Nobody's Fool - Richard Russo
2011-11-09

This slyly funny, moving novel about a blue-collar town in upstate New York—and in the life of Sully, of one of its unluckiest citizens, who has been doing the wrong thing

triumphantly for fifty years—is a classic American story. Divorced from his own wife and carrying on halfheartedly with another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its uproarious humor and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool*, from Pulitzer Prize-winning author, Richard Russo, is storytelling at its most generous. *Nobody's Fool* was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith.

The Book of Other People -
Zadie Smith 2008-01-02

A stellar host of writers explore the cornerstone of fiction writing: character. *The Book of Other People* is about character. Twenty-five or so outstanding writers have been asked by Zadie Smith to make up a fictional character. By any measure, creating character is

at the heart of the fictional enterprise, and this book concentrates on writers who share a talent for making something recognizably human out of words (and, in the case of the graphic novelists, pictures). But the purpose of the book is variety: straight "realism"-if such a thing exists-is not the point. There are as many ways to create character as there are writers, and this anthology features a rich assortment of exceptional examples. The writers featured in *The Book of Other People* include: Aleksandar Hemon Nick Hornby Hari Kunzru Toby Litt David Mitchell George Saunders Colm Tóibín Chris Ware, and more. Read Zadie Smith's newest novel, *Swing Time*.

The Great Ghost Rescue -
Eva Ibbotson 2003-04-01

The bestselling author of "Which Witch?" returns with a nefarious, hilarious story of ghosts in peril--especially Humphrey the Horrible, a small, mostly unsuccessful ghost in a family of ghastly ghouls. Illustrations.

LSD, My Problem Child -

Albert Hofmann 2005

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

**A Short Introduction to
Classical Myth** - Barry B.

Powell 2001

An essential reference for anyone interested in gaining a deeper understanding and appreciation of classical mythology, this unique guide offers original source material

on the social and historical background, interpretation, and commentary on major literary books on Greek myth—such as Homer, Hesiod, the tragedians, the historians, Ovid, Vergil, and in Greek art. Written in a clear and lucid manner, the book offers fresh and original interpretations based on the latest scholarship, and comes organized into three distinct parts: I: Definitions and Interpretations (devoted to theoretical issues); II: Background (to fill in information essential to understanding myth); and III: Themes (chapters directed toward specific topics in the study of myth). For general readers of English literature and/or classical mythology.

The Spring Tone - Kazumi Yumoto 1999

Plagued by headaches and nightmares, Tomomi tries to make sense of her grandmother's death, her little brother's obsession with saving sick and abandoned cats, and her fear that she is becoming a monster.

The Gin Closet - Leslie Jamison
2010-02-16

AS A YOUNG WOMAN, Tilly flees home for the hollow underworld of Nevada, looking for pure souls and finding nothing but bad habits. One day, after Tilly has spent nearly thirty years without a family, drinking herself to the brink of death, her niece Stella—who has been leading her own life of empty promise in New York City—arrives on the doorstep of Tilly's desert trailer. The Gin Closet unravels the strange and powerful intimacy that forms between them. With an uncanny ear for dialogue and a witty, unflinching candor about sex, love, and power, Leslie Jamison reminds us that no matter how unexpected its turns, the life we're given is all we have: the cruelties that unhinge us, the beauties that clarify us, the addictions that deform us, those fleeting possibilities of grace that fade as quickly as they come. The Gin Closet marks the debut of a

stunning new talent in fiction.
The Winners Laws - 30 Absolutely Unbreakable Habits of Success - Bodo Schafer
The Winners Laws by Bodo Schafer is a number-one best-selling book in the world that has helped innumerable people and can you can be one of them! What is it that you want most out of life? Is it wealth, power, or even happiness perhaps? The direction of one's future is continuously up in the air for many people and they just let the current of life sweep them any which way and that. Wouldn't it be great if there were some set of rules to follow, laws per say, which could help one join the ranks of the productive and the successful? As it turns out, there is. Bodo Schafer is a successful time management trainer. Through his time spent as a financial guru, Schafer has come up with a set of 30 laws that, when followed, can drastically improve the quality of one's life. The laws give you the tools used by this world's elite in order to gain control of your life and attain the

confidence you need to move forward with all the gusto and purpose of a true winner. In this book, you will learn: - How to be happy, smart, and successful - The tools needed to achieve your dreams - The secret to having immeasurable confidence - And so much more! There is no easy fix when it comes to achieving success. Rather, there are a series of steps you can follow to ensure that your life improves in a dramatic and measurable way. These laws have assisted many over a lengthy period of time and this infallible method can help you too! ©2016 AB Publishing, The Rights Company (P)2016 AB Publishing, The Rights Company
[A Schoolboy's Diary and Other Stories](#) - Robert Walser
2013-09-03
A Schoolboy's Diary brings together more than seventy of Robert Walser's strange and wonderful stories, most never before available in English. Opening with a sequence from Walser's first book, "Fritz Kocher's Essays," the complete

classroom assignments of a fictional boy who has met a tragically early death, this selection ranges from sketches of uncomprehending editors, overly passionate readers, and dreamy artists to tales of devilish adultery, sexual encounters on a train, and Walser's service in World War I. Throughout, Walser's careening, confounding, delicious voice holds the reader transfixed.

Creating Sacred Space with Feng Shui - Karen Kingston 1997-01-01

Provides simple and effective techniques on how to create harmony and abundance by clearing and enhancing home and workplace energies, and explains the link between inner peace and the buildings in which we live. Original.

Johnny's Dragon - Irina Korschunow 1982

The Bed Book - Sylvia Plath 1976

Pocket-sized beds, bird-watching beds, beds that fly, bounceable beds... this lively rhyming story for young children is designed to make going to bed a huge adventure.

The Soul of Rumi - Coleman Barks 2010-12-14

Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces

have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems

of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights. Oval - Elvia Wilk 2019-06-04
Bizarre weather.
Unprecedented economic

disparity. Artists employed by corporations. And the ultimate work of art: Oval, a pill that increases generosity. This unforgettable debut novel asks questions of empathy and power on every scale—from bodies to bureaucracies—to create an unsettling portrait of the future. In the near future, Berlin's real estate is being flipped in the name of "sustainability," only to make the city even more unaffordable; artists are employed by corporations as consultants, and the weather is acting strange. When Anja and Louis are offered a rent-free home on an artificial mountain—yet another eco-friendly initiative run by a corporation—they seize the opportunity, but it isn't long before the experimental house begins malfunctioning. After Louis's mother dies, Anja is convinced he has changed. At work, Louis has become obsessed with a secret project: a pill called Oval that temporarily rewires the user's brain to be more generous. While Anja is horrified, Louis

believes he has found the solution to Berlin's income inequality. Oval is a fascinating portrait of the unbalanced relationships that shape our world, as well as a prescient warning of what the future may hold. "A fascinating near-future exploration of relationships, sustainability, and power. An extraordinarily accomplished debut novel." —Jeff

VanderMeer, author of *Borne* and *Annihilation* "Elvia Wilk's Oval is a marvel. At the core of this seductive, acute, superbly-contemporary update of mid-period J.G. Ballard lies a deep-beating, deep-dreaming heart." —Jonathan Lethem

all of it is you. - Nico Tortorella
2018-04-17

A debut poetry collection from actor Nico Tortorella exploring "all of it," from the smallest cells in our bodies to the outer limits of our universe. Nico Tortorella's debut poetry collection presents a singular voice honed through years as an actor, podcaster, and advocate, one colored with love, wonder, and endless curiosity. But it is also more

than just words on a page - it is a sensuous journey into who we are and how we relate to the world around us, showing how the connections we make are vital to understanding why we are here. Provocative, enlightening, and emotionally charged, all of it is you. is a poetry experience like no other.

Goethe's Correspondence with a Child - Bettina von Arnim 1868

Goethe and the Ginkgo - Siegfried Unseld 2010-04-15
In 1815, Goethe gave symbolic expression to his intense relationship with Marianne Willemer, a recently married woman thirty-five years his junior. He gave her a leaf from the ginkgo tree, explaining that, like its deeply cleft yet still whole leaf, he was "single yet twofold." Although it is not known if their relationship was ever consummated, they did exchange love poetry, and Goethe published several of Marianne's poems in his West-East Divan without crediting her authorship. In this

beautiful little book, renowned Goethe scholar Siegfried Unseld considers what this episode means to our estimation of a writer many consider nearly godlike in stature. Unseld begins by exploring the botanical and medical lore of the ginkgo, including the use of its nut as an aphrodisiac and anti-aging serum. He then delves into Goethe's writings for the light they shed on his relationship with Marianne. Unseld reveals Goethe as a great yet human being, subject, as any other man, to the vagaries of passion.

Snake and Lizard - Joy Cowley 2013-10-21
Snake and Lizard are a lovable, foolish pair, always arguing, embarking on unlikely enterprises and telling one another hotly contested tales - none of which behaviour lessens their affection for one another. **The Pauli-Jung Conjecture
and Its Impact Today** -
Harald Atmanspacher
2017-01-16

Related to the key areas of
Pauli's and Jung's joint
interests, the book covers
overlapping issues from the
perspectives of physics,

philosophy, and psychology. Of
primary significance are
epistemological questions
connected to issues such as
realism, measurement,
observation, consciousness,
and the unconscious. The
contributions assess the
extensive material that we
have about Pauli's and Jung's
ideas today, with particular
respect to concrete research
questions and projects based
on and related to current
knowledge.

Foreign Bodies - Amanda
Craig 2022-02-24

At eighteen, Emma Kenward
runs away from her dull Sloane
home to try her luck as a
painter in Tuscany. Waspish,
idealistic and far too clever for
her own good, she is at the
awkward age when women
choose their futures - and their
identities. Once in Italy, Emma
blossoms and is taken up by a
mixture of characters including
the local Contessa; Sylvia, her
volatile American mentor; Dr
Evenlode, an Oxford don she'd
hoped never to see again; and
Lucio, a seductive and anarchic
young Italian, as interested in

Emma's body as in her mind. Santorno, however, is not merely a picturesque town set in the golden landscape of the Tuscan countryside. Hidden among the malicious tongues of the provincial gossips and the

walls of the mysterious Palazzo Felici lie secrets, long buried, but not forgotten. Emma, ever curious, delves deep and discovers the truth about her new world, her old self - and a gruesome murder.
