Love and Other Words - Christina Lauren
2018-04-10

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel Love and Other Words...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her

life—the careful bubble she’s constructed begins to dissolve. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy’s decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

Look Closer - David Ellis 2022-07-05

“Suspenseful, sexy, involving, twisty and twisted.”—James Patterson “A dizzyingly clever thriller. Endlessly surprising and great fun.”—Lisa Scottoline From the bestselling and award-winning author comes a wickedly clever and fast-paced novel of greed, revenge, obsession—and quite possibly the perfect murder. Simon and Vicky couldn’t seem more normal: a wealthy Chicago couple, he a respected law professor, she an advocate for domestic violence victims. A stable, if unexciting marriage. But one thing’s for sure ... absolutely nothing is what it seems. The pair are far from normal, and one of them just may be a killer. When the body of a beautiful socialite is found hanging in a mansion in a nearby suburb, Simon and Vicky’s secrets begin to unravel. A secret whirlwind affair. A twenty-million-dollar trust fund about to come due. A decades-long grudge

and obsession with revenge. These are just a few of the lies that make up the complex web...and they will have devastating consequences. And while both Vicky and Simon are liars, just who exactly is conning who? Part *Gone Girl*, part *Strangers on a Train*, *Look Closer* is a wild rollercoaster of a read that will have you questioning everything you think you know.

Death of the Territories - Tim Hornbaker

2018-09-18

For decades, distinct professional wrestling territories thrived across North America. Each regionally based promotion operated individually and offered a brand of localized wrestling that greatly appealed to area fans. Promoters routinely coordinated with associates in surrounding regions, and the cooperation displayed by members of the National Wrestling Alliance made it easy for wrestlers to traverse the landscape with the utmost freedom. Dozens of territories flourished between the 1950s and late '70s. But by the early 1980s, the growth of cable television had put new outside pressures on promoters. An enterprising third-generation entrepreneur who believed cable was his opportunity to take his promotion national soon capitalized on the situation. A host of novel ideas and the will to take chances gave Vincent Kennedy McMahon an incredible advantage. McMahon waged war on the territories and

raided the NWA and AWA of their top talent. By creating WrestleMania, jumping into the pay-per-view field, and expanding across North America, McMahon changed professional wrestling forever. Providing never-before-revealed information, Death of the Territories is a must-read for fans yearning to understand how McMahon outlasted his rivals and established the industry's first national promotion. At the same time, it offers a comprehensive look at the promoters who opposed McMahon, focusing on their noteworthy power plays and embarrassing mistakes.
