Spiritual Jewels for a Christian Journey - Dr. Frank E. Ray 2021-06-10

In this book, *Spiritual Jewels for a Christian Journey*, Dr. Frank E. Ray, Sr., gives situations that will help strengthen the family on their Christian journey, while unfolding biblical insights and practical wisdom. It will encourage the family in their works and walk with the Lord in hope of leading each family member through an identity change for growth in Christ. As God continues to speak through this man of God, in 2019, after preaching a family series, Dr. Ray was led to assemble his messages and sermons into this printed format. Each outlined chapter is made to serve as a guide for the husband's, wife's, and child's roles in the family in the manner of which they should conduct themselves as a Christian. On this journey, we will have challenges, but know

that you are not alone. While experiencing those challenges, trust in God. When weaknesses and/or perhaps failures seem to overwhelm your hearts, remember to refer to the *Spiritual Jewels for a Christian Journey* as a helpful tool with the Word of God.

Pioneer Jews - Harriet Rochlin 2000

Contributions of the Jewish men and women who helped shape the American frontier. *Introduction to the Practice of African American Preaching* - Frank A. Thomas 2016-11-15
The *Introduction to African American Preaching* is an important, groundbreaking book. This book acknowledges African American preaching as an academic discipline, and invites all students and preachers into a scholarly, dynamic, and useful exploration of the topic. Author Frank Thomas opens with a "bus tour" study of African American preaching. He shows how African American preaching has gradually moved from an almost exclusively oral to an oral/written tradition.

Readers will gain insight into the history of the study of the African American preaching tradition, and catch the author's enthusiasm for it. Next Thomas traces the relationship between homiletics and rhetoric in Western preaching, demonstrating how African American preaching is inherently theological and rhetorical. He then explores the question, "what is black preaching?" Thomas introduces the reader to methods of "close reading" and "ideological criticism." And then demonstrates how to use these methods, using a sermon by Gardner Calvin Taylor as his example. The next chapter considers the question, "what is excellence in black preaching?" The next chapter seeks to create bridges and dialogue within the field of homiletics, and in particular, the Euro-American homiletic tradition. The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the

field of homiletics. Thomas next turns to questions about the relevancy of the church to the Millennial generation. Specifically, how will the African American church remain relevant to this generation, which is so deeply concerned with social justice?

**Practical Lectures on
Romans** - J. Frank Norris

2016-05-10

This is the climax of God's revelation of His will to a lost world, and given through the greatest mind of all times. What a blessing it has been to my soul, these studies, made on our tour clear around the world. I studied it night and day. It was my meditation on land and sea. Whether in the snow-capped majestic Alps or in the desert sands of Arabia, whether in the storms of the Atlantic, or in the quiet calm of the "Pacific, my soul fairly rejoiced in this the greatest, the highest mountain peak of divine revelation. Often I would bow my head in humiliation, confess my sins, that I would ever complain or hesitate one second's time to proclaim the gospel of the Son of God. I could wish I could roll back the hands of time and begin once more the simple ministry of an earnest country preacher.

Love Your Church - Tony
Merida 2021-06-01

How to grow in love for your church. God calls us to be "devoted to one another in love" (Romans 12:10). What does this look like for us today? How can we be the kind of church member who makes a real difference? This engaging book by Tony Merida explores what church is, why being part of it is exciting, and why it's worthy of our love and commitment. He sets out eight privileges and responsibilities of a church member: to belong, to welcome, to gather, to care, to serve, to honour, to witness and to send. As we see how wonderful it is to belong to God's family and be a part of his amazing witness to both the earthly and the heavenly realms, we'll grow in our love for and commitment to our local church. This is a great book for every churchgoer to

American Jewish Women's History - Pamela S. Nadell
2003-04-05

"It gives me a secret pleasure to observe the fair character our family has in the place by Jews & Christians," Abigail Levy Franks wrote to her son from New York City in 1733. Abigail was part of a tiny community of Jews living in the new world. In the centuries that followed, as that community swelled to several millions, women came to occupy diverse and changing roles. American Jewish Women's History, an anthology covering colonial times to the present, illuminates that historical diversity. It shows women shaping Judaism and their American Jewish communities as they engaged in volunteer activities and political crusades, battled

stereotypes, and constructed relationships with their Christian neighbors. It ranges from Rebecca Gratz's development of the Jewish Sunday School in Philadelphia in 1838 to protest the rising prices of kosher meat at the turn of the century, to the shaping of southern Jewish women's cultural identity through food. There is currently no other reader conveying the breadth of the historical experiences of American Jewish women available. The reader is divided into four sections complete with detailed introductions. The contributors include: Joyce Antler, Joan Jacobs Brumberg, Alice Kessler-Harris, Paula E. Hyman, Riv-Ellen Prell, and Jonathan D. Sarna.

physician, a biologist who pioneered the breeding of blight-free strains of potatoes, a Jewish nationalist, and a race scientist. A well-known figure in his own time, *The Last Anglo-Jewish Gentleman* restores him to his place in the history of British science and the British Jewish community. Redcliffe Salaman was also a leading figure in the Anglo-Jewish community in the 20th century. At the same time, he was also an incisive critic of the changing character of that community. His groundbreaking book, *The History and Social Influence of the Potato*, first published in 1949 and in print ever since, is a classic in social history. His wife Nina was a feminist, poet, essayist, and translator of medieval Hebrew poetry. She was the first (and to this day, only) woman to deliver a sermon in an Orthodox synagogue in Britain. *The Last Anglo Jewish Gentleman* offers a compelling biography of a unique individual. It also provides insights into the life of English Jews during the

late-19th and early-20th centuries and brings to light largely unknown controversies and tensions in Jewish life.

Meditations - Roger Lee Ray
2019-07-18

"Roger Ray's frank and thoughtful meditations are a welcome addition to the growing library of liturgical resources for those who no longer subscribe to the dogmas and superstitions of traditional religion. They provide a timely illustration of how progressive communities can repurpose the useful insights and practices of the faith cultures from which they have emerged. In this case, Roger Ray strips the practice of 'prayer' of reference to a supernatural deity and focuses instead on its potential to aid individuals and communities in positive growth and transformation. These meditations declare, and thus reinforce, progressive values, intentions, and hopes, and they do so with courage and clarity. They will appeal across a broad spectrum of progressive, humanist, and nonreligious communities."--Anastasia E.

"Traditional 'prayer' is directed to the interventionist, theistic God, but such prayer is increasingly irrelevant to progressive thinkers. However, here in Roger Ray's latest book is a different kind of prayer based upon years of his own faith journey. These are insightful and developed for individual and community-based social justice challenges. The prayers are arranged in themes that demonstrate deep discernment and offer an exploration into the real heart of who we are." --John Churcher, Public Theologian and Former Chair of the Progressive Christianity Network Britain "Meditations is both a lovely and essential book for communities of faith committed to remaining relevant in the twenty-first century. Beyond that, it is the perfect accompaniment for any individual on a progressive spiritual journey. These meditations are poetry: easily digestible--conducive, even, to

memorization--but profound and guaranteed to linger in the reader's consciousness. This is the sort of bedside book that will make you a better person for having it." --Nicole Fisk, Associate Director of First Year English, University of South Carolina -- back cover [Coming to Terms with America](#) - Jonathan D. Sarna 2021-09 Culling the finest thinking of renowned historian Jonathan D. Sarna, *Coming to Terms with America* examines how Jews have long "straddled two civilizations," endeavoring to be both Jewish and American at once, from the American Revolution to today.

The Shinar Directive -

Michael Lake 2014-11-25

The Shinar Directive serves as a kingdom intelligence briefing for God's people in the twenty-first century. On the ancient plains of Shinar, an evil was

born: The first world king, the prototype transhuman, the ultimate despot, the Son of Perdition--Nimrod. In Babylon, the Son of Perdition devised the Shinar Directive: the enslaving of humanity and the war against the God of Heaven. God's intervention at the Tower of Babel only delayed his hellish plans. The Luciferian Elite now control three key circles of influence in the world: financial, political, and religious. However, controlling these three systems was not enough. The laborers of Mystery Babylon have been quietly planning and waiting for thousands of years for the releasing of the Watchers of Genesis 6. Now armed with developing Watcher technologies, the Elite will use transhumanism and mind control to build the Joel chapter 2 army: the army of the Antichrist. We are beginning to realize that the mark of the Beast and the image of the Beast are much more than we could have ever imagined; beyond an implant and beyond a physical mark,

they will affect DNA and who we are at a molecular level! As the powers of Mystery Babylon gather to create the new Tower of Babel and prepare for the Son of Perdition's return, Heaven is issuing a clarion call to the Remnant: Know the strategies of the enemy, untangle yourself from it, and become the victorious Church! Heaven's Jewish Apostle of Love, John, reveals the coming conflict in his book of Revelation and provides the ancient Hebraic wisdom encoded in 1 John to equip the bondservants of Messiah with the tools of the kingdom to overcome the Shinar Directive!

person. For millions, Graham was less a preacher than a Protestant saint. While remaining orthodox at the core, over time his approach on many issues became more irenic and progressive. And his preaching continued to resonate, propelled by his powerful promise of a second chance. Drawing on decades of research on Billy Graham and American evangelicalism, Grant Wacker has marshalled personal interviews, archival research, and never-before-published photographs from the Graham family and others to tell the remarkable story of one of the most celebrated Christians in American history. Where Wacker's previous work on Graham, *America's Pastor*, focused on the preacher's relation to the nation's culture, *One Soul at a Time* offers a sweeping, easy-to-read narrative of the life of the man himself.

They also reveal a great deal about how rabbis guide their communities through the challenges of their times. The sermons reproduced here were delivered by rabbis from across the Jewish spectrum, and each is accompanied by a comprehensive introduction and detailed notes.

I Don't Have Enough Faith to Be an Atheist - Norman L. Geisler 2021-05-17

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This volume will be an interesting read for those skeptical about Christianity, as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith.
