The High Girders - John Prebble 2021-05-27

'A tale of irresponsibility and inexperience' THE TIMES 'Graphically written with a sense of dramatic construction' SCOTSMAN On December 28th 1879, the night of the Great Storm, the Tay Bridge collapsed, along with the train that was crossing, and everyone on board... This is the true story of that disastrous night, told from multiple viewpoints: The station master waiting for the train to arrive - who sees the approaching lights simply vanish. The bored

young boys watching from their bedroom window who witness the disaster. The dreamer who designed the bridge which eventually destroyed him. The old highlanders who professed the bridge doomed from the outset. The young woman on the ill-fated train, carrying a love letter from the man she hoped to marry... THE HIGH GIRDBERS is a vivid, dramatic reconstruction of the ill-omened man-made catastrophe of the Tay Bridge disaster - and its grim aftermath.

The Ghost of Glencoe - Alison Hill 2019-02-28

The story of the Massacre of Glencoe in 1692 is still widely told around the Highlands of Scotland. The Campbell Dragoons came, asking for shelter from the Glencoe MacDonalds. They were fed and housed for two weeks before they arose one night and butchered their hosts in their beds. Anna takes her two small sons to a cottage in Glencoe for the summer. She meets Calum, who is dealing with a crazed ex-girlfriend, Helena, but there is something more sinister lurking around Anna's cottage. Her six-year-old son is talking to ghosts and Anna is having violent dreams, reliving the night of the massacre as Kirstin MacDonald, who died horribly from frostbite, screaming for her missing son, two weeks after the massacre. With the help of an eccentric local historian and his sidekick, they try to save Anna's son from Kirstin's ghost, but things are not what they seem.

No Great Mischief - Alistair MacLeod 2012-01-11

Alexander MacDonald guides us through his family's mythic past as he recollects the heroic stories of his people: loggers, miners, drinkers, adventurers; men forever in exile, forever linked to their clan. There is the legendary patriarch who left the Scottish Highlands in 1779 and resettled in "the land of trees," where his descendents became a separate Nova Scotia clan. There is the team of brothers and cousins, expert miners in demand around the world for their dangerous skills. And there is Alexander and his twin sister, who have left Cape Breton and prospered, yet are haunted by the past. Elegiac, hypnotic, by turns joyful and sad, *No Great Mischief* is a spellbinding story of family, loyalty, exile, and of the blood ties that bind us, generations later, to the land from which our ancestors came.

Clan, King, and Covenant - John Leonard Roberts 2000

Clan, King and Covenant explores the turbulent history of the Highlands during the seventeenth century. The signing of the National Covenant in 1638 first challenged the powers of Charles I in Scotland, but it was only when Alisdair MacDonald joined Montrose in raising the Royalist clans that the country erupted into civil war. Central to the conflict was the ancient enmity between the MacDonalds and the Campbells, Earls of Argyll, as clan Donald attempted to reclaim their ancestral lands in Argyll. There followed a whirlwind year of spectacular victories for Montrose in the name of the King as the Highland clans emerged upon the national stage, before his campaign subsided into eventual defeat. However it was only after the Restoration of Charles II that a bitter and protracted struggle broke out between Church and Crown, after Bishops were reappointed to the national Church. Political and religious tensions mounted with the accession of James VII of Scotland (James II of England) as a Catholic *William Wallace* - James Mackay 2012-01-27 Sir William Wallace of Ellerslie is one of history's greatest heroes, but also one of its greatest

enigmas - a shadowy figure whose edges have been blurred by myth and legend. Even the date and place of his birth have been mis-stated - until now. James Mackay uses all his skills as a historical detective to produce this definitive biography, telling the incredible story of a man who, without wealth or noble birth, rose to become Guardian of Scotland. William Wallace, with superb generalship and tactical genius, led a country with no previous warlike tradition to triumph gloriously over the much larger, better-armed and better-trained English forces. Seven hundred years later, the heroism and betrayal, the valiant deeds and the dark atrocities, and the struggle of a small nation against a brutal and powerful empire, still create a compelling tale.

At 3 p.m. on the 13th February, a huge army of soldiers swept into the remote Highland Valley of Glencoe, a stronghold of the MacDonald clan. The Master of the Stair sent them there. Cruel and ambitious, he did not shrink from mass murder to satisfy his lust for power. Jock Campbell led them. At last his chance had come to rid Scotland of his old enemies and reign supreme in the Highlands. Delia tried to stop them. A beautiful Jacobite spy, she risked her life to warn the MacDonalds and save the man she loved. Fighting against time and the evil madness of her opponents, Delia plotted secretly

to avert the threatened tragedy.

Glencoe - Muireall Donald 1997-01-01

"In 1693 Scotland, the sacred life-style of honor above all else is in jeopardy due to a monstrous treachery. MacIaian MacDonald hosted and feted Robert Campbell, but that same night, Robert's men attacked and killed most of the MacDonald clan. The small number who survived owed their very existence to the few Campbell men who still held honor as a lofty trait. Niall MacDonald has become a chieftain due to the nefarious incident and like the other survivors of his clan seeks revenge. He is too smart to openly defy the powerful Campbells, so he and his men abduct Meg and Elizabeth Campbell to hold as hostages. In spite of a bloody family feud that threatens to engulf them because they, by their births, are on separate sides, still fall in love with each other. However, in seventeenth century Scotland, love is an expensive emotion that cannot survive the feuding"--Amazon.com.

The Massacre in History - Mark Levene 1999

Six papers from a March 1995 conference in Warwick, England, and seven additional commissioned essays span from the 11th century to the early 1990s and from western Europe to China. The historian authors explore such issues as what a massacre is, when and why it happens, cultural and political frameworks, how human societies respond, social and economic repercussions, and whether they are catalysts for change. They suggest that the massacre is often central to the course of human development and societal change. Annotation copyrighted by Book News, Inc., Portland, OR

Clan Donald - Donald J. Macdonald 2008-01-18

"This is a valuable work, and undoubtedly will become the reference book for all those many people interested in the history of our Clan, and indeed those interested in the history of the Kingdom of the Isles and of Scotland." --The Right Honorable Godfrey James Macdonald, high

chief of Clan Donald Based on the three volumes also entitled Clan Donald, first published between 1896 and 1904 by Rev. Drs. Archibald Macdonald of Kiltarlity and Angus Macdonald of Killearnan, Clan Donald covers a period of six hundred years, from the foundation of the Lordship of the Isles until 1746, when the clans ceased to exist as separate organized entities. Clan Donald is not the history of one clan, but of several important clans that descend from the old Kingdom of Macdonald. Each of these clans played its part in the history of Scotland until the final disaster of Culloden. Beginning with Somerled, and culminating in an overview of how the Celtic and Roman Churches were influenced by Clan Donald, this book is an all-encompassing reference book of interest not only to members of the Clan, but also to students of the Western Highlands and Isles. Chapters include "Angus Mor (1249-1300)," "John of Islay (1330-1386)," "The Macdonalds of Dunneveg and the Glens," "The MacDonalds of Keppoch," and "After the Lordship." Illustrations of the arms of clans, photographs of the Scottish landscape, and genealogical charts, maps, and plans make Clan Donald an invaluable guide to what the high chief of Clan Donald calls "an exceedingly complex" history, "certainly not a history to be absorbed readily at a first reading."

The Psychology of Genocide, Massacres, and Extreme Violence: Why Normal People Come to Commit Atrocities - Donald G. Dutton 2007-05-30

Chronicling horrific events that brought the 20th century to witness the largest number of systematic slaughters of human beings in any century across history, this work goes beyond historic details and examines contemporary psychological means that leaders use to convince individuals to commit horrific acts in the name of a political or military cause. Massacres in Nanking, Rwanda, El Salvador, Vietnam, and other countries are reviewed in chilling detail. But the core issue is what psychological forces are behind large-scale killing; what psychology can be used to indoctrinate normal people with a Groupthink that moves individuals to mass murder brutally and without regret, even when the victims are innocent children. Dutton shows us how individuals are convinced to commit such

sadistic acts, often preceded by torture, after being indoctrinated with beliefs that the target victims are unjust, inhuman or viral, like a virus that must be destroyed or it will destroy society.

Bonnie Prince Charlie and the Jacobites - David Forsyth 2017-06-23

In the summer of 1745 'Bonnie Prince Charlie', grandson of James VII and II landed on the Isle of Eriskay in the Outer Hebrides of Scotland. He would be the Jacobite Stuarts' last hope in the fight to regain the three kingdoms of England, Scotland and Ireland. A major new exhibition on Bonnie Prince Charlie and the Jacobites opens at the National Museum of Scotland, and tells a compelling story of love, loss, exile, rebellion and retribution. It will challenge many of the misconceptions that still surround this turbulent period in European history. This book has eight specially commissioned essays on the Jacobites and includes a catalogue that showcases the rich wealth of objects in the exhibition. Exhibition: National Museums of Scotland, Edinburgh, UK (23.06.-12.11.2017).

Things Fall Apart - Chinua Achebe 2013-04-25
Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically

off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

Song Of The Rolling Earth - John Lister-Kaye
2017-10-05

Conservationist and naturalist John Lister-Kaye, founder of the Aigas Field Centre, writes about his life in the glens, the wildlife that surrounds him and the primeval magical exchange that takes place between man and nature once so central to ancient civilisations. He describes finding the ruined nineteenth-century estate that is to become Aigas, taking it over and turning it into a going concern as an Educational Centre, and his own personal motivation, following the Torrey Canyon oil spillage and natural disasters in the 1960s, to become a conservationist. Interspersed within the narrative detail are engaging and enlightening descriptions of flora and fauna. John Lister-Kaye carries the reader very effectively into the minute worlds he observes and backs up keen scrutiny with facts and figures. *SONG OF THE ROLLING EARTH* is a notably entertaining and enlightening addition to the canon of naturalist writing that includes Gavin Maxwell's *RING OF BRIGHT WATER*, Henry Williamson's *TARKA THE OTTER* and the works of Gerald Durrell.

Glencoe: the Story of the Massacre - John Prebble 1966

The Highland Clearances - John Prebble
1982-03-25

In the terrible aftermath of the moorland battle of Culloden, the Highlanders suffered at the hands of their own clan chiefs. Following his magnificent reconstruction of Culloden, John Prebble recounts how the Highlanders were deserted and then betrayed into famine and poverty. While their chiefs grew rich on meat and wool, the people died of cholera and starvation or, evicted from the glens to make way for sheep, were forced to emigrate to foreign lands. 'Mr Prebble tells a terrible story excellently. There is little need to search further to explain so much of the sadness and emptiness

of the northern Highlands today' The Times.

Mutiny - John Prebble 2001-04

An account of the mutinies in Highland regiments, beginning with the noble revolt of the Black Watch at Finchley in 1743 and ending with the mutiny of the starving Fencibles on Glasgow Green in 1804. This book completes Prebble's account of the Highland clans, which he began in Culloden.

The Highland Clans - Alistair Moffat 2010

A compelling and beautifully illustrated history of Scottish clans and their leaders.

Scots and Catalans - J. H. Elliott 2018-08-02

A landmark account that reveals the long history behind the current Catalan and Scottish independence movements A distinguished historian of Spain and Europe provides an enlightening account of the development of nationalist and separatist movements in contemporary Catalonia and Scotland. This first sustained comparative study uncovers the similarities and the contrasts between the Scottish and Catalan experiences across a five-hundred-year period, beginning with the royal marriages that brought about union with their more powerful neighbors, England and Castile respectively, and following the story through the centuries from the end of the Middle Ages until today's dramatic events. J. H. Elliott examines the political, economic, social, cultural, and emotional factors that divide Scots and Catalans from the larger nations to which their fortunes were joined. He offers new insights into the highly topical subject of the character and development of European nationalism, the nature of separatism, and the sense of grievance underlying the secessionist aspirations that led to the Scottish referendum of 2014, the illegal Catalan referendum of October 2017, and the resulting proclamation of an independent Catalan republic.

The Massacre of Glencoe - John Buchan 1933

A reconstruction and interpretation of the events leading to the massacre of Glencoe.

April Morning - Howard Fast 2011-12-13

Howard Fast's bestselling coming-of-age novel about one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam

Cooper stands among the outmatched patriots, facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will be the starting point of the American Revolution—and when Cooper becomes a man. Sweeping in scope and masterful in execution, *April Morning* is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

Glencoe and the Indians - James Hunter 2011-06-17

In 1876, they wipe out General George A. Custer and his 7th Cavalry at the Battle of the Little Bighorn. Chief Sitting Bull and his Sioux people then flee from the United States to Canada. There, in the autumn of 1877, the Sioux are joined by the remnants of the latest Indian nation to make a stand against the US Army, the Nez Perce. Their survivors are led by Chief White Bird. A young man follows White Bird to Sitting Bull's camp. He is White Bird's close relative and aims to tell the story of the Nez Perce War from the Nez Perce point of view. This young man's name is Duncan McDonald. Descended from chiefs of the Nez Perce and from chiefs of Scotland's most formidable clan, Duncan's family - first as Highlanders, then as Native Americans - have twice been victims of massacre and dispossession. Written with the help of Duncan McDonald's present-day kinsfolk on the Flathead Indian Reservation in Western Montana, this real-life family saga spans two continents and more than thirty generations to link Scotland's clans with the native peoples of the American West.

The Masque of the Red Death - Edgar Allan Poe 2020-08-01

"The Masque of the Red Death", originally published as "The Mask of the Red Death: A Fantasy", is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball within seven rooms of the abbey, each decorated with a

different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose "costume" proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though

some critics advise against an allegorical reading. Many different interpretations have been presented, as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in Graham's Magazine and has since been adapted in many different forms, including a 1964 film starring Vincent Price.
