*The Peculiar Case of the Missing Mondrian* - K.J.Heritage 2022-05-03

Imagine if your life was spent at the mercy of coincidence... A missing multi-million-pound painting, an insistent ex who won't take no for an answer, and a ruthless media Baron who always gets his way. What could possibly go right? Serial life avoider and semi-professional layabout, Jim Riven, is not particularly good at anything, unless lying in bed all day, ignoring his front door and his phone, and then going down the pub every evening, could be described as a life skill. But Jim Riven did have one particular talent—or what he referred to as 'his curse'—that involved unnecessary and unwanted coincidences, or 'not so serendipitous happenchances' as he also liked to call them. Happenchances that had dogged his life ever since he could remember. When Jim Riven's ex-girlfriend, a rather spoilt society girl and daughter of all round international media rogue, Roo Osbourne, turns up unexpectedly one morning to elicit his help in finding a stolen painting by the grandfather of modern art, Piet Mondrian, Jim Riven's life is turned upside down. And, for Jim Riven, upside down was not the right way up at all. And so started a series of the most startling coincidences, placing him at the centre of a fascinating and complex mystery.

In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that “hits with the approximate force and effect of electroshock therapy” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom's argument caused such a furor at publication and why our culture so deeply resists its truths today.

**Warbreaker** - Brandon Sanderson 2009-06-09

From #1 New York Times bestselling author Brandon Sanderson, *Warbreaker* is the story of two sisters, who happen to be princesses, the God King one of them has to marry, the lesser god who doesn't like his job, and the immortal who's still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vivenna and Siri, princesses of Idris; Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. **Manalive** - G. K. Chesterton 2013-01-16

Light-hearted work introduces Innocent Smith, a bubbly, eccentric gentleman of questionable character,  
into the lives of a group of young disillusioned people — and the result is inspired, high-spirited nonsense.
