always been haunted...and it has always haunted Bronwyn Dale. As a young girl, Bronwyn could pass through a time slip in her great-aunt's house, where she visited William Thorne, a boy her own age, born two centuries earlier. After a family tragedy, the house was shuttered and Bronwyn was convinced that William existed only in her imagination. Now, twenty years later Bronwyn inherits Thorne Manor. And when she returns, William is waiting. William Thorne is no longer the boy she remembers. He's a difficult and tempestuous man, his own life marred by tragedy and a scandal that had him retreating to self-imposed exile in his beloved moors. He's also none too pleased with Bronwyn for abandoning him all those years ago. As their friendship rekindles and sparks into something more, Bronwyn must also deal with ghosts in the present version of the house. Soon she realizes they are linked to William and the secret scandal that drove him back to Thorne Manor. To build a future, Bronwyn must confront the past. * * * * * Keywords: award-winning novel; time travel novel; time slip; Victorian romance; bestselling author; gothic; second chance at love; cold-case mystery; haunted house; Yorkshire moors; first in series; no cliffhangers

[The Shadow Behind the Stars](#) - Rebecca Hahn 2015-09-01

A girl's dark destiny could cause the unraveling of the world in this "shattering and transcendent" (Kirkus Reviews, starred review) novel from the author of *A Creature of Moonlight*. Heed this warning, mortal: stay far away from the three sister Fates. For if they come to love you, they might bring about the end of the world... Chloe is the youngest. Hers are the fingers that choose the wool, that shape the thread, that begin it. The sun smiles upon her. Men love her without knowing who she is. She has lived forever and will live forever more. She and her sisters have been on their isolated Greek island for longer than any mortal can remember. They spin, measure, and slice the countless golden threads of human life. They are the three Fates, and they have stayed separate for good reason: it is dangerous for them to become involved with the humans whose lives they shape. So when a beautiful girl named Aglaia shows up on their doorstep, Chloe tries to make sure her sisters don't become attached. But in seeking to protect them, Chloe discovers the dark power of Aglaia's destiny. As her path unwinds, the three Fates find themselves pulled inextricably along—toward mortal pain, and mortal love, and a fate that could unravel the world.

Absence of Blade - Caitlin Demaris McKenna 2017-09-14

This isn't about victory. This is about survival. Mose Attarish isn't used to making mistakes. As an intelligence agent on the contested world Olios 3, he gathers the intel to direct the Osk's operatives into every chink in the Terran forces' armor. Through sabotage, espionage, and assassinations, the Osk have held their own in the war for Olios 3 - barely. Every failed mission brings the war's end nearer, and when faulty intel nearly kills one of his operatives, Mose takes it hard. Gau Shesharrim doesn't blame Mose for what happened. Bad intel is one of the risks of the job, and it's a job Gau wouldn't trade for any other. But his latest brush with death has made even this seasoned assassin consider the merits of early retirement. Too bad the top brass don't care what Gau wants. Shomoro Lacharoksa follows a mission apart from the rest of the colony. In a lonely base, she researches the technologies that give the Terrans their invisible edge, hoping to bolster the Osk's foundering campaign. It might not be enough. The Terrans are doing research of their own, and no one—not even the Terrans themselves—is prepared for what they will unleash. Content warning: This book contains a scene of ambiguous consent. ----- What's special about the Expansion series and why might readers want to pick it up? A lot of fictional galactic empires start from one of two positions: either we are surrounded by aliens that are an active threat to the human republic, or we are alone in the universe. In the Terran Expansion, I wanted to create an empire whose relations with its alien neighbors were more nuanced, yet still contentious. I wrote the story primarily from the perspective of the Osk, an alien species that has clashed with the Expansion's empire several times, to explore what a human galactic republic might look like from a nonhuman perspective. What made you decide to write science fiction? I've always been fascinated by outer space and the possibility of alien invasion and interstellar colonization. Short of becoming a theoretical exobiologist (they do exist!), writing science fiction has allowed me to indulge my imagination while asking some big questions about our place in the universe, including whom we might share it with. Where can readers find you? I blog about writing and science fiction over at my website, The Expansion Front. For a limited time, when they visit the site, subscribers can download free alien concept art, including an early cover draft! I'm also on Twitter @CaitlinDMcKenna and Facebook @CaitlinDemarisMcKenna. See you there!

Golden Retrievers For Dummies - Nona Kilgore Bauer 2011-03-16

For the past decade, the Golden Retriever has ranked among the five most popular breeds registered with the AKC, with more than 65,000 Golden Retrievers registered every year. The Golden Retriever's personality is as golden as his outer coat. He was bred to please, and please he does. He started out as a hunting partner who delivered birds to hand and has evolved into modern times delivering whatever suits his owner's fancy. Because Golden Retrievers were originally bred to work in tandem with humans, they are also highly trainable. *Golden Retrievers For Dummies* is intended for busy 21st century dog owners who don't have time to sit down and read through 300 pages at a crack. This is a reference you can jump in and out of as dog questions rear their furry heads. This handy guide is also for you if you own a Golden Retriever or thinking about getting one. You've just brought home a Golden pup. You want to find the best way to raise and train your Golden. You want to help your Golden to not just survive but to thrive. Find out what it takes to own this active, intelligent, and friendly dog. Explore the Golden's personality traits and living requirements. Discover which diseases are hereditary. This reference guide covers all the aspects of dog ownership, including: Looking at breeders, rescue groups, and animal shelters Adopting and caring for older dogs Selecting a puppy with help from an established testing process Dog-proofing your house and yard Crate training, housetraining, and obedience training Canine communication and growing pains Feeding, exercising, and playing with your Golden Dealing with illness, problem behavior, and treatment Grooming for health and beauty If you're serious about this Golden business and not just caving in to the kids or some other wild impulse, follow the advice of responsible dog owners and breeders. Look deep into your dog-loving soul and carefully consider the big picture. Love alone is not enough.

"Vampire Academy meets Hunger Games." ♥️♥️♥️♥️♥️♥️ YABookWormAn arrogant vampire prince. A scarred rebel. A love that could destroy the kingdom. All I wanted was freedom. Instead, I'm married off to an elite prince; a symbol to unite the two races. It was the perfect system. My body and blood, in exchange for the healing elixir and the purification engines that guard against the poisonous sky. But once I reach the palace citadel, I discover more dangers than beasts outside the gates, and more power than I ever imagined. When a buried secret shatters my identity, I'll do anything to uncover the truth. My immortal husband - the gorgeous prince Damien - is hiding things from me, and when he discovers who I really am, I'm not sure he'll have the power to save me. But if I can unlock my new abilities, I might be strong enough to save us both--as long as his father doesn't kill me first. Live together, die apart. It was a perfect system for nearly a century. Until me." This book slightly reminded me of a mixture of *The Selection*, *The Hunger Games*, and *Twilight* series. Nice sweet combination of everything great. If you like dystopian romances or scientifically-made vampires, get this one. "A

compelling tale full of raw emotions, tentative romance, beguiling mysteries, dangerous secrets and gut wrenching heartbreak." □□□□
"This book is better than Twilight/Vampire Novels. It's so addicting that you won't want to put it down. Dark/Ya/Dystopian at its finest." □□□□
Fans of Twilight and Hunger Games are devouring this seductive vampire romance, set in a uniquely dystopian kingdom full of poisonous ash and courtly intrigue. If you love Gothic literature like Dracula, dark and brooding mysteries, and just enough gore and romance to keep things interesting, this book will keep you enthralled until the twisted ending.
