**Unconventional Vehicles** - Michael Hearst 2021-05-18

Think you know vehicles? Think again! Unconventional Vehicles is a nonfiction collection of 45 of the strangest, most unconventional vehicles that have ever existed. Vehicles include an underwater battery-powered scooter, a carriage pulled by ostriches, a hot air balloon shaped like the Cathedral of Saint Gall, and five different jet packs. • Filled with history, science, technology, engineering, and

interesting bits of trivia, all in one kid-appealing package • Part of the Uncommon Compendiums series • Vehicles range from submersibles to dirigibles. Unconventional Vehicles explores very strange modes of transportation for vehicle fans, rocket inventors, budding space-and-aeronautics experts, and anyone who's ever thought, "Why can't I ride a motorized suitcase through the airport?" Brimming with fascinating facts and diagrams presented with wit and humor, this book is sure to enthrall vehicle enthusiasts of every age. • Ideal for children ages 8 to 12 years old, especially those interested in vehicles and engineering • Author Michael Hearst brings his signature verve and humor to this fascinating read. • Young readers will devour all the substantive and silly content in this book, proving definitively that nonfiction is anything but dry. • A great pick for teachers, parents, grandparents, and caregivers • You'll love this book if you love books like Cars, Trains, Ships, and Planes: A Visual Encyclopedia of Every Vehicle by DK; Stephen Biesty's Incredible Cross-Sections by Stephen Biesty; and Cool Cars by Quentin Willson.

Music in Words - Trevor Herbert 2009-02-12

Music in Words is a compact guide to researching and writing about music, addressing all the issues that anyone who writes about music--from students to professional musicians and critics--may confront when putting together anything from brief program notes to a lengthy thesis. The book is a writing guide and a reference manual in one: the first part, a "how to" section, offers a clear explanation of the purpose of music research and how it is to be done, including basic introductions to the most necessary tools for musical inquiry (with special

emphasis on strategic use of the internet), and how they can be accessed and used. The second part is a compendium of information on style and sources for quick reference, including a straightforward presentation of the purpose and use of citation and reference systems as they are applied to and in music. As a whole, the volume gives readers a clear picture of how to write about music at different levels and for different purposes in a handy, thoroughly cross-referenced format. This American edition has been thoroughly revised and expanded, and features an extensive section on writing for the Internet and new sections on writing for jazz, popular music, world musics, and ethnography. Additionally, a companion website presents a broad range of writing samples and links to key resources.

**Overcoming School Refusal** - Joanne Garfi

2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

• types of school refusers
